

A woman with long brown hair is smiling and looking towards the camera. She is wearing a light-colored top. The background is a soft-focus field of tall grass or reeds. A bright, circular light flare is visible on the right side of the image, partially overlapping the woman's face and the background. The overall tone is warm and serene.

Mind Paul Ferrini, 2000 *Reflections of the Christ Mind* Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him *Reflections of the Christ Mind* presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today **Knowing Jesus** Jim

Footsteps to Christ Jewel Harper, MPA, MDiv, 2013-11-13 In learning to walk in the footsteps to Christ I originally thought this journey would be hopeless and unobtainable but the more I practiced my prayer meditation and silence I realize that it is obtainable You too can begin to come into a deep awareness of Christ How can you say that you love him and know who he is when you do not seek him When practicing a constant fellowship with Christ you are able to walk the steps to seek wanting to know more of who he is This book originated when I was on a silent retreat and started daily journaling of my experience walking in the footsteps to Christ I pass this book on to you as a tool to the body of Christ I have never intended to keep my relationship with Christ to myself as private but it is intended to be shared and encourage your experience to become a corporate experience with others

Christ's Passion, Our Passions Margaret Bullitt-Jonas, 2003-03-25 Margaret Bullitt Jonas not only takes us to the foot of the cross of Jesus she invites us to consider the breadth of Christ's healing saving love for us for those we love and for the whole creation Each reflection is followed by a series of prayer provoking questions designed to draw us deeper into the mystery of extravagant generosity

The Man Christ Jesus Bruce A. Ware, 2012-11-30 Liberal attacks on the doctrine of the divinity of Christ have led evangelicals to rightly affirm the centrality of Jesus's divine nature for his person and work At times however this defense of orthodoxy has led some to neglect Christ's full humanity To counteract this oversight theologian Bruce Ware takes readers back to the biblical text where we meet a profoundly human Jesus who struggled with many of the same difficulties and limitations we face today Like us he grew in faith and wisdom tested by every temptation common to man And like us he too received power for godliness through the Holy Spirit and thus serves not only as the divine Lord to be worshiped but also the supreme Human to be followed
