Minutes of Evidence Taken Before the Royal Commission on the War in South Africa Great Britain. Royal Commission on the South African War, 1899-1900,1903 **Country Life Illustrated** ,1900 **Homicide in the Indian Hills** Erica Ruth Neubauer,2025-03-25 Intrepid American newlywed Jane Wunderly learns that tigers aren t the only dangers lurking in 1920s India when a murder in a popular resort town threatens to destabilize the local government and undermine the resistance movement for Indian self rule Ooty 1927 Accompanying Mr Redvers on an assignment to Ootacamund to quell revolutionary rumblings Jane finds there s more than meets the eye to India s Queen of Hill Stations Ooty s lush tea plantations and tranquil gardens barely conceal its secrets scandalous affairs political sabotage and a mounting anti colonial movement Even Redvers intends to subvert his official mission in Ooty by arranging a series of clandestine meetings with local resistance leaders But it s not until the shocking death of a British national that Jane and Redvers are truly drawn into Ooty s deepest shadows Jane s suspicions that the death is more than a tragic accident are soon confirmed but word of a murder could stoke Ooty s simmering tensions into a full boil Navigating corrupt local officials festering personal vendettas and a complicated network of bureaucratic entanglements that lead to the top tiers of government Jane and Redvers edge closer to the truth and its deadly consequences Someone is willing to spill blood to protect their interests will Jane become just another of Ooty s darkest secrets **Hansard's Parliamentary Debates** Great Britain. Parliament,1887 *The Tartan Pimpernel* Donald Caskie,2012-11-01 This is the remarkable story of Donald Caskie minister of the Scots Kirk in Paris at the time of the German invasion of France in 1940 Although he had several opportunities to flee Caskie stayed behind to

help establish a network of safe houses and escape routes for Allied soldiers and airmen trapped in occupied territory This was dangerous work and despite the constant threat of capture and execution Caskie showed enormous resourcefulness and courage as he aided thousands of servicemen to freedom Finally arrested and interrogated he was sentenced to death at a Nazi show trial and it was only through the intervention of a German pastor that he was saved After the war Caskie returned to the Scots Kirk where he served as minister until 1960 This inspiring story of selfless commitment to others in the face of extreme adversity is the legacy of a truly brave man *The Stardroppers* John Brunner,2011-09-29 A stardropper got its name from the belief that the user was eavesdropping on the stars But that was only a guess nobody really knew what the instrument did The instrument itself made no sense scientifically A conventional earpiece an amplifier a power source all attached to a small vacuum box an alnico magnet and a calibrated tuner What you got from all this was some very extraordinary noises and the conviction that you were listening to beings from space and could almost understand what you were hearing What brought Special Agent Dan Cross into the stardropper problem was the carefully censored news that users of the instrument had begun to disappear They popped out of existence suddenly and the world s leaders began to suspect that somehow the fad had lit the fuse on a bomb that would either destroy the world or change it forever First published 1972 **A History of the British Cavalry 1816-1919** Lord Anglesey,1993-09-14 This volume covers the high noon of the British Empire beginning with the Zulu War of 1879 and ending with Kitchener s River War of 1898 Between these came the 2nd Afghan War the first Boer War and Wolseley s Egyptian and Nile campaigns Also described in some detail is the Cavalry s part in the campaigns against Osman Digna in the Eastern Sudan **The Times Parliamentary Debates** ,1891 Cobbett's Parliamentary Debates Great Britain.
