## Reference Guide To American Literature St James Reference Guides:

*St. James Reference Guide to American Literature*, 1980      *Reference Guide to American Literature* Jim Kamp, 1994

Now in its 3rd edition the Reference Guide to American Literature focuses on the rich diversity of individuals that comprise an important group of American novelists poets dramatists and essayists Entries include expanded multi ethnic representation and profile more African Americans and for the first time Asian Hispanic and Native American writers and works as well as writers who concentrate on women s and gay and lesbian issues      **American Reference Books Annual** Juneal M. Chenoweth, 1995-04-15 With more than 1600 descriptive and evaluative entries ARBA continues its 26 year tradition as a comprehensive review source for reference works published or distributed in the US ARBA 95 encompasses the subject spectrum covering such broad areas as general reference history education economics and business and science and technology Of special note in this edition is increased coverage of CD ROM products More than 350 reviewers provide reviews that cover strengths and weaknesses of the reference works      **A Reference Guide for English Studies** Michael J. Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner s Literary Research Guide Modern Language Assn of America 1989 larger academic libraries will want Marcuse s volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library Journal      Best Reference Books, 1986-1990 G. Kim Dority, Bohdan S. Wynar, 1992 Aiming to be useful for identifying gaps in core reference collections for filling out a particular subject area for determining what to weed out and what to keep and for checking for new editions and related materials this bibliography should be a handy reference for all information professionals seeking to build up a quality reference collection Approximately 1 000 entries have been culled from the more than 8 500 entries appearing in ARBA 1987 1991 covering reference titles with imprints of 1986 1990 Titles have been chosen on the basis of their usefulness to practising librarians The lengthy reviews have been updated and in some instances completely rewritten to reflect new editions with expanded coverage additional citations to published reviews and price changes      **A Handbook to Literary Research** Simon Eliot, W. R. Owens, 1998 This unique student resource is specifically designed for those beginning an MA in Literature providing an introduction to research techniques methodologies and information sources relevant to the study of literature at postgraduate level      **Guide to Reference in Genealogy and Biography** Mary K. Mannix, Fred Burchsted, Jo Bell Whitlatch, 2015 An excellent starting point for both reference librarians

and for library users seeking information about family history and the lives of others this resource is drawn from the authoritative database of Guide to Reference voted Best Professional Resource Database by Library Journal readers in 2012 Biographical resources have long been of interest to researchers and general readers and this title directs readers to the best biographical sources for all regions of the world For interest in the lives of those not found in biographical resources this title also serves as a guide to the most useful genealogical resources Profiling more than 1400 print and electronic sources this book helps connect librarians and researchers to the most relevant sources of information in genealogy and biography A *Handbook to Literary Research* Delia da Sousa Correa, Staff Tutor and Lecturer in Literature W R Owens, W.
