Regarding Penelope From Character To Poetics:

Regarding Penelope Nancy Felson, 2024-10-29 In this updated and expanded second edition of *Regarding Penelope* Nancy Felson explores the relationship between Homer's construction of Penelope and his more general approach to poetic production and reception Felson considers Penelope as an object of male gazes and as a subject acting from her own desire

Regarding Penelope Nancy Felson, 1997 *Regarding Penelope* Nancy Felson-Rubin, 1994 **Reading the Odyssey** Seth L. Schein, 2020-06-16 This wide ranging collection makes available to specialists and nonspecialists alike important critical work on the *Odyssey* produced during the last half century The ten essays address five major concerns the poem's programmatic representation of social and religious institutions and values its transformation of folktales and traditional stories into epic adventures its representation of gender roles and in particular of Penelope its narrative strategies and form and its relation to the *Iliad* especially to that epic's distinctive conception of heroism In the introduction Seth L. Schein describes the poetic background to the work and suggests a variety of interpretive approaches some of which are developed in the essays that follow These essays include previously published work by Jean Pierre Vernant Pierre Vidal Naquet Pietro Pucci and Charles P. Segal There also are a new essay by Laura M. Slatkin two revised and expanded ones by Nancy Felson Rubin and Michael N. Nagler and three appearing in English for the first time by Uvo Hlscher Karl Reinhardt and Vernant The result is a collection that juxtaposes older often hard to find articles with significant newer pieces in a way that allows for a fruitful dialogue among them

A Penelopean Poetics Barbara Clayton, 2004-01-29 *A Penelopean Poetics* looks at the relationship between gender ideology and the self-referential poetics of the *Odyssey* through the figure of Penelope She is a cunning story teller her repeated rewavings of Laertes shroud a figurative replication of the process of oral poetic composition itself Penelope's web is thus a discourse and it can be construed specifically as feminine Her gendered poetics celebrates process multiplicity and ambiguity and it resists phallocentric discourse by undermining stable and fixed meanings Penelope's poetics become a discursive thread through which different feminine voices can realize their resistant capacities Author Barbara Clayton's work contributes to discussions in the classics as well as literary criticism sex and gender studies and women's studies

The Cambridge Companion to Homer Robert Louis Fowler, 2004-10-14 *The Cambridge Companion to Homer* is a guide to the essential aspects of Homeric criticism and scholarship including the reception of the poems in ancient and modern times Written by an international team of scholars it is intended to be the first port of call for students at all levels with introductions to important subjects and suggestions for further exploration Alongside traditional topics like the Homeric Question the divine apparatus of the poems the formulae the characters and the archaeological background there are detailed discussions of similes speeches the poet as story teller and the genre of epic both within Greece and worldwide The reception chapters include assessments of ancient Greek and Roman readings as well as selected modern interpretations from the eighteenth century to the present day Chapters on Homer in English translation

and Homer in the history of ideas round out the collection *Ancient Greek Texts and Modern Narrative Theory* Jonas Grethlein, 2023-05-25 The taxonomies of narratology have proven valuable tools for the analysis of ancient literature but since they were mostly forged in the analysis of modern novels they have also occluded the distinct quality of ancient narrative and its understanding in antiquity *Ancient Greek Texts and Modern Narrative Theory* paves the way for a new approach to ancient narrative that investigates its specific logic Jonas Grethlein's sophisticated discussion of a wide range of literary texts in conjunction with works of criticism sheds new light on such central issues as fictionality voice Theory of Mind and narrative motivation The book provides classicists with an introduction to ancient views of narrative but is also a major contribution to a historically sensitive theory of narrative *Gaze, Vision, and Visuality in Ancient Greek Literature* Alexandros Kampakoglou, Anna Novokhatko, 2018-03-05 Visual culture performance and spectacle lay at the heart of all aspects of ancient Greek daily routine such as court and assembly cult and ritual and art and culture Seeing was considered the most secure means of obtaining knowledge with many citing the etymological connection between seeing and knowing in ancient Greek as evidence for this Seeing was also however often associated with mere appearances false perception and deception Gazing and visuality in the ancient Greek world have had a central place in the scholarship for some time now enjoying an abundance of pertinent discussions and bibliography If this book differs from the previous publications it is in its emphasis on diverse genres the concepts gaze vision and visuality are considered across different Greek genres and media The recipients of ancient Greek literature both oral and written were encouraged to perceive the narrated scenes as spectacles and to follow the gaze of the characters in the narrative By setting a broad time span the evolution of visual culture in Greece is tracked while also addressing broader topics such as theories of vision the prominence of visuality in specific time periods and the position of visuality in a hierarchisation of the senses *Reading Homer's Odyssey* Kostas Myrsiades, 2019-04-05 Finalist for the 2020 PROSE Awards Classics section Homer's *Odyssey* is the first great travel narrative in Western culture A compelling tale about the consequences of war and about redemption transformation and the search for home the *Odyssey* continues to be studied in universities and schools and to be read and referred to by ordinary readers *Reading Homer's Odyssey* offers a book by book commentary on the epic's themes that informs the non specialist and engages the seasoned reader in new perspectives Among the themes discussed are hospitality survival wealth reputation and immortality the Olympian gods self reliance and community civility behavior etiquette and technology ease inactivity and stagnation Penelope's relationship with Odysseus Telemachus' journey Odysseus' rejection of Calypso's offer of immortality Odysseus' lies Homer's use of the House of Atreus and other myths the cinematic qualities of the epic's structure women's role in the epic and the *Odyssey*'s true ending Footnotes clarify and elaborate upon myths that Homer leaves unfinished explain terms and phrases and provide background information The volume concludes with a general bibliography of work on the *Odyssey* in addition to the bibliographies that accompany each book's commentary Published by Bucknell University

Press Distributed worldwide by Rutgers University Press **Homer** Barbara Graziosi, 2016-09-14 Homer's mythological tales of war and homecoming the Iliad and the Odyssey are considered to be two of the most influential works in the history of Western literature Yet their author the greatest poet that ever lived is something of a mystery By the 6th century BCE Homer had already become a mythical figure and even today the debate continues as to whether he ever existed Barbara Graziosi considers Homer's famous works and their impact on readers throughout the centuries She shows how the Iliad and the Odyssey benefit from a tradition of reading that spans well over two millennia from the impressive scholars at the library of Alexandria in the third and second centuries BCE who wrote some of the first commentaries on the Homeric epics Summaries of these scholars' notes made their way into the margins of Byzantine manuscripts from Byzantium the annotated manuscripts travelled to Italy and the ancient notes finally appeared in the first printed editions of Homer eventually influencing our interpretation of Homer's work today Along the way Homer's works have inspired artists writers philosophers musicians playwrights and film makers Exploring the main literary historical cultural and archaeological issues at the heart of Homer's works Graziosi analyses the enduring appeal of Homer and his iconic works **Eros** Bruce S

Thornton, 2018-02-12 Eros The Myth of Ancient Greek Sexuality is a controversial book that lays bare the meanings Greeks gave to sex Contrary to the romantic idealization of sex dominating our culture the Greeks saw eros as a powerful force of nature potentially dangerous and in need of control by society Eros the Destroyer not Cupid the Inspired is what fired the Greek imagination The destructiveness of eros can be seen in Greek imagery and metaphor and in their attitudes toward women and homosexuals Images of love as fire disease storms insanity and violence top 40 song clichés for us locate eros among the unpredictable and deadly forces of nature The beautiful Aphrodite embodies the alluring danger of sex and femmes fatales like Pandora and Helen represent the risky charms of female sexuality And homosexuality typifies for the Greeks the frightening power of an indiscriminate appetite that threatens the stability of culture itself In Eros The Myth of Ancient Greek Sexuality Bruce Thornton offers a uniquely sweeping and comprehensive account of ancient sexuality free of currently fashionable theoretical jargon and pretensions In its conclusions the book challenges the distortions of much recent scholarship on Greek sexuality And throughout it links the wary attitudes of the Greeks to our present day concerns about love sex and family What we see finally are the origins of some of our own views as well as a vision of sexuality that is perhaps more honest and mature than our own dangerous illusions **The Greatest English Novels to Read in a**

Homer in Iberian-American Culture and Literature Maria de Fátima Silva, Maria António Hörster, Christian Werner, Graciela Cristina Zecchin de Fasano, Marta González González, 2024-09-06 This book adds to an international bibliography specialised on the reception of Homer including studies on Portuguese Spanish Brazilian and Argentinian authors from the 19th to the 21st century articulated by a common perspective Homeric motifs and differentiated by literary genre that is theatre poetry novel and short story Well known and lesser known names from the literatures being analysed also contribute to the novelty of the set The contributors are researchers from each of the countries with a specific and well informed vision of each context Organising the volume according to these genres encourages historical and cultural comparisons of countries with a long tradition in common Each analysis is always framed within its cultural context Due to its characteristics this volume serves an audience with different expectations related to Classical Studies Literary Theory and Portuguese and Spanish Language Literatures Theatrical Studies History of Culture and Postcolonial Studies

Black Odysseys Justine McConnell, 2013-06-20 This book explores works from Africa and the African diaspora which respond to the Homeric Odyssey As a founding text of the Western canon and as a homecoming trope and quest for identity the Odyssey has inspired writers who are simultaneously striving against and appropriating the very forms which had been used to oppress them

Speech Presentation in Homeric Epic Deborah Beck, 2012-11-01 The Iliad and the Odyssey are emotional powerhouses largely because of their extensive use of direct speech Yet this characteristic of the Homeric epics has led scholars to underplay the poems use of non direct speech the importance of speech represented by characters and the

overall sophistication of Homeric narrative as measured by its approach to speech representation In this pathfinding study by contrast Deborah Beck undertakes the first systematic examination of all the speeches presented in the Homeric poems to show that Homeric speech presentation is a unified system that includes both direct quotation and non direct modes of speech presentation Drawing on the fields of narratology and linguistics Beck demonstrates that the Iliad and the Odyssey represent speech in a broader and more nuanced manner than has been perceived before enabling us to reevaluate our understanding of supposedly modern techniques of speech representation and to refine our idea of where Homeric poetry belongs in the history of Western literature She also broadens ideas of narratology by connecting them more strongly with relevant areas of linguistics as she uses both to examine the full range of speech representational strategies in the Homeric poems Through this in depth analysis of how speech is represented in the Homeric poems Beck seeks to make both the process of their composition and the resulting poems themselves seem more accessible despite pervasive uncertainties about how and when the poems were put together

Warriors' Wives Emma Bridges, 2023-08-22 This is an open access title available under the terms of a CC BY NC ND 4.0 International license It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations Epic poetry and tragic drama provide us with some of the richest ancient Greek depictions of women who are married to soldiers In tales of the Trojan War as told by Homer Aeschylus Sophocles and Euripides we encounter these mythical warriors wives Penelope isolated but resourceful as she awaits the return of Odysseus after his lengthy absence the war widow Andromache enslaved and displaced from her homeland after the fall of Troy the unfaithful and murderous Clytemnestra and Tecmessa a war captive who witnesses her partner's breakdown and suicide in the aftermath of battle *Warriors Wives* compares the experiences of these mythical characters with those of contemporary military spouses Emma Bridges traces aspects of the lives of warriors wives mythical and real ancient and modern from the moment of farewell through periods of separation and reunion to the often traumatic aftermath of war to consider the emotional psychological and social impacts of life as a military spouse By unearthing a wealth of contemporary evidence for the lives of the often silenced and unacknowledged partners of those who serve in the military and by examining this alongside the ancient stories of warriors wives *Warriors Wives* sheds fresh light on the experience of being married to the military

Disguise and Recognition in the Odyssey Sheila Murnaghan, 2011-06-24 *Disguise and Recognition in the Odyssey* reveals the significance of the Odyssey's plot in particular the many scenes of recognition that make up the hero's homecoming and dramatize the cardinal values of Homeric society an aristocratic culture organized around recognition in the broader senses of honor privilege status and fame Odysseus' identity is seen to be rooted in his family relations geographical origins control of property participation in the social institutions of hospitality and marriage past actions and ongoing reputation At the same time Odysseus' dependence on the acknowledgement of others ensures attention to multiple viewpoints which makes the Odyssey more than a simple celebration of one man's preeminence

and accounts in part for the poem's vigorous afterlife. The theme of disguise which relies on plausible lies highlights the nature of belief and the power of falsehood and creates the mixture of realism and fantasy that gives the *Odyssey* its distinctive texture. The book contains a pioneering analysis of the role of Penelope and the questions of female agency and human limitation raised by the critical debate about when exactly she recognizes that Odysseus has come home. *Dwelling in Possibility* Yopie Prins, Maera Shreiber, 2018-10-18 *Dwelling in Possibility* cuts across conventional boundaries between critical and creative writing by featuring the work of both women poets and feminist critics as they explore and exemplify the relationship between gender and poetic genres. The contributors suggest new ways of thinking and writing about poetry in light of contemporary questions about history and identity. Most of the contributions are published here for the first time.

Homer's Traditional Art John Miles Foley, 2011-12-31 In recent decades the evidence for an oral epic tradition in ancient Greece has grown enormously along with our ever increasing awareness of worldwide oral traditions. John Foley here examines the artistic implications that oral tradition holds for the understanding of the *Iliad* and *Odyssey* in order to establish a context for their original performance and modern day reception. In *Homer's Traditional Art* Foley addresses three crucially interlocking areas that lead us to a fuller appreciation of the Homeric poems. He first explores the reality of Homer as their actual author examining historical and comparative evidence to propose that Homer is a legendary and anthropomorphic figure rather than a real life author. He next presents the poetic tradition as a specialized and highly resonant language bristling with idiomatic implication. Finally he looks at Homer's overall artistic achievement showing that it is best evaluated via a poetics aimed specifically at works that emerge from oral tradition. Along the way Foley offers new perspectives on such topics as characterization and personal interaction in the epics, the nature of Penelope's heroism, the implications of feasting and lament and the problematic ending of the *Odyssey*. His comparative references to the South Slavic oral epic open up new vistas on Homer's language, narrative patterning and identity. *Homer's Traditional Art* represents a disentangling of the interwoven strands of orality, textuality and verbal art. It shows how we can learn to appreciate how Homer's art succeeds not in spite of the oral tradition in which it was composed but rather through its unique agency. *Homer's Odyssey* Lillian Eileen Doherty, 2009 A collection of sixteen authoritative and widely representative articles on Homer's *Odyssey* that have appeared over the last 30 years. Papers have been selected for their clarity and accessibility while a specially written introduction gives an overview of major strands in the interpretation of Homer in the second half of the 20th century.

Reviewing **Regarding Penelope From Character To Poetics**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
