s opinion the most significant influence in Whitman s thought and in his art Various poems are examined in depth including Song of Myself Passage to India and the particularly significant With Antecedents Gathered here will be evidence from Whitman s poems and prose and from his notes and quoted remarks enough evidence to show beyond doubt that determinism was indeed his most significant influence An innovative look at one of America s greatest poets **Social Work Education and Practice: Scholarship and Innovations in the Asia Pacific** Nikku Bala Raju,Hatta Zulkarnain Ahmad,2014 Social work as a body of knowledge is and should be in a constant state of dynamism No region theory or model should claim exclusivity to the profession and new ideas viz a viz innovations have to be viewed as adding to the richness of that body In writing this book the authors aim to highlight how important it is across the globe to advance society via the classroom The book s editors argue that one has only to summon the courage to challenge existing and dominant paradigms and models to begin to enhance the field of social work This book shares a range of innovations that are taking place in schools of social work in universities in the Asia Pacific region The book focuses on exemplifying innovation in social work and its associated scholarship **Corporate Social Hypocrisy** Dalia Steimikiene,Asta Mikalauskiene,Gabija Stanislovaityte,2023-07-07 Many new challenges including competitiveness are emerging for sustainable business during this era of disruption This book analyses these challenges to sustainable development and growth and addresses the impact of corporate social responsibility on the competitiveness of organisations The authors analyze the major challenges for competitiveness of sustainable business in the COVID 19 era taking into account a new business environment amid major global risks and uncertainties linked to climate change pandemics Russian Ukrainian war and intuitions of forthcoming new world economic crisis The monograph consists of five parts 1 sustainable development goals and the role of business 2 climate change COVID 19 fragile political situation and business 3 corporate social responsibility and corporate social hypocrisy 4 corporate social responsibility corporate social hypocrisy and competitiveness of business and 5 case study on the impact of corporate social responsibility on competitiveness with the impediments of corporate social hypocrisy The book presents new insights in assessing the impact of CSR on competitiveness of companies with the impediments of corporate social hypocrisy The developed framework and case study allows to develop valuable policy and managerial implications for sustainable business and engagements in corporate social responsibility as well as to show the danger of corporate social hypocrisy for competitiveness This book will be of value to researchers academics and students in the fields of corporate social responsibility organizational management business ethics and responsible business **Epigenetic Principles of Evolution** Nelson R Cabej,2012 Cabej biology U of Tirana Albania explains the epigenetic principles of evolution as opposed to the theory of evolution as determined by changes in genes and reconstructs the developmental mechanisms of evolutionary changes in metazoans based on empirical evidence He focuses on the mechanisms of the generation of the evolutionary innovations from the influence of environment on heredity rather than the role of natural selection He discusses
