**Neil Mann, Matthew Gibson, Claire Nally**

## Loves Vision:

**Love's Vision** Troy Jollimore, 2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In *Love's Vision* Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love's moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato's Symposium love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love's blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature *Love's Vision* is an original examination of a subject of vital philosophical and human concern *Rudolf Steiner's Vision of Love* Bernard Nesfield-Cookson, 2011-03-14

Gathering together references to the logic of the heart from throughout Steiner's work the author encapsulates the great teacher's revelations on the meaning of love and indicates the supreme importance of the greatest of all deeds of love Cover **Vision of Love** Kathryn R. Biel, 2021-09-28 Once a household name and pop sensation Tabitha Stetson is now navigating the shadows of obscurity determined to keep a Hollywood secret under wraps With three weeks of child free bliss in the bustling Big Apple Tabitha aims to rediscover her post Sassy Cat purpose Her desires are clear but the path to fulfillment remains a puzzle Then there's Henderson Quade Once a dreamer of the spotlight he's now content directing the magic behind The Edison Theater's curtain He'll move heaven and earth to ensure the theater's triumph yet he staunchly maintains his cardinal rule never date an actress But a routine business meeting takes an unexpected turn when Henderson finds himself drawn to the captivating Tabitha Their chemistry crackles and her serenade steals his heart making it clear this isn't just another date it's a genuine connection Yet he's convinced it should be a one time fling That is until a nosy reporter throws a curveball forcing The Edison Theater to bank on Tabitha's star power And in an unexpected twist Henderson realizes he needs her just as much as the theater does Will this be a perfect match made in showbiz heaven or will it spiral into an epic disaster One thing's certain the show must go on *Vision of Love* is a toe tapping heartwarming romantic comedy that follows the ups and downs of love in the limelight With catchy show tunes and pop hits setting the stage you'll be singing along and rooting for a swoon worthy happy ending that's sure to leave you smiling *The Vision of Faith: Love and the Renewal of the Church* M. P. Burns, 2009-12-11 In this book the author gives his personal vision of the Catholic Faith He sees the Church as being in need of fundamental renewal the renewal needed being mainly concerned with a fresh understanding of the meaning of Christian love particularly in relation

to the second part of the Great Commandment that we must love our neighbour as ourselves This would involve major changes in the very structure of the Church herself A FREE download is offered as his main purpose is to share his ideas as widely as possible **Vision** ,1908 *The Way of Vision* Jesse Brett,1923 **Inviting Understanding** Sonja K. Craig Woods,2011-05-04 We live in a world beset by many problems and most of these problems are of our own creation There is a method for solving these problems and it can be found in the Christ message In A New Age of Vision author J Craig Woods revisits the message Jesus brought to earth in an attempt to understand Gods purpose for us and how we can improve our human condition through spiritual growth A spiritual journey to find the truth in the gospel of Jesus Christ A New Age of Vision takes a new and bold look at what his message really means for us today It explores the history of Christian religion and offers examples of how Christian doctrines were developed and why these man made doctrines missed the mark It seeks to provide an understanding of why the Christian religion has failed us and it also discusses the nature of our mind which provides the connection between the spiritual and physical realm Finally it investigates the missing gospel books and reveals an exciting truth about the teaching

of Jesus Christ A New Age of Vision shows how the Christ message offers us the truth we need for our tumultuous times Learning and understanding this message provides the instructions for spiritual growth and the return to our spiritual Garden of Eden      **Communication** ,2021-03-17 Drawing from a variety of sources this Little Book addresses how we can communicate more effectively and how we can lead others to do the same The literal definition of communication is to make common It shares a root with words we know well in congregational life community and communion At the heart of learning to live in common is the practice of speaking the truth in love being honest and direct fostering trust and learning how to listen This series of Little Books of Leadership is designed to foster conversations within congregations around certain principles and practices that nurture community and growth in the ongoing life of the church      *A Vision of Saints* Lewis Morris,1890      *Catalog of Copyright Entries* ,1925      *W.
