Look Away A Dixie Notebook:

Look Away! James Howell Street, 1977 **Look Away !**, 1939 *The Free State of Jones* Victoria E. Bynum, 2003-02-01
Across a century Victoria Bynum reinterprets the cultural social and political meaning of Mississippi's longest civil war waged in the Free State of Jones the southeastern Mississippi county that was home to a Unionist stronghold during the Civil War and home to a large and complex mixed race community in the late nineteenth and twentieth centuries **Annual Report of the Archivist of the United States** National Archives (U.S.), 1934 South James H. Street, 2015-02-24 James Street was born and raised in the South and was one of its most passionate and eloquent voices Through this collection of articles from *Holiday* and the *Saturday Evening Post* the people and the cities of the South come to life legends are explored contradictions examined historical milestones noted personal anecdotes retold and quips and quotes of a 1950's generation recorded Flowing through his stories are the great rivers of the South which although sometimes merry and sometimes gloomy wind and roll and tumble through the collection like liquid poetry To James Street the South was heaven and contained everything good and big and wonderful in life the things that made people human The South was a love he cherished to himself and championed to the nations For him it was the measure of life the temper of men and the crucible of artistic sensibility Catalog of Copyright Entries. New Series Library of Congress. Copyright Office, 1936 Pride of Possession James Street, Don Tracy, 2015-04-26 A Young Adult Adventure set in the wilds of the Great Smokey Mountains When Braith McCable is attacked by a wild boar his son Kiah watches the father he idolizes go to death a father so huge so last forever that it seems to Kiah that his Pa has simply stepped out of reach and has not really departed in spite of what the preacher says During the paralyzing moments of the boar's attack Kiah stands by unable to act and later suffers from such great guilt and shame that he vows to avenge his father's death Together with two friends and couple of mutt pups Kiah begins the seemingly hopeless task of organizing and executing a hunt a secret and dangerous undertaking that he must plan against the wishes of his mother Published posthumously this is a story that could very well surpass *The Biscuit Eater* James Street's most famous book also about boys and hunting dogs *Pride of Possession* is a sensitive and insightful account that deals equally well with the adolescent struggles of Kiah and his friends as well as the adults with whom they are often in conflict Together with Street's memorable portrait of the Smokey Mountains and a family at odds with the unthinkable this is a book that will linger long after the last page is read *The Free State of Jones, Movie Edition* Victoria E. Bynum, 2016-01-25 Between late 1863 and mid 1864 an armed band of Confederate deserters battled Confederate cavalry in the Piney Woods region of Jones County Mississippi Calling themselves the Knight Company after their captain Newton Knight they set up headquarters in the swamps of the Leaf River where they declared their loyalty to the U S government The story of the Jones County rebellion is well known among Mississippians and debate over whether the county actually seceded from the state during the war has smoldered for more than a century Adding further controversy to the legend is the

story of Newt Knight's interracial romance with his wartime accomplice Rachel a slave From their relationship there developed a mixed race community that endured long after the Civil War had ended and the ambiguous racial identity of their descendants confounded the rules of segregated Mississippi well into the twentieth century Victoria Bynum traces the origins and legacy of the Jones County uprising from the American Revolution to the modern civil rights movement In bridging the gap between the legendary and the real Free State of Jones she shows how the legend what was told what was embellished and what was left out reveals a great deal about the South's transition from slavery to segregation the racial gender and class politics of the period and the contingent nature of history and memory In a new afterword Bynum updates readers on recent scholarship current issues of race and Southern heritage and the coming movie that make this Civil War story essential reading The Free State of Jones film starring Matthew McConaughey Gugu Mbatha Raw and Keri Russell will be released in May 2016

Arkansas Writers' Program of the Work Projects Administration in the State of Arkansas, 1941

The Golden Key and Other Short Stories James H Street, 2015-01-22 With just the right flourish of his pen author James Street takes his readers for a walk in the footsteps of the men and women who populated the small towns and piney woods of his beloved home state Mississippi Street turns his singular experiences into moving and thought provoking universal truths seeing beyond tarnished exteriors to the treasures within the enduring legacy of selflessness the making of champions and the capacity of all no matter what age no matter how humble to find and lose love Each story is introduced by a note from the author gems of thought and background information that further enhance the timeless contents of this collection These short stories were originally published in such magazines as Saturday Evening Post Good Housekeeping and The American Magazine This collection includes the original short stories The Biscuit Eater and Weep No More My Lady which were later expanded into two of Mr Street's most famous and well loved books Included The Golden Key In Full Glory Reflected The Old Gordon Place Weep No More My Lady Please Come Home My Lady Buck and Fo Bits The Crusaders Pud n and Tayme They Know How The Road To Gettysburg All Out With Sherman Set the Wild Echoes Flying The Biscuit Eater The House
