Reflections On The Gospel Of John The True Vine John 11 16:

Reflections on the gospel of John Leon Morris,1988 Truth Aflame Larry D. Hart,2010-02-23 Larry Hart's Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read An important contribution to the contemporary renaissance in systematic theology Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of Christianity Today As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective Truth Aflame seeks to meet that need While academically sound Truth Aflame is written with a practical pastoral flavor Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative This Truth then liberating enlivening and transforming Truth becomes central to the ongoing renewal of the church that we are seeing in our day Dr Hart treats each of the traditional categories revelation God creation humanity sin Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal Further he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition Clear succinct and readable this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology

New Testament Abstracts ,1989 **The Gospel According to John** Thomas L. Brodie,1997 The Quest for the Origin of John's Gospel Thomas L. Brodie,1993-07-29 Drawing on the insights of ancient literary theory and practice this book seeks to unlock the age old puzzle of the relationship of John's gospel to the other gospels and to the early Christian church Applying a new method to an old problem Brodie uses a form of source analysis that takes account of the practices of ancient writers to reveal John as someone who deliberately rendered the earlier gospels into a new language The deeply theological and at the same time more down to earth voice characteristic of John is revealed to be not that of a marginal community the Johannine community but of an independent prophetic presence within the mainstream church , *Daily Steps Towards Heaven; Or, Practical Thoughts on the Gospel History, and Especially on the Life and Teaching of Our Lord Jesus Christ* Arthur Henry Dyke Acland,1852 **Scripture Within Scripture** Bruce Gordon Schuchard,1992 *Daily Steps towards Heaven; or, Practical Thoughts on the Gospel History ... for every day in the year ... Alexander,2008-04-30 Home and Church Bible Study Guide through the Gospel of John to aid in understanding and in preparation for Christian Service *The Johannine Gospel's Concept of Community* Godibert Kelly Gharbin,2025-05-27 The Johannine Gospel's Concept of Community takes an interdisciplinary approach to contextualizing the

New Testament in an African milieu which helps Johannine scholarship intersect with Akan anthropology and sociology through a tripartite frame of interpretation a narratological analysis of community oriented narratives in John the exegesis of the Akan concept of community encapsulated in their proverbial lore the anthology of inestimable information about the Akan conceptualization of communitarianism and an engagement between the two conceptual schemes through an intercultural reading The methodological principles utilized foster a cross pollination of ideas between the Johannine characterization of a community of God and the community concept present in Akan maxims This allows the Akan concept of communitarianism to enrich the reader s understanding of the text It also allows John s theology of community revealed in what Jesus epitomizes prescribes and proscribes for the believing community to serve as a form of discernible evaluation for Akan and other believers on the *modus vivendi* redolent of a believing community In the end it forces a redefinition of community replacing the anthropocentric individualistic and acquisitive elements that have typified the human community with a theocentric and authentically collectivist approach

John's Gospel in New Perspective Richard J. Cassidy,2015-02-10 The conflict between Christianity and Roman Imperial theology manifested at very early stages in Christian history Richard Cassidy argues that ignoring or downplaying such political theological implications because of some supposedly manifest separation between spiritual belief and politics is both shortsighted and unbiblical In this fascinating and original reading of the Gospel of John it becomes clear that Christology is not merely theological theorizing but a matter of immense political import

Sacra Pagina: The Gospel of John Francis J. Moloney,2016-03-18 No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel It has stirred minds hearts and imaginations from Christianity s earliest days In The Gospel of John Francis Moloney unfolds the identifiable point of view of this unique Gospel narrative and offers readers heirs to its rich and widely varied interpretative traditions relevance for their lives today The Gospel of John s significance for Christianity has been obvious from the time of Irenaeus It was also fundamental in the emergence of Christian theology especially in the trinitarian and christological debates that produced the great ecumenical

Councils from Nicaea to Chalcedon What sets this commentary on the Fourth Gospel apart from others is Moloney's particular attention to the narrative design of the Gospel story He traces the impact the Johannine form of the Jesus story has made on readers and explicates the way in which the author has told the story of Jesus Through this he demonstrates how the Gospel story articulates a coherent theology christology and ecclesiology **John** Andreas J.
