Daniel K. Blewett

Reference Guide To U S Military History 1919 1945:

American Military History Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums World War II in Europe, Africa, and the Americas, with General Sources Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war *Atlas of African-American History* James Ciment, 2007 A comprehensive history of African Americans including culture slavery and civil rights **The United States in World War I** James T. Controvich, 2023-05-08 With the centennial of the First World War rapidly approaching historian and bibliographer James T Controvich offers in *The United States in World War I A Bibliographic Guide* the most comprehensive up to date reference bibliography yet published Organized by subject this bibliography includes the full range of sources vintage publications of the time books pamphlets periodical titles theses dissertations and archival sources held by federal and state organizations as well as those in public and private hands including historical societies and museums As Controvich s bibliographic accounting makes clear there were many facets of World War I that remain virtually unknown to this day Throughout Controvich s bibliography tracks the primary sources that tell each of these stories and many others besides during this tense period in American history Each entry lists the author title place of publication publisher date of publication and page count as well as descriptive information concerning illustrations plates ports maps diagrams and plans The armed forces section carries additional information on rosters awards citations and killed and wounded in action lists *The United States in World War I A Bibliographic Guide* is an ideal research tool for students and scholars of World War I and American history *American Reference Books Annual*

Juneal M. Chenoweth,1995-04-15 With more than 1600 descriptive and evaluative entries ARBA continues its 26 year tradition as a comprehensive review source for reference works published or distributed in the US ARBA 95 encompasses the subject spectrum covering such broad areas as general reference history education economics and business and science and technology Of special note in this edition is increased coverage of CD ROM products More than 350 reviewers provide reviews that cover strengths and weaknesses of the reference works **World War II in Literature for Youth** Patricia Hachten Wee,Robert James Wee,2004 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource Hitler's Fatal Miscalculation Klaus Schmider,2021-01-28 Challenges long held assumptions regarding the German declaration of war on the United States in December 1941 **The Journal of Military History** ,1996 **Jacob L. Devers** James Scott Wheeler,2015-10-16 General Jacob L Jake Devers 1897 1979 was one of only two officers the other was Omar C Bradley to command an army group during the decisive campaigns of 1944 1945 that liberated Europe and ended the war with Nazi Germany After the war Devers led the Army Ground Forces in the United States and eventually retired in 1949 after forty years of service Despite incredible successes on the battlefield General George C Marshall s dependable man remains one of the most underrated and overlooked figures of his generation In this definitive biography James Scott Wheeler delivers a groundbreaking reassessment of the American commander whose contributions to victory in Europe are topped only by General Dwight D Eisenhower s Wheeler s exhaustively researched chronicle of Devers s life and career reveals a leader who demonstrated an extraordinary ability to cut through red tape and solve complex problems Nevertheless Eisenhower disliked Devers a fact laid bare when he ordered Devers s Sixth Army Group to halt at the Rhine After the war Eisenhower s and Bradley s accounts of the generals disagreements over strategy and tactics became received wisdom to the detriment of Devers s reputation An essential contribution to twentieth century history Jacob L Devers provides a fresh and nuanced interpretation of the senior command during World War II and offers a new perspective on a highly accomplished soldier **The Big Red One** James Scott Wheeler,2017-06-16 No mission too difficult no sacrifice too great Duty First For a century from the Western Front of World War I to the wars of the 21st century this motto has spurred the soldiers who wear the shoulder patch bearing the Big Red One In this comprehensive history of America s 1st Infantry Division James Scott Wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation The Centennial Edition adds new chapters on peacekeeping missions in the Balkans 1995 2004 and the wars in Iraq and Afghanistan 2001 2017 along with a new introduction and conclusion The oldest continuously serving division in the U S Army the Fighting First has consistently

played a crucial role in America's foreign wars. It was the first American division to see combat and achieve victory in World War I. One of the few intact divisions between the wars, it was the first army unit to train for amphibious warfare. During World War II, the First Division spearheaded the invasions of North Africa and Sicily before leading the Normandy invasion at Omaha Beach and fighting on deep into Germany. By war's end, it had developed successful combined arms regimental combat teams and made advances in night operations. Wheeler describes the First Division's critical role in postwar Germany and as the only combat division in Europe during the early Cold War. The division fought valiantly in Vietnam for five trying years while pioneering air mobile operations. It led the liberation of Kuwait in Desert Storm. Along the way, Wheeler illuminates the division's organizational evolution, its consistently remarkable commanders and leaders, and its equally remarkable soldiers. Meticulously detailed and engagingly written, *The Big Red One* nimbly combines historical narrative with astute analysis of the unit's successes and failures so that its story reflects the larger chronicle of America's military experience over the past century. Published in collaboration with the Cantigny First Division Foundation and the Cantigny Military History Series, edited by Paul H. Herbert. *American Indian Wars* Justin D. Murphy, 2022-01-11. Providing an indispensable overview of the American Indian Wars, this book focuses on Native American tribes and warriors and their varying responses to the onslaught of European colonists and American settlers in the centuries following contact. This work provides an overview of the Indian Wars from the arrival of Europeans until 1890. The work focuses primarily on Native American tribes and warriors and their role in battles and campaigns against other Native Americans and Europeans. Americans while also including key European American leaders and soldiers as well as treaties between Native Americans and Europeans. The introduction provides a broad overview of the Indian Wars and also considers whether the Indian Wars should be considered genocide. The bibliography focuses on the most important works published on the Indian Wars. Each entry also includes a list of references for readers to consult. The work also includes a collection of primary source documents that span the entire time period. *The American Army in Germany, 1918-1923* Dean A. Nowowiejski, 2021-11-15. The American Army in Germany 1918-1923. Success against the Odds by Dean A. Nowowiejski fills a gap in American military and political history through thorough research and a compelling narrative of the Rhineland occupation. After the armistice ended the fighting on the Western Front in World War I, the US Third Army marched into the American occupation zone around the city of Koblenz, Germany, in December 1918. American forces remained there as part of an inter-Allied coalition until early 1923. Nowowiejski reintroduces us to a successful military diplomat, Major General Henry T. Allen, who faced two major challenges: build an efficient army and handle the complexity of working with the Allied powers of France, Britain, and Belgium in the Inter-Allied Rhineland High Commission (IARHC). Allen's ability to balance the interests of the French with those of the occupied Germans made him an indispensable participant in the High Commission. As the French sought revenge and added security against Germany, Allen moderated their actions with diplomatic skill. When the French sent forces into

Germany in 1920 and 1921 Allen ensured that the US zone around Koblenz remained free of French interference These achievements were without the support of the administration and Congress had no desire to take part in European affairs Allen also had to create a competent American army in the Rhineland so that the Allied powers and the Germans would respect American views and interests He successfully took a large number of new recruits who replaced World War I combat veterans and molded them into a professional fighting force As a result the American Forces in Germany became an exemplar for the entire US Army and a symbol to the Allies and Germans of American power and resolve This force competently accomplished the difficult task of postwar occupation according to the highest international standards The US administration made the decision in 1922 to radically cut back the size of Allen s army and in 1923 to remove all US troops from Germany The author analyzes this withdrawal as a missed opportunity for US leverage on diplomatic developments in Europe

The U.S. History Highway Dennis A. Trinkle, Scott A. Merriman, 2002 Complete with a CD ROM this specialized edition of The History Highway 3.0 guides users to the incredible amount of information on U S history available on the Internet like no other resource It covers hundreds of sites and the CD ROM features the entire contents as PDF files with live links so that users can put the disk into their computers go online and click directly to the sites In addition the best sites for researchers of all types are highlighted as Editor s Choice and there is also helpful information on using the Internet and evaluating information in an online environment

United States Army Aviators' Equipment, 1917-1945 C.G. Sweeting, 2015-04-17 Seven decades after World War II we now know that the margin between Allied victory and defeat was often narrower than many realized The decisive actions of leaders generals and war heroes have been well documented but less well known are the technological developments that made victory possible and laid the groundwork for postwar progress Based on more than ten years of research this book describes how American airmen became the best outfitted aviators of the war tracing the development of virtually every piece of personal equipment used by United States air forces Drawing on original sources including formerly classified documents the author details the myriad types of respirator equipment parachutes body armor pressure suits and other flying and survival gear that were instrumental in making U S pilots and air crews effective Personal anecdotes bring to life the design and testing of combat flight equipment More than 160 photographs are included most published here for the first time

Marksmanship in the U.S. Army William K. Emerson, 2004 Featuring hundreds of black and white illustrations of marksmanship medals prizes and badges plus a special full color section this encyclopedia of U S Army shooting awards and training program rewards is a must have for military historians and collectors In Marksmanship in the U S Army William K Emerson details weapons training from the 1850s to the present gathering this information for the first time in a single volume Emerson highlights the philosophies behind army marksmanship and documents the awards prizes and badges bestowed upon the War Department s most elite shooters artillerymen and swordsmen Proficiency training discussed in this book includes the use of sabers cannons sea mines

bayonets tank weapons aerial gunnery bombs and other weapons Emerson integrates discussion of the criteria people and rationale behind each award into this historical account Emerson's emphasis on national rifle and pistol matches the history of selected army and NRA trophies and significant players in the army's weapons training development enhances the comprehensive appeal of the latest contribution to military history by this experienced author **Naval Warfare 1919-45** Malcolm H. Murfett, 2008-11-04 *Naval Warfare 1919-45* is a comprehensive history of the war at sea from the end of the Great War to the end of World War Two Showing the bewildering nature and complexity of the war facing those charged with fighting it around the world this book ranges far and wide sweeping across all naval theatres and those powers performing major as well as minor roles within them Armed with the latest material from an extensive set of sources Malcolm H Murfett has written an absorbing as well as a comprehensive reference work He demonstrates that superior equipment and the best intelligence ominous power and systematic planning vast finance and suitable training are often simply not enough in themselves to guarantee the successful outcome of a particular encounter at sea Sometimes the narrow difference between victory and defeat hinges on those infinite variables the individual's performance under acute pressure and sheer luck *Naval Warfare 1919-45* is an analytical and interpretive study which is an accessible and fascinating read both for students and for interested members of the general public *The Sexual Economy of War* Andrew Byers, 2019-05-15 In *The Sexual Economy of War* Andrew Byers argues that in the early twentieth century concerns about unregulated sexuality affected every aspect of how the US Army conducted military operations Far from being an exercise marginal to the institution and its scope of operations governing sexuality was in fact integral to the military experience during a time of two global conflicts and numerous other army deployments In this revealing study Byers shows that none of the issues related to current debates about gender sex and the military the inclusion of LGBTQ soldiers sexual harassment and violence the integration of women is new at all Framing the American story within an international context he looks at case studies from the continental United States Hawaii the Philippines France and Germany Drawing on internal army policy documents soldiers' personal papers and disciplinary records used in criminal investigations *The Sexual Economy of War* illuminates how the US Army used official policy legal enforcement indoctrination and military culture to govern wayward sexual behaviors Such regulation and its active opposition leads Byers to conclude that the tension between organizational control and individual agency has deep and tangled historical roots **Playing to Win** Wanda Ellen Wakefield, 1997-04-24 Traces the development of U S military sports and explains how and why the American armed forces embraced sports as a crucial part of training and entertainment for the men and ultimately women in uniform *War Comes to Aachen* Philip W. Blood, 2024-10-03 A micro history of Charlemagne's city in the First and Second World Wars its inhabitants' embrace of Nazism and Churchill's response *The World History Highway* Dennis A. Trinkle, Scott A. Merriman, 2002 CD ROM contains Electronic version of text pdf format with links to resources in text

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Reference Guide To U S Military History 1919 1945**

In a world inundated with screens and the cacophony of instantaneous transmission, the profound power and mental resonance of verbal art often fade in to obscurity, eclipsed by the regular onslaught of noise and distractions.
