Maxwell,1986-02-01 **Adventures in the Big Bend** Jim Glendinning,2010-06 In this fourth edition of Adventures in the Big Bend Jim Glendinning offers the only general guidebook to the beautiful Big Bend region **The Way I Heard It** Walter Fulcher,2010-06-28 The folklore of Texas Big Bend region was still in the making during Walter Fulcher s lifetime Born in Lampasas County in 1887 he worked on the Martin Ranch near Sheffield when a young man There he witnessed events in the last outlaw activities of the Black Jack Ketchum gang He also listened to legends told almost as gossip and some of the legendary figures were still alive or said to be alive usually in hiding In every village there was sure to be some ancient with a good memory and a better imagination and Walter Fulcher heard many versions of many tales He has set them down as he heard them as simple folk tales that reflect the color of a wild and vivid country in 400 years of its settlement The book has been edited with introduction and notes by Elton Miles Professor of English at Sul Ross State College *An illustrated history of the Big Bend country* R.F. Steele, Illustrated History of the Big Bend Country Richard F. Steele, Out There Ben H. English,2020-10-20 When one opens the pages to this book they step into another world and place and even on occasions another time No matter what you may know about the lower Big Bend or think you know about the lower Big Bend here are thoughts maps and photographs that bring together a heretofore unachieved mosaic of this rugged lonesome land In effect Out There is a work that others simply cannot compare to Whether you might be a first time visitor or have made many a journey into its more remote environs there is so much contained within to both see as well as savor It is a book meant not for sitting on a shelf and gathering dust but one to be read and re read time and again If home is where the heart is even the first few paragraphs leave no doubt as to where the author s resides And that is only the beginning Excerpt The lower Big Bend area of Texas is rife with surprises both big and small That most are hidden in some way is the very nature of this land like any living creature she conceals her greatest treasures with the greatest zealotry One can take a certain creek or nearly vanished trail

or wagon track numerous times but then wander a certain number of feet to either side and a different world opens to you. Such was the case with this photo taken during the latter part of one of my prowls between Burro Mesa and Tule Mountain. I had started near the pour off and worked my way through Burro Spring and across to Tule Spring both being well worth the effort in their own right. The day was crisp and traces of green were sprouting along the lower elevations and the springs were flowing with more water than the uninitiated would think possible. After circling through the ruins at Tule Spring and walking along the old earthen dam, I pointed my nose along a nigh forgotten trail that once ran northwest to the high side of Tule Mountain where another such dam and sources of water are situated. My plan was to move into the very head of Javelina Wash as part of some boots on the ground research concerning my third novel. About a quarter mile up from Tule Spring, I noticed an unusual splash of white along the northern side of a low dark volcanic hill that sits just northeast of Javelina Wash. Sufficiently intrigued, I glassed the area with my Leupolds and made a mental note to swing further west on the way back to investigate. I could discern craggy chocolate colored boulders and what appeared to be low ground at the base of that hill and just the general feeling that I needed to go and see. After nooning at a half way point in the pass between Tule Mountain and Burro Mesa, I reversed direction and drifted down a northern branch for Javelina Wash. The day had turned glorious with a crystal clear sky above a rainbow of colored rock and ground mixed among the earth shades splashed about for good measure. Most folks don't know it but there are parts of the Big Bend that will give the so called Painted Desert a run for its money any day of the week. This area is one of them. Near where the low hill abruptly ended in white, I crossed the dry creek bed and walked into an almost surreal atmosphere. Large boulders of that dark volcanic tone were perched in every position imaginable many sitting upon unlikely foundations of small spires formed from the whitish soil. It was almost like you had strolled into nature's own trophy room. The area was only a couple of acres or so in size at best but oh what a sight to behold while being hidden in plain view. And then I passed on through heading upon another course through that same zealous desert. I would like to think that I will go there again someday but there is still so much that I know I'll never see in this country. And I was burning daylight.

Adventures in the Big Bend James Glendinning, Jim Glendinning, 2001-09-01 **Big Bend; a Homesteader's Story** J. Oscar Langford, Fred Gipson, 1973 To the wild and fabulous country where the Rio Grande makes its big bend. J. O. Langford came in 1909 with his wife and daughter in search of health and a home. High on a bluff overlooking the spot where Tornillo Creek pours its waters into the turbulent Rio Grande, the Langfords built their home a rude structure of adobe blocks in a land reputed to be inhabited only by bandits and rattlesnakes. Big Bend is the story of the Langfords' life in the rugged and spectacularly beautiful country which they came to call their own. Langford's account is told with the help of Fred Gibson, author of *Old Yeller* and *Hound Dog Man*. *Big Bend* Ben Haas, 1968 Out There Ben H. English,2017-11-30 It was a time before Terlingua Ranch and chili cook offs and you could drive a hundred miles without seeing another vehicle or another person The year was 1961 and the tides of humanity which ebbed and flowed into the lower reaches of the Big Bend were at their historical nadir It was a vast empty land spotted by isolated ranch headquarters a national park with few visitors and the many ruins of a past shrouded in legend lore and improbable truths There was no television no daytime radio few telephones and very few people Ben H English came to the Big Bend at the age of two the fifth of six generations of his family to call this enigmatic region home With his family headquartered at the old Lajitas Trading Post he worked and lived on ranches and places now little more than forgotten dots on yellowing maps He attended the one room schoolhouse at Terlingua prowled the banks of the Rio Grande and crisscrossed the surrounding areas time and again on horseback and by foot Some fifty years later he writes about those many decades ago as well as the history and legends of this singular land he knows so well Ben separates fact from fiction and brings the reader into a world that few these days can ever imagine much less experience He also writes about the lower Big Bend as it
