**Poetry of the Mind** Paul Farrugia, 2013-05-23 Paul Farrugia is experienced information technologist educated in Australia and has come across a kaleidoscope of technologies some now antiques in the authors own life time A technology career would seem at first far removed from any works poetry or even a literary career Yet are not both means of capturing at the very least a message Poetry is the time honoured way of capturing vision and the thoughts of mind and heart throughout history It also has become the authors tool of exploration just as wooden ships were in the past My unfathomable ocean of discovery is the emotion of heart love vision of mind I search in the mundane drudgery of everyday life from the highs of loves peaks to desolation of self in the windswept desert of loneliness and everything in between These are the familiar landscapes we all traverse in life the very core of who we are inside In essence this is very meaning of the journey in poetry I have begun Jennifer Love Hewitt Virginia Aronson, 2000 Biography of the Hollywood actress who appeared in a television series at the age of ten and who has since starred in feature films and recorded musical albums **LOVE & ART Z J** GALOS, 2024-07-02 Love Art is about a poet s creative workshop where a poem follows a drawing or a drawing turns into a poem in an artistic cross pollination The poet offers these songs and the enclosed art in a series of volumes to all art lovers of this specific genre he poet also calls ballads as he often sang them following his favourite interpreters and songwriters together with one of his friends or muses while he kept creative contacts with these birds of a feather worldwide celebrating with sweet Songs of Passion in the heydays of happiness but also with bitter tasting ballads of Ten Passion Songs of life s darker moments The poet who is on a journey with an extended form of the traditional ballad describes his life with a group of fellow poets and artists who partook in his creative workshops and poetry jam sessions with a poetry club in San Francisco USA also including an actress who performed at a stage in Wiesbaden Germany In Secret Affairs a homage to his friends in the world of art he ll honour them with his Songs of Passion who accompanied him on this thrill of an emotional roller coaster ride Fascinated by Agi a 40 year old woman with an erotic potential just as the dark innocence of a Florida teen besides the exotic birds from the web s world wide garden He agreed with his muse Athena love is universal no power on earth could ever lock it out or let its magic flow dry up and no way to stop the powers of its dynamic flow 27 drawings in the artist s unique style expand on the poetry With Ten Passion Songs love is death is death love the poet reflects on his experience of an aftermath s drama of star crossed lovers his despair of a great love s loss and his dark thoughts about his life that had come to a sudden end Yet again with the help of his encouraging poetry friends he found his way back to a positive life again In electronic round dance his befriended poetesses will dance with him having assured that the poet had found his way back to

the joys of a positive life again      **Love Poems** Roland Peaslee,2023-04-04 In Love Poems Volume II Roland continues to navigate the void left by the untimely departures of his beloved wife Bonnie and cherished son Brian Journey through the Covid 19 pandemic years and a new normal with a widower and octogenarian who remains upbeat amidst such isolating and challenging times Written from 2019 and 2022 this collection of poems will be both thought provoking and moving      *Songs of a Cheerful Wayfarer* Dunbar Hibbard Hudson,2022-08-01 DigiCat Publishing presents to you this special edition of Songs of a Cheerful Wayfarer by Dunbar Hibbard Hudson DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature      **Heartbeat** Carole Bergman,2017-07-03 History tells us a story of an unwanted child born legally blind to an affluent family The middle of three sisters and rejected by each of them My mother gave me to a governess for the first three years and after that I was raised by housekeepers My mother always reminded me that I was an accident and didnt want to take care of me And she was also extremely ashamed of my disability She was too embarrassed to let me wear glasses even though the doctor advised that I wear them at the age of two I was indoctrinated into life with limited vision until the age of 6 when the school insisted I wear glasses I learned to cope with my poor vision by feel and inadvertently I learned to see with my soul      *The Politics of Love* Rebecca Joubin,2013-10-03 Dramatic miniseries are the primary arena for the expression of postcolonial Syrian culture and artistic talent an arena that unites diverse aspects of artisanship in a struggle over visions of the past present and future of the nation As the tour de force of the television medium blossoming amidst persisting authoritarianism these miniseries serve as a crucial and complex artistic avenue through which political and social opposition manifests Scholars have tried to come to terms with a highly critical culture produced within attempted state co optation and argue that politically critical culture operates as a safety valve to release frustrations so that dissenters are less likely to mobilize against the government Through research fueled by a viewing of over two hundred and fifty miniseries ranging from the 1960s to the present as well as an examination of hundreds of press reports Facebook pages and extensive interviews with drama creators this book turns away from the dominant paradigm that focuses on regime intent When turning attention instead to the drama creators themselves we witness the polyphony of voices employing love and marriage metaphors and gender de constructions to explore larger issues of nationalism self identity and political critique At the heart of constructions of femininity are the complications that arise with the symbiosis of pure femininity with authentic national identity Deconstructing masculinity as political critique has been less complicated since it is not implicated in Western identity issues on the contrary illustrations of subservient masculinity serve to subtly denounce government corruption and oppression Miniseries from the 1960s demonstrate that the focus of the qabaday tough man on female sexuality comes from his own political alienation vis vis the state and is part of a vicious cycle of state violence

vis vis the citizen In recent years and in particular after the uprising we can see the emerging definition of the true qabaday as one who does not suppress a woman s sexuality thereby allowing for full equality in relationships as the basis of a truly free society     Love from a Broken Fire Escape Richard D. Jr. Kydd, Richard Kydd, Jr., 2007-11 In this collection of love poems Kydd has once again captured the essential duality of the human heart and of existence itself The poems range from a celebration of love at first sight and the physical ecstasy of two lovers entwined as one to the despair of having lost love for reasons beyond control or understanding As usual with Kydd s work there is a strong spiritual element with the soul seeking its ultimate fulfillment He presents the union between lovers the mingling of two souls into one as this fulfillment But when love is lost suffering is intense and Kydd also shows this unsparingly Kydd wouldn t be himself without a healthy streak of cynicism and reality In the poem ASK NOT he says simply Never ask Do you love me if you do they don t And although his final poem The Breath of Love is basically positive and romantic a few pages previous when describing his first kiss in COW POKE he can t resist saying No sweeter memory in mind and heart could I fathom to this day Yet in spite of the heightened passion of the moment a thought lingered in my mind ever afterward as sweet as her lips felt that wonderful day of my youth her breath smelled and tasted like sour milk     *Catalog of Copyright Entries* ,1933     *Out of the Depths* Finbar "Rocky" Whitehall, 2020-05-15 Book Delisted     *Uttering the Word* Armando Maggi, 1998-09-17 Employing contemporary theoretical perspectives Uttering the Word provides the first detailed analysis of the language and thought of Maria Maddalena de Pazzi 1566 1607 an important but neglected Renaissance mystic Borrowing from Lacan de Certeau and Deleuze Maggi analyzes de Pazzi s unique mystical discourse and studies how the Florentine visionary interprets the relationship between orality and writing authorship and audience sexual identity and language     The 21 love songs stories Janhavi Mohan, 2023-07-31
