*Biblical Quotes from A Course in Miracles Reinterpreted* Gene Skaggs Jr., 2011-09-15 The popular spiritual teaching known A Course in Miracles ACIM presents a radically new vision of Christianity using many of the familiar terms and ideas of that old time religion in refreshingly different ways In a number of places the Course refers to specific quotes from the Bible and reinterprets them in a new light This handy compilation of Biblical references made in the Course is compiled by veteran ACIM teacher Gene Skaggs Jr who presents each Bible quote with the Course s reinterpretation followed by brief explanatory remarks of his own An essential guidebook for anyone trying to understand the new vision of Christianity presented by A Course in Miracles      *Reference Book of Messages from Jesus from A Course in Miracles* David Silva, Barbara Rosenblum, 1982      Channeling Joel Bjorling, 2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult      *THE POCKET BOOK OF TRUTH: Daily Thoughts to Help Guide Us along our Spiritual Path of Reawakening in God* Marty Fall, 2022-01-25 The Pocket Book of Truth came forth in its own way in its own time When I began my spiritual path years ago I had no idea that these new to me teachings would turn out to be such a powerful presence in my everyday life Eventually I understood that the thoughts and beliefs being presented to me and at times experienced by me would become this very book This spiritual thought book began as a desire to fill a need for myself At the age of fifty for the first time in my adult life I began a more spiritually oriented path As I explored and began a new to me way of thinking about our existence and experiences in this lifetime I felt that I needed something to help me stay more in tune spiritually to help me stay more spiritually focused The Pocket Book of Truth came about naturally as the answer At the start of my new path I began attending Unity of Savannah Through Unity I learned about a self study spiritual guidebook know as A Course in Miracles Often referred to as The Course A Course in Miracles was inner dictated to Dr Helen Schucman who heard the Voice of Jesus over an approximately seven year period The Course not a religion emphasizes application and experience rather than theory and theology Also as I began to explore spirituality I received a book written by spiritual teacher Gary R Renard Gary s book *The Disappearance of the Universe* had an immediate and profound life changing impact on my spiritual beliefs DOU as it is often called was a great introduction for me in understanding what A Course in Miracles and true

forgiveness is all about Almost immediately I found myself starting a daily routine that revolved around The Course This included a first thing in the morning practice of reading The Course for twenty minutes or so along with learning how to meditate It was during this period that I made a conscious decision to put God first which changed everything in my life experiences The everyday practice of studying The Course intently and regularly with focused determination to experience truth eventually led me to starting and completing The Course workbook which is a lesson a day for one year The only rule in The Course is to not do more than one workbook lesson a day Conversely one may take as long as necessary to complete a lesson The workbook took me three and one half years to finish but I did complete the workbook with spiritual experiences along the way The idea of the workbook is ultimately to experience the truth of what you already are where you already are and where you will always be regardless of the seemingly real experiences in this worldly lifetime In the initial weeks of this focused study I began writing down thoughts and ideas that resonated with me I personalized many of these ideas simply changing them into a first person format for myself I taped these statements into one of those ever available little pocket sized calendar books and began keeping these thoughts with me In this manner I was able to have these truth thoughts available most all the time Whenever I had a few minutes or more for whatever reason including any waiting type of situation that came along or just having quiet time I used the opportunity as a chance to study and contemplate spiritual thoughts and ideas Over time many of the statements evolved and many came and went Many thoughts stayed in this writing from the very beginning So I offer the Pocket Book of Truth as an assist along the way to awakening to who and what you already are as a way to point towards truth With love and blessings Marty Fall     Understanding a Course in Miracles D.
