on Latter-day Saint Names and Naming Dallin D. Oaks, Paul Baltes, Kent Minson, 2023-03-01 Perspectives on Latter day Saint Names and Naming approaches cultural historical and doctrinal dimensions of The Church of Jesus Christ of Latter day Saints through a fresh lens that explores how these dimensions intersect with names and naming Featuring a collection of chapters from multiple authors its bipartite structure examines fascinating topics in relation to the Church looking first at cultural and historical perspectives before analyzing doctrinal and scriptural perspectives The book discusses such matters as how contemporary naming practices of Latter day Saints compare to those outside the faith how code names were used in one of the faith s books of scripture to protect Church leaders from persecution and how names and naming relate to the covenant identity of Church members Through its fresh approach to understanding religious identity and belief in relation to The Church of Jesus Christ of Latter day Saints this book is an invaluable resource for scholars and students of Mormon studies and will also be of interest to people with a fascination with names and naming issues as those occur in a variety of settings including religious ones **Historical Dictionary of the Latter-day Saints** Thomas G. Alexander, Davis

Bitton, 2019-10-08 The Church of Jesus Christ of Latter day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church s membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of Historical Dictionary of the Latter day Saints contains a chronology an introduction

and an extensive bibliography The dictionary section has over 400 cross referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter day Saints

The Book of Mormon Paul C. Gutjahr, 2012-03-25 A concise and eminently teachable history of the most important American made world scripture and its cultural and religious significance Choice Late one night in 1823 Joseph Smith Jr was reportedly visited in his family s farmhouse in upstate New York by an angel named Moroni According to Smith Moroni told him of a buried stack of gold plates that were inscribed with a history of the Americas ancient peoples and which would restore the pure Gospel message as Jesus had delivered it to them Thus began the unlikely career of the Book of Mormon the founding text of the Mormon religion and perhaps the most important sacred text ever to originate in the United States Here Paul Gutjahr traces the life of this book as it has formed and fractured different strains of Mormonism and transformed religious expression around the world Gutjahr looks at how the Book of Mormon emerged from the burned over district of upstate New York where revivalist preachers missionaries and spiritual entrepreneurs of every stripe vied for the loyalty of settlers desperate to scratch a living from the land He examines how a book that has long been the subject of ridicule Mark Twain called it chloroform in print has more than 150 million copies in print in more than a hundred languages worldwide Gutjahr shows how Smith s influential book launched one of the fastest growing new religions on the planet and has featured in everything from comic books and action figures to feature length films and an award winning Broadway musical A fascinating history of an important document of American culture Steven Poole The Guardian

Of Faith and Reason: 80 Evidences Supporting Joseph Smith

Michael R. Ash,2023-02-02 In the early 1800s many people criticized the Prophet Joseph Smith for his prophecies and revelations today several evidences prove that Joseph was right Michael Ash a well known LDS apologist explains why it is useful and perhaps even necessary to combine reason with faith in our testimony of Joseph Smith He reminds us that although secular evidences can t replace a spiritual witness they can support a testimony and provide an atmosphere where a spiritual witness can flourish Using scholarly journal articles and ancient Jewish and Christian writings Ash provides evidences that show how the Book of Mormon is a true account of an ancient people how LDS scriptures are consistent with the traditions and culture of ancient Israel and how the doctrines of the Church accurately reflect the teachings of Christ Ash writes clearly and simply providing numerous resources to foster further study With over 80 evidences this book is an excellent resource for those seeking more information about Joseph Smith and his works
