Loves Arrow A Selection Of Poems And Quotations:

Love's Arrow, 1995 **Cornucopia of Poems, Quotes and Short Stories** Dawn Balchin, 2024-03-28 This book offers poignant observations on overlooked aspects of life conveyed through accessible writing to widen perspectives Spanning various themes I delve beneath the surface details that often escape our awareness elevating them into consciousness through reflections from an intuitive lens My aim is to open up unconventional avenues of exploration beyond the status quo Rather than adhering to fixed structural formulas I let the prose flow freely as an organic extension of my authentic self There is a subtle power when words channel directly from their source within the mind heart and soul The observations contained in these pages stem from quiet moments of inward attentiveness to what moves me I find insight in the seemingly mundane resonating with the extraordinary inherent in ordinary life when we pause to notice Through spare yet stirring language I unpack my personal revelations hoping readers may gain fresh eyes to see the wonder always available just below the veil of habit This book is my heart felt offering to everyone to read and to enjoy *Rare Poems of the Sixteenth and Seventeenth Centuries* William James Linton, 1883 *Rare Poems of the Sixteenth and Seventeenth Centuries. J. Linton, 1883 **Arabic and Hebrew Love Poems in Al-Andalus** Shari Lowin, 2013-11-20 Arabic and Hebrew Love Poems in al Andalus investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur'anic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as
