Komives, John P. Dugan, Julie E. Buy it. Read it. Use it to develop the needed leadership for our collective future. CYNTHIA CHERREY, vice president for campus life, Princeton University and president of the International Leadership Association. As we continue to encourage leadership behavior in young people, it is very easy to get lost in a forest of new theories, programs, and definitions. This handbook serves as the compass to guide us, and it grounds the field of student leadership development in principles and best practices. Our challenge is to put this work into action. PAUL PYRZ, president, LeaderShape. Comprehensive in design and scope, the second edition of The Handbook is a theory and practice resource manual for every leadership educator, inside and outside of the classroom. LAURA OSTEEN, director of the Center for Leadership and Civic Education, Florida State University. Every college administrator responsible for coordinating student leadership programming should have this book. The Handbook for Student Leadership Development takes the guesswork out of leadership program design, content, and delivery. AINSLEY CARRY, vice president for student affairs, Auburn University.
