Volkman,2009 Featuring the work of 15 Viet Nam War veteran writers this anthology of poems stories and essays looks through the lens of past and present perspectives and defines how modern warfare affects the lives of those who lived it and their families **The Listening Post Reflections of a Vietnam Veteran** Charles O Robinson,2017-01-28 I started thinking about writing this book as a memoir of my experience as a young soldier in the Vietnam War beginning in November 1967 until November 1968 It was to have been an effort to relate to my family especially to my children what it was like to have fought during the war As I started trying to recall my experiences I found that I could remember only a few scattered details Somehow it seems as if my entire life can be encapsulated in just a few memorable snapshots in a photograph album So the book became not only a memoir of war but a memoir of my life and a reflection upon the war my thoughts and feelings about what was going on during the war my life after the war and how the two would become inseparable I hope that in my doing so that those who read this account may understand a little bit better how my entire life and perhaps that of my comrades was influenced by events of that one year in Vietnam in service to my country *Reenactments* Hai-Dang Phan,2019-02-19 In *Reenactments* poet Hai Dang Phan explores the history memory and legacy of the Vietnam War from his vantage point as a second generation Vietnamese American Woven throughout the poems is a narrative of his family s exodus from Vietnam that beautifully elucidates the American record of immigration dislocation inheritance and ultimately hope The poems are persuasively varied in their approach The past and present the remembered and imagined all intersect at shifting angles providing bold new perspectives And in a fresh move Phan widens the lens interspersing translations of several other contemporary Vietnamese poems to the mix This subtle and moving debut is an important addition to the literature of immigration **The Tug of War** Ed Orr,2020-01-31 The Tug of War is profoundly evocative of scenes etched deeply with in my own memory and I m sure the memories of all who served there Despite the fact that Vietnam was many things to many people as were so many different wars experienced by those who were in combat your work seems to bridge all by its reality Chaplain Ray W Stubbe

**Opaque Memories of War** Gary Robert Geister, 2010-04-08 Many of the poems contained herein follow excerpts from my books *NAM The Devils Domain* *The Pimp of Saigon* and *Undaunted Valor* These poems were created to envision facts of war inspired by my Vietnam War experiences some are inspired by myths reported by biased American newspaper radio and television media Still others were created to reflect individual valor human suffering and mans inhumanity to man Myths The biased American media reported that the U S Military lost many encounters with the enemy in Vietnam The TET offensive was an NVA VC Victory and that America had lost its first war ever as witnessed on television during the fall of Saigon April 30 1975 Facts The American military was not defeated in Vietnam The American military did not lose a battle of any consequence From a military standpoint the war was a major military defeat for the Vietcong and North Vietnamese Army Militarily the 1968 TET offensive resulted in a total defeat of the Communist forces on all fronts It resulted in the death of some 45 000 NVA troops and the complete if not total destruction of the Vietcong elements in South Vietnam The fall of Saigon happened April 30 1975 two years after the American military had left Vietnam The last American troops departed Vietnam in their entirety March 29 1973 It is impossible to lose a war we had stopped fighting We fought to an agreed governmental stalemate and turned over all military responsibility to the South Vietnamese army which included jets helicopters tanks trucks weapons and ammo The U S peace settlement was signed in Paris on January 27 1973 It called for the release of all U S prisoners and withdrawal of U S forces Effective April 30 1975 the South Vietnamese army outnumbered the North Vietnamese army by at least two to one in all categories men machines aircraft and firepower The U S A supported the French military with 98% if its military costs and fought Communism in Vietnam for a total involvement for 10 000 days With the South Vietnamese army now in charge of their own countrys destiny they never fought but instead surrendered unconditionally to North Vietnam within nine days The 140 000 evacuees in April 1975 during the fall of Saigon consisted entirely of Vietnamese civilians and military There were twice as many casualties in Southeast Asia primarily Cambodian the first two years following the end of U S involvement than there were during all the years of the Vietnam War The media perceived loss of the war the countless assassinations and torture visited upon Vietnamese Laotians and Cambodians is due to the American media for their undying support by misrepresentation of the anti war movement in the United States As Americans we must support our military men and women involved in the War On Terrorism for once again the American media is working tirelessly to undermine their efforts and force a psychological loss or stalemate for the United States

**Fragments** Bruce Berger, 2020-05-30 Bruce Berger the author finally came home 50 years after the Vietnam war when his memories crystallized into the 34 poems in this chapbook He shipped to Vietnam as an Infantryman in 1970 but was assigned most of the year to the Casualty Branch of the 101st Airborne Division at Camp Eagle near Phu Bai As next of kin editor he wrote hundreds of sympathy letters to grieving families back home for loss of their soldier and sometimes helped gather fallen brothers on battle grounds to begin their long journeys home Through this lens his poems evoke an

overwhelming sense of loss on many fronts the brave American soldiers who gave their lives in the long war a village of South Vietnamese widows the thousands of bui doi innocent but reviled half breed Amerasian children the empty afterness of battle grounds and burials the long deadly reach of Agent Orange and PTSD into veterans lives still today and the thunderous silence of missing parades back home Writing these poems brought him home Many of the poems are illustrated with artwork created by members of the Providence Art Club in Rhode Island All earnings from this book will be donated to the Vietnam Veterans of America Book Review 1 This is war as never seen before raw feelings of senseless loss as never recorded before a glimpse into the heart of a compassionate soldier amidst the brutality of Vietnam as never expressed before Emotion jumps from its pages and sticks A mosaic of war s stark realities then and now stays with you long after the words sink in You may put the book down but you cannot escape its message Regardless of who you are this book will move you For the veteran expect a return to the killing fields in snatches of memories and rumblings of long suppressed fear anger guilt and loss For families of those lost during the war comes an understanding your grief does not go unnoticed and your eternal emptiness is understood and respected And for the uninitiated who think of war in terms of a brief sound bite on the evening news this is a hard life lesson A single gunshot in a nameless piece of jungle can claim a life in a second and change countless other lives half way around the world forever Lastly this is a courageous deeply personal discussion of inner battles many of us face To many veterans living with the war for decades after returning is so hard and so easily misunderstood This book takes a giant step towards that understanding and awareness All veterans will be better because of it Rick St John author of the acclaimed Circle of Helmets and Tiger Bravo s War and a retired U S Army Colonel who led a company of 101st Airborne Division paratroopers in heavy fighting in Vietnam Book Review 2 Fires in some men like fires deep in forest roots can burn for decades Fragments paints such a fire in the metaphor of a journey for those who flew home but not home after a long bloody bitter war in Vietnam that often did not end with a warrior s return to American soil Berger s pieces are like fragmentary grenades and flashbangs images and lines that catch in your throat stop your breath blind you with tears Like the image of a gravedigger back home whose heart leaks into the grave he digs for his brother Or the poem 66 Miles the distance you get when you place 58 220 dead head to toe head to toe the length of a trip from Nogales to Tucson or Trenton to the Big Apple Think about that and then they came home to no parades only pockets of seething scorn Years later they hear the meaningless koan Thank you for your service Welcome home my friend welcome home Joseph Heywood author of more than 20 books and perhaps best known for the Woods Cop Mystery Series He served five years in the Air Force as a navigator spending 15 months in the Vietnam theater Book Review 3 This is an important book In a collection of poems he calls fragments Bruce K Berger gives us an incisively moving often heartbreaking record of the Vietnam war which left permanent scars on the minds and bodies of those who served and suffered there then endured what Berger calls the long coming home The poems are vivid unsentimental sharply evocative of the places and the people combatants and

noncombatants on both sides victims of the war's horrors both in country and back home This is an important book You need to read it Insistent unforgettable its poems will frag your heart Arnold Johnston author of *Where We're Going Where We've Been* and *The Witching Voice* A Novel from the Life of Robert Burns      *Surviving Vietnam* James Toscano,2016-12-15 Jimmy Toscano was smart talented and the rock in his family When he was drafted to serve in the Vietnam War at age twenty two he willingly accepted the request from Uncle Sam After all Jimmy who was always up for a challenge was full of life drive and a determination to make the world a better place In a posthumous collection of poems Jimmy leads others down a lyrical path through the experiences he endured during the Vietnam War as he fought alongside over two million other soldiers and after as he returned to an unwelcoming America Jimmys poems shine a light on the effects war has on a soldiers family what it is like to stare death in the face the brutality of combat how the war transformed energetic young men into broken souls and the challenges that accompanied their return home as they learned to battle a new enemy the haunting memories of war *Surviving Vietnam* shares poignant and candid poems from a war veteran that expose the realities of the battlefield and beyond

**Reflections Into My Soul** Francine N. D'Aprile,2009-03 Through my journey in life I have met many people Everyone has a story to tell sometimes our lives take us into so many directions that at the end of the journey you look back and wonder where have all the years gone by The pathway that led me to this book took me in many directions in my life Writing Poetry has always been a passion of mines As I take you into my soul you will come to realize that deep within ourselves we are all the same From my years in Hawaii to the love of a United States Marine Corps Vietnam Vet I continue Along Life's Journey and then I hit the lowest point in my life My poetry continues with a mixture of inspirational thoughts and other poems At the end of the day may you be inspired by *Reflections into My Soul* and write your own poetry of life

*New Poet Of The Vietnam War* Barrett Ackerly,2021-06-14 Throughout the book the perspective is the author's first as a Vietnam GI in the thick of the early low intensity war then later as a Vietnamese speaking civilian contractor John Buquoi bore witness from the fateful year of 1963 until the end of his extended stay in country in 1970 Now from the distance of time and reflection the poet looks back nearly half a century with grace insight and occasional bittersweet moments A notable collection of poems that takes its rightful place on the shelf of distinguished Vietnam War literature      **Vietnumb** Fred Rosenblum,2017-10 The title of Fred Rosenblum's *Vietnumb* deftly asks and answers the central question Why another Vietnam book after all these years Because for a generation of Americans not only those like Rosenblum who served but the millions more of us for whom the war was daily witnessed through our TVs in our homes and around the dinner tables in the streets and in pop culture Vietnam is the defining experience through which all else in life has been refracted permanently shaping our relationships to our nation our history and our government in ways that are still reverberating today We need this book because our country still sends young men and now women off to war and it is essential that we understand what this does to them and to us It is not a comfortable read but it is a necessary one Larry W Moore Publisher Broadstone Books

Fred Rosenblum's new book of poems *Vietnumb* is a work of abiding humanity that deepens our understanding of war no matter when or where it's fought. This is an impressive collection that casts long shadows from the American War in Vietnam across half a century to current conflicts and the deployment of a new generation. The turbulence of these poems is at times hallucinatory and at times welded to traditional shapes that allow both poet and reader to somehow contain the horror. The flinty language renders the sight, sound, and smell of combat in jagged, unrelenting detail. Rosenblum's poems grab us by the throat, insisting that we never forget what the loss of innocence looks like, that we always recognize the *lie pro patria mori*.

George Kovach, Editor, *Consequence Magazine*: Each poem blunt as a rifle stock, infused with pain and regret, tramps into the memory of Vietnam to awaken ghosts buried in its jungles. A harrowing depiction that serves as warning to anyone who believes that war is anything but hell.

Bill Glose, author of *Half a Man* and winner of the 2016 Missouri Humanities Council Award for Veteran's Poetry: These poems are not mere reflections nor are they simple catalogs of witness or war's folly. There is a greater urgency here to give words to the inexplicable experience of violence and survival, a need to unearth fragments of sense from the senseless carnage. Yet in the midst of terror, we find the most human moments where men on the outer cusp of boyhood strain to create a glint of normalcy in the hazy jungle in the desperate search for something to hound them to exist. Greatest of all is the steady candor of the poet's voice from where the miserable wisdom blooms with a decisive, penetrating wit and an unwavering compassion and tender observation, a true poet's lament.

Esteban Alvarado, Poet Educator: The survivors of our misadventure in Vietnam, those who were lucky enough to come home, are beginning to pass away in great numbers, so the appearance of *Vietnumb* by Fred Rosenblum, a former Marine, is important for its testimony as well as for its powerful language. His voice is unique. The rhythm of his lines reminds me of the Beats at their very best. These are not easy poems. They demand we read each word, each line with great care, and when we do, we find ourselves in Vietnam walking at Fred's side. It's not a comfortable place to be. I suspect that is exactly what he intends. It's a journey you'll never forget.

Tom Sexton, former Poet Laureate of Alaska: *A Soldier's Time*, Robert L. Barth, 1987. **Long Time Passing**, Thomas E. Barden, 1995. *Unaccustomed Mercy*, William Daniel Ehrhart, 1989. Every poet in this anthology represents the terrible beauty that Vietnam engendered in sensitive hearts, the curious grace with which the human spirit can endow even the ugliest realities. No one will get out of this volume without being hammered in the heart and singed in the soul. I could touch the tears on page after page.

Wallace Terry: **Winning Hearts & Minds: War Poems by Vietnam Veterans**, Larry Rottmann, Jan Barry, Basil T. Paquet, 1972. A collection of poems by Vietnam War veterans.
