SYNTAX

Reflexivization A Study In Universal Syntax

Christian Lehmann

Reflexivization A Study In Universal Syntax:

Reflexivization Leonard M. Faltz, 2016-11-10 This title first published in 1985 is the result of a cross linguistic comparative study of reflexives with a major role played by syntactic conditions on reflexivization rules The basic definitions outlined in the book lead to a discussion of morphological types discussions about syntax and speculations on the historical origins and destinies of the various kinds of reflexives This title will be of interest to students of language and linguistics

Reflexivization Leonard M. Faltz, 1900 *Canonical Morphology and Syntax* Dunstan Brown, Marina Chumakina, Greville G. Corbett, 2013 This is the first book to present Canonical Typology a framework for comparing constructions and categories across languages The canonical method takes the criteria used to define particular categories or phenomena eg negation finiteness possession to create a multidimensional space in which language specific instances can be placed In this way the issue of fit becomes a matter of greater or lesser proximity to a canonical ideal Drawing on the expertise of world class scholars in the field the book addresses the issue of cross linguistic comparability illustrates the range of areas from morphosyntactic features to reported speech to which linguists are currently applying this methodology and explores to what degree the approach succeeds in discovering the elusive canon of linguistic phenomena **Syntax - Theory and Analysis. Volume 1** Tibor Kiss, Artemis Alexiadou, 2015-02-17 This Handbook represents the development of research and the current level of knowledge in the fields of syntactic theory and syntax analysis Syntax can look back to a long tradition Especially in the last 50 years however the interaction between syntactic theory and syntactic analysis has led to a rapid increase in analyses and theoretical suggestions This second edition of the Handbook on Syntax adopts a unifying perspective and therefore does not place the division of syntactic theory into several schools to the fore but the increase in knowledge resulting from the fruitful argumentations between syntactic analysis and syntactic theory It uses selected phenomena of individual languages and their cross linguistic realizations to explain what syntactic analyses can do and at the same time to show in what respects syntactic theories differ from each other It investigates how syntax is related to neighbouring disciplines and investigate the role of the interfaces especially the relationship between syntax and phonology morphology compositional semantics pragmatics and the lexicon The phenomena chosen bring together renowned experts in syntax and represent the consensus reached as to what has to be considered as an important as well as illustrative syntactic phenomenon The phenomena discuss do not only serve to show syntactic analyses but also to compare theoretical approaches with each other [Anaphora and Conceptual Structure](#) Karen van Hoek, 1997-09-02 Karen van Hoek presents a cogent analysis of the classic problem of constraints on pronominal anaphora within the framework of Cognitive Grammar Van Hoek proceeds from the position that grammatical structure can be characterized in terms of semantic and phonological representations without autonomous syntactic structures or principles such as tree structures or c command She argues that constraints on anaphora can be explained in terms of semantic interactions between nominals and the contexts in which they

are embedded Integrating the results of previous work Van Hoek develops a model in which some nominals function as conceptual reference points that dominate over stretches defined by the semantic relations among elements When a full noun is in the domain of a reference point coreference is ruled out since the speaker would be sending contradictory messages about the salience of the noun's referent With profound implications for the nature of syntax this book will interest theoretical linguists of all persuasions

Syntactic Categories and Grammatical Relations William Croft, 1991-01-15 Analiza Metodolog a sint ctica y gram tica universal Bases de las marcas ling sticas para las categor as sint cticas Hacia una definici n externa de las categor as sint cticas Roles tem ticos sem ntica verbal y estructura causal Marcas de casos y orden causal de participantes Formas verbales y conceptualizaci n de los sucesos

The Derivation of Anaphoric Relations Glyn Hicks, 2009-03-11 The Derivation of Anaphoric Relations resolves a conspicuous problem for Minimalist theory the apparently representational nature of the binding conditions Hicks adduces a broad variety of evidence against the binding conditions applying at LF and builds upon the insights of recent proposals by Hornstein Kayne and Reuland by reducing them to the core narrow syntactic operations specifically Agree and Merge Several novel and independently motivated claims about syntactic features and phases are made not only explaining the previously stipulated roles played by c command reference and locality but furnishing the derivational binding theory with sufficient flexibility to capture some long problematic empirical phenomena These include connectivity effects picture noun reflexives in English and anaphor pronoun non complementarity Specific proposals are also made for extending the derivational approach to accommodate structured crosslinguistic variation in binding with thorough expositions and analyses of the Dutch Norwegian and Icelandic pronominal systems

The Blackwell Companion to Syntax Martin Everaert, Henk Van Riemsdijk, 2008-04-15 Pre Order The Wiley Blackwell Companion to Syntax second edition publishing December 2017 Find out more at www.companiontosyntax.com This long awaited reference work marks the culmination of numerous years of research and international collaboration by the world's leading syntacticians There exists no other comparable collection of research that documents the development of syntax in this way Under the editorial direction of Martin Everaert and Henk van Riemsdijk this 5 volume set comprises 70 case studies commissioned specifically for this volume The 80 contributors are drawn from an international group of prestigious linguists including Joe Emonds Sandra Chung Susan Rothstein Adriana Belletti Jim Huang Howard Lasnik and Marcel den Dikken among many others A unique collection of 70 newly commissioned case studies offering access to research completed over the last 40 years Brings together the world's leading syntacticians to provide a large and diverse number of case studies in the field Explores a comprehensive range of syntax topics from an historical perspective Investigates empirical domains which have been well documented and which have played a prominent role in theoretical syntax at some stage in the development of generative grammar Serves as a research tool for not only theoretical linguistics but also the various forms of applied linguistics Contains an accessible alphabetical structure with an index integral to each

volume featuring keywords and key figures Each multi volume set is also accompanied by a CD Rom of the entire Companion Like the prestigious Blackwell Handbooks in Linguistics series this multi volume work in the new The Wiley Blackwell Companions to Linguistics series can be relied upon to deliver the quality and expertise with which Blackwell Publishing's linguistics list is associated

Voice: Form and Function Barbara A. Fox, Paul J. Hopper, 1994-04-06 The volume's central concern is grammatical voice traditionally known as diathesis and its classical manifestations as Active Middle and Passive While numerous problems in the meaning syntax and morphology of these categories in Indo-European remain unsolved their counterparts in more exotic languages have raised still further questions What discourse functions and diachronic events unite voice as a recognizable phenomenon across languages How are they typically grammaticalized What stages do children go through in learning them How does voice link up with ergativity and with other categories and constructions such as the Inverse and the Antipassive The authors in this volume have different perspectives on these problems they discuss voice e.g. from a typological universal view in relation to language acquisition and to ergativity and from diachronic and cross-linguistic perspectives

Reflexive Pronouns: A Theoretical and Experimental Synthesis Darcy Sperlich, 2021-01-04 This book presents a comprehensive picture of reflexive pronouns from both a theoretical and experimental perspective using the well-researched languages of English German Dutch Chinese Japanese and Korean In order to understand the data from varying theoretical perspectives the book considers selected syntactic and pragmatic analyses based on their current importance in the field The volume consequently introduces the Emergentist Reflexivity Approach which is a novel theoretical synthesis incorporating a sentence and pragmatic processor that accounts for reflexive pronoun behaviour in these six languages Moreover in support of this model a vast array of experimental literature is considered including first and second language acquisition bilingual psycholinguistic neurolinguistic and clinical studies It is through both the intuitive and experimental data linguistic theorizing relies upon that brings out the strengths of the modelling adopted here paving new avenues for future research In sum this volume unites a diverse array of the literature that currently sits largely divorced between the theoretical and experimental realms and when put together a better understanding of reflexive pronouns under the auspices of the Emergentist Reflexivity Approach is forged

Defining Creole John H. McWhorter, 2005-02-03 A conventional wisdom among creolists is that creole is a sociohistorical term only that creole languages share a particular history entailing adults rapidly acquiring a language usually under conditions of subordination but that structurally they are indistinguishable from other languages The articles by John H. McWhorter collected in this volume demonstrate that this is in fact untrue Creole languages while complex and nuanced as all human languages are are delineable from older languages as the result of their having come into existence only a few centuries ago Then adults learn a language under untutored conditions they abbreviate its structure focusing upon features vital to communication and shaving away most of the features useless to communication that bedevil those acquiring the language non-natively When they utilize their rendition of the language

consistently enough to create a brand new one this new creation naturally evinces evidence of its youth specifically a much lower degree of the random accretions typical in older languages which only develop over vast periods of time The articles constitute a case for this thesis based on both broad cross creole ranges of data and focused expositions referring to single creole languages The book presents a general case for a theory of language contact and creolization in which not only transfer from source languages but also structural reduction plays a central role based on facts whose marginality of address in creole studies has arisen from issues sociopolitical as well as scientific For several decades the very definition of the term creole has been elusive even among creole specialists This book attempts to forge a path beyond the inter and intra disciplinary misunderstandings and stalemates that have resulted from this and to demonstrate the place that creoles might occupy in other linguistic subfields including typology language contact and syntactic theory

Interfaces in Functional Discourse Grammar Lucía Contreras-García, Daniel García Velasco, 2021-08-23 In grammar design a basic distinction is made between derivational and modular architectures This raises the question of which organization of grammar can deal with linguistic phenomena more appropriately The studies contained in the present volume explore the interface relations between different levels of linguistic representation in Functional Discourse Grammar as presented in Hengeveld and Mackenzie 2008 and Keizer 2015 This theory analyses linguistic expressions at four linguistic levels interpersonal representational morphosyntactic and phonological The articles address issues such as the possible correspondences and mismatches between those levels as well as the conditions which constrain the combinations of levels in well formed expressions Additionally the theory is tested by examining various grammatical phenomena with a focus both on the English language and on typological adequacy anaphora raising phonological reduction noun incorporation reflexives and reciprocals serial verbs the passive voice time measurement constructions coordination nominal modification and connectives Overall the volume provides both theoretical and descriptive insights which are of relevance to linguistics in general

Thoughts on grammaticalization Christian Lehmann, 2024-05-23 *Thoughts on grammaticalization* was first published in a working paper version in 1982 and became very influential immediately even though it was properly published only in 1995 Despite its modest title the book can be read as an advanced introduction to grammaticalization though its conception is very original The present edition contains a number of corrections of the 1995 edition After a short review of the history of research the work introduces and delimits the concepts related to grammaticalization It then provides extensive exemplification of grammaticalization phenomena in diverse languages ordered by grammatical domains such as the verbal pronominal and nominal sphere and clause level relations The final chapter presents a theory of grammaticalization which is based on the autonomy of the linguistic sign with respect to the paradigmatic and syntagmatic axes This is the basis of the structural parameters that constitute grammaticalization They are operationalized to the point of rendering degrees of grammaticalization measurable

Thoughts on grammaticalization Christian Lehmann, 2015-12-24 After a short review

of the history of research the work introduces and delimits the concepts related to grammaticalization It then provides extensive exemplification of grammaticalization phenomena in diverse languages ordered by grammatical domains such as the verbal pronominal and nominal sphere and clause level relations The final chapter presents a theory of grammaticalization which is based on the autonomy of the linguistic sign with respect to the paradigmatic and syntagmatic axes This is the basis of the structural parameters that constitute grammaticalization They are operationalized to the point of rendering degrees of grammaticalization measurable The present edition contains corrections of the 1995 edition

Studies in the Morpho-Syntax of Greek Artemis Alexiadou, 2009-03-26 The volume presents a collection of papers of recent generative work on Modern Greek morpho syntax The book is divided into three parts Part I of the book deals with argument alternations part II with clitics and part III with the syntax and semantics of free relatives The book will be interesting for scholars working on Greek but also in theoretical linguistics as it exemplifies how the study of Greek feeds the development of generative theory The issues discussed in the book are currently highly relevant for the development of a satisfactory theory of comparative syntax as well as the interface between syntax and morphology and syntax and semantics Thus the analyses put forth here will contribute to the elaboration of such a theory and to our understanding of cross linguistic variation

Patient-Subject Constructions in Mandarin Chinese Xiaoling He, 2019-06-15 As a distinctive syntactic structure in Mandarin Chinese the Patient Subject Construction PSC is one of the most interesting but least well understood structures in the language This book offers a comprehensive account of the history structure meaning and use of the PSC Unlike previous descriptions which were framed in terms of pre existing grammatical notions such as topicalization passivization and ergativization this book offers a fresh look at the PSC in which its syntactic and semantic as well as its discourse functions are examined within the system of major construction types of the language as a whole The PSC being low in transitivity serves primarily the function of backgrounding in discourse Typologically the PSC bears a resemblance to middle constructions in Indo European and other languages raising interesting questions about ways to understand congruent and divergent syntactic structures across the world's languages This book will be of interest to students of Chinese Linguistics as well as Language Typology

Reciprocals Zygmunt Frajzyngier, Traci Walker, 2000-03-15 The theoretical issues addressed in the present volume are semantic and cognitive properties of reciprocal events syntactic properties of reciprocals and the relationship of reciprocals to other grammatical categories Several papers discuss the history of reciprocal constructions offering alternative hypotheses regarding the grammaticalization of reciprocals The formal functional typological and historical approaches in the present volume complement each other contributing together to the understanding of forms and syntactic and semantic properties of reciprocal markers Several papers in the present volume make a double contribution to the problems of reciprocal constructions they provide new descriptive data and they address theoretical issues at the same time The languages discussed include English Dutch German Greek Polish Nyulnyulan

Australia Amharic Ethio Semitic Bilin Cushitic Chadic languages Bantu Halkomelem Salishan Mandarin Yukaghir and a number of Oceanic languages The volume also includes a study of grammaticalization of reciprocals and reflexives in African languages

Transitivity Patrick Brandt, Marco García García, 2010-11-17 What happens when a canonically transitive form meets a canonically transitive meaning and what happens when this doesn't happen How do dyadic forms relate to monadic ones and what are the entailments of the operations that the grammar uses to relate one to the other Collecting original expert work from acquisition processing typological and theoretical syntax semantics research this volume provides a state of the art as well as cutting edge discussion of central issues in the realm of Transitivity These include the definition and role of Natural Transitivity the interpretation and repercussions of valency changing operations and differential case marking and the interactions between in transitive Gestalts in different categories and at different levels of representation

Language Typology and Syntactic Description: Volume 1, Clause Structure Timothy Shopen, 2007-10-04 This unique three volume survey brings together a team of leading scholars to explore the syntactic and morphological structures of the world's languages Clearly organized and broad ranging it covers topics such as parts of speech passives complementation relative clauses adverbial clauses inflectional morphology tense aspect mood and diexis The contributors look at the major ways that these notions are realized and provide informative sketches of them at work in a range of languages Each volume is accessibly written and clearly explains each new concept introduced Although the volumes can be read independently together they provide an indispensable reference work for all linguists and fieldworkers interested in cross linguistic generalizations Volume I covers parts of speech systems word order the noun phrase clause types speech act distinctions the passive and information packaging in the clause

Grammaticalization Paul J. Hopper, Elizabeth Closs Traugott, 2003-07-31 This is a general introduction to grammaticalization the change whereby lexical terms and constructions come in certain linguistic contexts to serve grammatical functions and once grammaticalized continue to develop new grammatical functions The authors synthesize work from several areas of linguistics including historical linguistics discourse analysis and pragmatics Data are drawn from many languages including Ewe Finnish French Hindi Hittite Japanese Malay and especially English This 2003 second edition has been thoroughly revised with substantial updates on theoretical and methodological issues that have arisen in the decade since the first edition and includes a significantly expanded bibliography Particular attention is paid to recent debates over directionality in change and the role of grammaticalization in creolization Grammaticalization will be a valuable and stimulating textbook for all linguists interested in the development of grammatical forms and will also be of interest to readers in anthropology and psychology

The book delves into Reflexivization A Study In Universal Syntax. Reflexivization A Study In Universal Syntax is a vital topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Reflexivization A Study In Universal Syntax, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Reflexivization A Study In Universal Syntax
 - Chapter 2: Essential Elements of Reflexivization A Study In Universal Syntax
 - Chapter 3: Reflexivization A Study In Universal Syntax in Everyday Life
 - Chapter 4: Reflexivization A Study In Universal Syntax in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Reflexivization A Study In Universal Syntax. This chapter will explore what Reflexivization A Study In Universal Syntax is, why Reflexivization A Study In Universal Syntax is vital, and how to effectively learn about Reflexivization A Study In Universal Syntax.
 3. In chapter 2, this book will delve into the foundational concepts of Reflexivization A Study In Universal Syntax. The second chapter will elucidate the essential principles that need to be understood to grasp Reflexivization A Study In Universal Syntax in its entirety.
 4. In chapter 3, the author will examine the practical applications of Reflexivization A Study In Universal Syntax in daily life. The third chapter will showcase real-world examples of how Reflexivization A Study In Universal Syntax can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Reflexivization A Study In Universal Syntax in specific contexts. This chapter will explore how Reflexivization A Study In Universal Syntax is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Reflexivization A Study In Universal Syntax. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Reflexivization A Study In Universal Syntax.

Reflexivization A Study In Universal Syntax Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Reflexivization A Study In Universal Syntax free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Reflexivization A Study In Universal Syntax free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Reflexivization A Study In Universal Syntax free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Reflexivization A Study In Universal Syntax. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Reflexivization A Study In Universal Syntax any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Reflexivization A Study In Universal Syntax Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reflexivization A Study In Universal Syntax is one of the best book in our library for free trial. We provide copy of Reflexivization A Study In Universal Syntax in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reflexivization A Study In Universal Syntax. Where to download Reflexivization A Study In Universal Syntax online for free? Are you looking for Reflexivization A Study In Universal Syntax PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Reflexivization A Study In Universal Syntax. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Reflexivization A Study In Universal Syntax are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Reflexivization A Study In Universal Syntax. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Reflexivization A Study In Universal Syntax To get started finding Reflexivization A Study In Universal Syntax, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites

catered to different categories or niches related with Reflexivization A Study In Universal Syntax So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Reflexivization A Study In Universal Syntax. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Reflexivization A Study In Universal Syntax, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Reflexivization A Study In Universal Syntax is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Reflexivization A Study In Universal Syntax is universally compatible with any devices to read.
