not go to evil if the soul does not want to Hands will not do evil if the will does not want to The tongue will not speak evil if the heart does not want to The body will not be fornication True repentance and faith will certainly be followed by the correction and renewal of the heart and outer life True repentance and faith renews and corrects a person turns away from the bustle of the world moves to desire and the search for eternal life teaches the fear of God incessantly exhorts against all sin to fight and to do good and please God And when we look ahead we will see death that leaves no one And the more we live the more it approaches us This limit of God is both unknown to us and very terrible Unknown because the old and young infants and youths ready and unprepared righteous and sinful indiscriminately abduct It is terrible because from here begins an endless constant always abiding eternity From here we are either in eternal bliss or in eternal torment or in a place of joy or in a place of crying Now we either live forever or die forever either reign forever in heaven with Christ and His saints or begin to suffer forever in hell with Satan and his angels
