Reformers And Babylon:

Reformers and Babylon Paul Kenneth Christianson, 1978-12-15 Starting in the 1530s with John Bale English reformers found in the apocalyptic mysteries of the Book of Revelation a framework for reinterpreting the history of Christianity and explaining the break from the Roman Catholic Church Identifying the papacy with antichrist and the Roman Catholic Church with Babylon they pictured the reformation as a departure from the false church that derived its jurisdiction from the devil Those who took the initiative in throwing off the Roman yoke acted as instruments of God in the cosmic warfare against the power of evil that raged in the latter days of the world The reformation ushered in the beginning of the end as prophesied by St John Reformers and Babylon examines the English apocalyptic tradition as developed in the works of religious thinkers both within and without the Established Church and distinguishes the various streams into which the tradition split By the middle of Elizabeth's reign the mainstream apocalyptic interpretation was widely accepted within the Church of England Under Charles I however it also provided a vocabulary of attack for critics of the Established Church Using the same weapons that their ancestors had used to justify the reformation in the first place reformers like John Bastwick Henry Burton William Prynne and John Lilburne attacked the Church of England's growing sympathies with Romish ways and eventually prepared parliamentarians to take up arms against the royalist forces whom they saw as the forces of antichrist Scholars of sixteenth and seventeenth century intellectual history will welcome this closely reasoned study of the background of religious dissent which underlay the politics of the time

Reformers and Babylon Paul K. Christianson, Reformers and Babylon Paul Christianson, 1978 Babylon and the Brethren James Harding, 2015-10-22 This book is a history of the Whore of Babylon image found in the book of Revelation with an emphasis upon the use and influence of the text on the Brethren of the nineteenth century The Brethren developed a multi layered exegesis of the text using Babylon as a form of vituperative rhetoric through which to vilify all other Christians in order to define their own religious identity Those with divergent doctrinal beliefs belonged to an epistemological Babylon those polluted by the world belonged to secular Babylon Babylon was contagious It is from the pens of these writers that the Secret Rapture of the Church doctrine developed as a biological fight or flight response and a psychological fear and fantasy response Whilst the Brethren of the nineteenth century are the central focus the book will have a wider appeal to those interested in the history of exegesis hermeneutics and Apocalypse studies for it also offers an overview of hermeneutical approaches to the reading of Revelation a survey of Babylon's afterlife throughout the history of the church and new insights into the ways in which readers texts and contexts interact in the broader context of sectarian biblical exegesis

Paradox and Perseverance Dennis C. Bustin, 2006-08-01 Studies In Baptist History And Thought The seventeenth century was a significant period in English history during which the people of England experienced unprecedented change and tumult in all spheres of life At the same time the importance of order and the traditional institutions of society were being reinforced Hanserd Knollys born during this pivotal period personified in his

life the ambiguity tension and paradox of it openly seeking change while at the same time cautiously embracing order As a founder and leader of the Particular Baptists in London despite persecution and personal hardship he played a pivotal role in helping shape their identity externally in society and internally as they moved toward becoming more formalized by the close of the country

End of Days Wendell G. Johnson, 2017-07-14 Covering religious traditions ranging from Buddhism to Christianity to Zoroastrianism and modern apocalyptic movements such as Arun Shinrikyo and the Branch Davidians this book addresses prophesied end of days from a breadth of perspectives and includes material on often neglected themes and genres End of Days An Encyclopedia of the Apocalypse in World Religions describes apocalyptic writings in the world's major religious traditions including Judaism Christianity Islam Hinduism and Buddhism The cross referenced entries address ancient traditions Zoroastrianism as one example as well as modern apocalyptic movements such as Arun Shinrikyo the Branch Davidians and the Order of the Solar Temple This book's broad scope offers coverage of overlooked traditions such as Mayan Apocalyptic Norse Apocalyptic Native American eschatological literatures and the Tibetan Book of the Dead Readers seeking detailed information on the eschatological and apocalyptic movements and proponents of End Times can reference entries about individuals such as Harold Camping Jerry Falwell David Koresh of the Branch Davidians and James Jones and the People's Temple This single volume encyclopedia also contains numerous historical entries on subjects such as the Great Disappointment the Great Awakening periods of religious revival Joachim of Flora the Maccabean Revolt and the Plymouth Brethren The influence of apocalyptic ideas far outside the realm of religion itself is documented through entries on film including well known modern movies such as The Hunger Games and Apocalypse Now literature by writers such as Dante and works of fine art like Wagner's Götterdämmerung The inclusion of entries related to literature film and other art forms further attests to the wide ranging social influence of belief in the end of days

The Seven Seals Broke Open, Or, The Bible of the Reformation Reformed, Three Volumes, in Seven Books John Finch, 1853

NIV Spirit of the Reformation Study Bible Zondervan, 2012-06-19 The NIV Spirit of the Reformation Study Bible ebook provides a theologically conservative and balanced system of notes and articles that trace the Reformed Christian heritage back to its roots in the Reformation An unparalleled resource for students of theology pastors and anyone who wants to explore the great doctrines documents and traditions of the Reformation this Bible incorporates extensive study notes as well as articles charts and graphs that comment on Scripture from a distinctly Reformed perspective Included is the complete text of each of the six major Reformed doctrinal standards the Heidelberg Catechism the Westminster Confession the Westminster Shorter Catechism the Belgic Confession the Canons of Dort and the Westminster Larger Catechism NIV 2011 The New International Version NIV translation of the Bible is the world's most popular modern English Bible easy to understand yet rich with the detail found in the original languages

The Cambridge History of British Theatre Jane Milling, Peter Thomson, Joseph Walter Donohue (Jr.), 2004-11-23 Publisher Description *The Last*

Reformation F.G. Smith,1919 *Disquisitions on the Antipapal Spirit which Produced the Reformation ...* Gabriele Rossetti (the Elder.),1834 *Disquisitions on the antipapel spirit which produced the reformation* Gabriele P. Rossetti,1834

Disquisitions on the Antipapal Spirit which Produced the Reformation Gabriele Rossetti,1834 *The Reformation of the Literal* Erik Lundeen,2025-01-23 What does it mean to read the Bible literally Recent debates on the Protestant reformers have focused on whether they were stridently literal interpreters or maintained a place for allegorical readings However in this nuanced book Lundeen argues that the question of what in fact constituted the Bible s literal sense was also a key question in early modern debates There is no clean binary of literal versus allegorical instead reformers subtly produced a variety of competing literalisms There was not one literal sense in the Reformation but many To make this case Lundeen comparatively analyzes Reformation era commentaries on the prophet Isaiah He further highlights the little known but influential works of the Basel reformer Johannes Oecolampadius who was the first Christian to publish commentaries on most of the biblical prophets in the sixteenth century By placing Oecolampadius in conversation with a host of his better known Christian and Jewish predecessors and contemporaries this book reframes a central aspect of Reformation era biblical exegesis while also providing a constructive resource for those who seek to read the Bible s ancient prophets as Christian scripture today *Disquisitions on the antipapal spirit which produced the Reformation, tr. from [Sullo spirito antipapale]* by C. Ward Gabriele Pasquale G. Rossetti,1834 **Reformation of the Commonwealth** Brian L. Hanson,2019-09-16 This study considers sixteenth century evangelicals vision of a godly commonwealth within the broader context of political religious social and intellectual changes in Tudor England Using the clergyman and bestselling author Thomas Becon 1512-1567 as a case study Brian L Hanson argues that evangelical views of the commonwealth were situation dependent rather than uniform fluctuating from individual to individual His study examines the ways commonwealth rhetoric was used by evangelicals and how that rhetoric developed and changed While this study draws from English Reformation historiography by acknowledging the chronology of reform it engages with interdisciplinary texts on poverty gender and the economy in order to demonstrate the intersection of commonwealth rhetoric with Renaissance humanism Furthermore the experience of exile and the languages of prophecy and companionship directly influenced commonwealth rhetoric and dictated the priorities vocabulary and political expression of the evangelicals As sixteenth century England vacillated in its religious direction and priorities the evangelicals were faced with a political conundrum and the tension between obedience and lawful disobedience There was ultimately a fundamental disagreement on the nature and criteria of obedience Hanson s study makes a further contribution to the emerging conversation about English commonwealth politics by examining the important issues of obedience and disobedience within the evangelical community A correct assessment of the issues surrounding the relationship between evangelicals and the commonwealth government will lead to a rediscovery of both the complexities of evangelical commonwealth rhetoric and the tension between the biblical command to submit to civil authorities and the

injunction to obey God rather than man **Memory and the English Reformation** Alexandra Walsham, Bronwyn Wallace, Ceri Law, Brian Cummings, 2020-11-12 The dramatic religious revolutions of the sixteenth and seventeenth centuries involved a battle over social memory On one side the Reformation repudiated key aspects of medieval commemorative culture on the other traditional religion claimed that Protestantism was a religion without memory This volume shows how religious memory was sometimes attacked and extinguished while at other times rehabilitated in a modified guise It investigates how new modes of memorialisation were embodied in texts material objects images physical buildings rituals and bodily gestures Attentive to the roles played by denial amnesia and fabrication it also considers the retrospective processes by which the English Reformation became identified as an historic event Examining dissident as well as official versions of this story this richly illustrated interdisciplinary collection traces how memory of the religious revolution evolved in the two centuries following the Henrician schism and how the Reformation embedded itself in the early modern cultural imagination Disquisitions on the Antipapal Spirit which Produced the Reformation: Its Secret Influence on the Literature of Europe in General, and of Italy in Particular ... Translated from the Italian by Miss C. Ward Gabriele Pasquale Giuseppe ROSSETTI, 1834 **Religious Reformation Imperatively Demanded: Bishop Colenso's Critical Inquiries Answered; the Inspiration of Scripture Maintained** James Biden, 1864
