Reflections Of Emma:

Reflections of Emma Robert H. Tate, 2021-06-04 Reflections of Emma is a book about a lifetime of thoughts of a woman known only to us as Emma While on one of their many journeys to the northeast part of the country Robert Bob and Becky found her Bible an 1864 King James version in an antique store in West Lebanon New Hampshire It had over a hundred clippings from newspapers and magazines on a wide variety of topics relevant to her time These clippings held special meaning to Emma and gave Bob insight into her world and thoughts After purchasing the Bible Bob and his wife visited the northeast multiple times spending hundreds of hours searching through local courthouses and libraries They searched both local and national magazines and newspapers attempting to document exactly where each article in Emma s Bible originated In the end there was only one clipping that could not be documented While on these trips they also went through courthouse birth and death records and visited countless cemeteries all over the northeast attempting to discern Emma s last name this also was to no avail We may never know who she was but she left us with a lasting view of mid to late nineteenth century America *Reflections of Emma* Buddy Younggreen, 1991-01-01

Austen's Oughts Karen Valihora, 2010 The word is all over Jane Austen s novels what ought to be done what one ought to say how one ought to feel versus how one does feel When Austen s characters employ an ought the delicate oscillation between first and third person perspectives that marks her prose leads the reader to distinguish between what they say and what they ought according to a morally idealized third person calculus to mean But what is the context of this ought This book situates the disinterested reflective appeal to moral principle invoked ironically or otherwise in Austen s oughts within the history of thought about judgment in the British eighteenth century Beginning with Shaftesbury s critique of Locke s account of judgment successive readings explore the emphasis on disinterest in works by David Hume Adam Smith Samuel Richardson and Sir Joshua Reynolds alongside discussions of Jane Austen s major novels *Reflections* Kaleda Carthran, 2014-05-12 Kaleda Carthran was born in the city of Wrightsville Georgia in 1972 Having that small southern town upbringing could only keep her hidden from the rest of the world for so long After spending her early days playing with cousins and friends she began to mature and finally got out of there and joined the military She left her daughter that she had at a young age in the care of her mother with hopes of creating a better Kaleda for her child s sake The tiny walls of Wrightsville were not big enough to hold her back from seeing a much faster paced life and meeting many great people along the way She met her soon to be husband while stationed in Ft Hood Texas and they had a daughter together and then began raising a family together It was in raising this family that many trials and tribulations came along and tested their marriage and well being Through it all her husband and her began going to church and putting all the bad things that plagued their marriage behind them She has always strive to be better at everything she does and now she is striving to become an excellent writer She writes about things that tug at her own heart strings and things that make a difference in others around her She currently resides in Wisconsin with her now larger family

and keeps writing about topics that really hit home to many people The Outlook Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1927 Outlook , 1927 Outlook and Independent , 1927

Reflections of Emma Buddy Younggreen, 1982 **Some Memories and Reflections** Emma Eames, 1927 **The Course Reflection Project** Nicole Schonemann, Emily Metzgar, Andrew Libby, 2015-05-01 Service learning is entering a post initiatory phase At tertiary institutions of all types and sizes service learning programs are common and service learning requirements for graduation are growing in popularity Taken together alongside continued faculty interest in effective teaching these factors have raised the visibility and popularity of service learning Now the greater need in service learning is not to prove the need for or efficacy of service learning but to turn the focus squarely back on practice Following established best practice is not enough instructors also need to reflect on how this fits within the specific context and application of each unique course and service learning partnership While there are many excellent resources that detail best practice and showcase exemplary service learning courses faculty reflection and course revision often goes unmentioned In response to the lack of attention on the role of reflection and course revision we convened groups of faculty from a variety of disciplines to reflect deeply on their courses paying specific attention to obstacles and challenges These conversations were converted to articles for this edited collection each chapter representing the process of reflection and revision and serving as a guide to develop effective practice in varied curricular contexts This text contributes to the body of literature on service learning in a unique and practical manner Faculty teaching or interested in teaching service learning classes would benefit from this text as well as university administrators and community service directors involved in service learning at a programmatic and institutional level This book should be marketed to faculty teaching disciplinary service learning classes and service learning pedagogy classes and administrative offices involved in service learning This could be a supplementary text for graduate level pedagogy courses Higher education institutional libraries would benefit from this text as well as the national and state campus compact offices Prank Jacob Abbott, 1855 *GRASPED Harmony at Work* Steven Brough, 2024-04-07 *GRASPED Harmony at Work* Achieving Balance in the Hustle is the sixth insightful entry in the *GRASPED The Balanced Path Series* guiding readers through the intricacies of finding equilibrium in the modern workplace Emma alongside her devoted dog Baxter whose life is a masterclass in balance and contentment embarks on a journey to harmonize the demands of her burgeoning career with her personal well being This book tackles the often elusive goal of work life balance offering readers practical strategies personal reflections and the motivation needed to create a fulfilling life that doesn't compromise professional ambition for personal happiness Through Emma's experiences readers will discover the importance of setting boundaries prioritizing self care and the art of saying no all while pursuing career goals with vigor and passion What sets *GRASPED Harmony at Work Achieving Balance in the Hustle* apart is its narrative driven approach to the topic of work life balance interwoven with relatable life lessons from a canine companion Baxter Unlike typical guides that offer prescriptive
