*Adolescent Relationships and Drug Use* Michelle A. Miller-Day, Janet Alberts, Michael L. Hecht, Melanie R. Trost, Robert L. Krizek, 2014-04-08 *Adolescent Relationships and Drug Use* explores the communicative and relational features of adolescent drug use It focuses on peer norms risk and protective factors and considers how drugs are offered to adolescents examining such factors as who makes the offers and how they are resisted where the offers take place and what relationship exists between the persons making the offers and the persons receiving them Unlike other studies of drug resistance this work examines the communication processes that affect adolescents ability to effectively resist drug offers Michelle Miller and her colleagues study how personal qualities communication skills and relationships with others affect an individual s ability to resist offers of drugs This volume provides a detailed analysis of drug resistance in the context of such factors as relationships types of drugs family and peer group relationships personality and situations It places drug

use and resistance in a living relational context and offers the first comprehensive communication and relational approach to drug resistance. The authors argue for the development of a relational and communication competence model of drug resistance and suggest unique approaches for future drug prevention efforts. In describing the social and relational processes of drug resistance and then linking intervention techniques to the adolescents' relational world, this work makes a major contribution toward understanding drug use among adolescents. It informs relationship communication and psychology research, assists drug and health research by presenting new ways of considering the issue, and enlightens drug resistance practice by demonstrating a new approach to prevention. As such, it makes an effective and invaluable contribution to the ongoing efforts to reduce drug use among adolescents.

**Adolescent Drug Use Prevention**, 1994. Preventing Substance Abuse Michael J. Stoil, Gary Hill, 2013-03-11. Preventing Substance Abuse is an informal guide to successful programs for treating specific substance abuse problems, identifying their origins, implementation, outcomes, and where possible, contacts for obtaining additional information. The emphasis is on information documented from outcomes of successful interventions rather than on theories of what should work or what works under experimental conditions. Key features include easy-to-follow charts and graphs and an appendix summarizing the National Structured Evaluation mandated by Congress of substance abuse prevention.

**Teaching AIDS** Douglas Tonks, 2012-11-12. Teaching AIDS begins with a discussion of how teachers can create an environment of support for an AIDS education programme. Recognizing that AIDS education must differ for students of different age groups, the author presents tailored age-appropriate content and how teachers should communicate AIDS information to young children, older children, and teenage students. Teaching AIDS also addresses actual methods teachers can use to influence their students' attitudes and behaviour by helping them to recognize problem situations in which risks might arise and presenting them with the actual skills they need to protect themselves in such situations.

*Drug Free Youth* Elaine Norman, Fordham University Staff, 2014-05-12. First published in 1997, there is an almost universal consensus that we as adult individuals, as communities, and as a nation should attempt to prevent our youngsters from using alcohol, tobacco, and other drugs such as marijuana, cocaine, and heroin. For three and a half years from 1990 to 1994, a team of researchers and clinical practitioners from Fordham University's Graduate School of Social Service, with funding from the New York State Office of Alcohol and Substance Abuse Services, worked to review the literature published in the past two decades pertaining to the content and outcomes of adolescent substance abuse prevention programs which had been fielded during that twenty-year period. The results were presented to over a thousand substance abuse prevention specialists in a series of seminars throughout New York State. This book is a result of a need of

effective strategies and training for those present were working in the field in schools and community agencies attempting to accomplish adolescent substance abuse prevention *Preventing Youth Problems* Anthony Biglan, Margaret C.
