<u>Gathering of Waters</u> Bernice L. McFadden,2025-07-01 Following her best selling award winning novel Glorious McFadden produces a fantastical historical novel featuring the spirit of Emmett Till One of Essence s Best Books of the

Decade A New York Times Notable Book of 2012 Gathering of Waters was a finalist for a Phillis Wheatley Fiction Book Award McFadden works a kind of miracle not only do her characters retain their appealing humanity their story eclipses the bonds of history to offer continuous surprises Beautiful and evocative Gathering of Waters brings three generations to life The real power of the narrative lies in the richness and complexity of the characters While they inhabit these pages they live and they do so gloriously and messily and magically so that we are at last sorry to see them go and we sit with those small moments we had with them and worry over them enchanted until they become something like our own memories dimmed by time but alive with the ghosts of the past and burning with spirits Jesmyn Ward New York Times Book Review Editors Choice Read it aloud Hire a chorus to chant it to you and anyone else interested in hearing about civil rights and uncivil desires about the dark heat of hate about the force of forgiveness Alan Cheuse All Things Considered NPR Gathering of Waters is a deeply engrossing tale narrated by the town of Money Mississippi a site both significant and infamous in our collective story as a nation Money is personified in this haunting story which chronicles its troubled history following the arrival of the Hilson and Bryant families Tass Hilson and Emmet Till were young and in love when Emmett was brutally murdered in 1955 Anxious to escape the town Tass marries Maximillian May and relocates to Detroit Forty years later after the death of her husband Tass returns to Money and fantasy takes flesh when Emmett Till's spirit is finally released from the dank dark waters of the Tallahatchie River The two lovers are reunited bringing the story to an enchanting and profound conclusion Gathering of Waters mines the truth about Money Mississippi as well as the town s families and threads their history over decades The bare bones realism both disturbing and riveting combined with a magical realm in which ghosts have the final say is reminiscent of Toni Morrison's Beloved **Praise Song for the Butterflies** Bernice L. the same men for years with no ring or marriage in sight If you asked them why they would probably not have an answer they could not begin to explain except to say because I love him When we fall in love when we become comfortable with someone and when we give our hearts completely to that person we find ourselves doing so many things that we just cant explain things that we will probably one day regret Very few women can honestly say that the ring and the marriage are not important to them after being in a long term relationship Its what we tell ourselves to get through the reality that after years the man that weve loved for so long has never asked us to marry and maybe never will When a woman commits herself to loving a man for a long period of time for years and he does not ask her to marry him its as if he is saying to her the woman whose life he has coveted whose body he has made use of and whose love he has accepted for years that she is not worthy of marriage For those women who are living in a life long courtship you are not alone This is the story of Gabriela Tymes Like so many other women Gabriela has been in a relationship with the same man for years with no ring no marriage and no asking Catalog of Copyright Entries Library of Congress.
