Newly revised and reorganized Planning for Rites and Rituals is a guide to liturgical planning in the Episcopal Church organized around the seasons of the church year and the cycle of Sunday readings in the revised common lectionary. Structured as a series of three volumes one for each year in the lectionary cycle Planning for Rites and Rituals includes guidance for making seasonal choices among the church's authorized worship resources, brief commentary on each Sunday's readings, guidance in approaching the Prayers of the People, and suggestions for observing commemorations from the church's calendar. New introductory material suggests approaches to curating liturgical resources. New editor Andrew Wright has applied his years of experience in planning liturgy at parishes across the Episcopal Church and mentoring clergy to this revision.
