## **Loving Someone Else's Child:**

**How to Love Someone Else's Child** Vicksay Baby Moten-Richardson, 2021-03-11 All I ever wanted was to be a mother At the age of four when someone would ask me what I wanted to be I would say I want God to delay his coming so that I can live to be twenty five years old get married and have children But on that dreadful day in January of 1994 my doctor told me that my chances of becoming a mother were very slim due to several female problems I hung my head in my chest and cried There will always be a hole in my heart and questions in my mind about what my child would have looked like Would he or she be like me talk like me or even stand like me God's will in my life is more important than mine and since then I have learned to trust him with all my heart Along the way I have been blessed to be called mom by some very extraordinary children Along the way I have been blessed to be called mom by some very loving and generous children Along the way I have been blessed to adopt two extremely special children Along the way I have been blessed by these children more than words can express But most of all I have been blessed to have LOVED SOMEONE ELSE'S CHILD **Loving Someone**

**Else's Child** Angela Elwell Hunt, 2000-04 Hunt is a family expert with courage and a big heart David Kopp former editor Christian Parenting Today **Supporting Love** Johannes Neuhauser, 2001 *Someone Else's Child* Nancy

Woodruff, 2000-07-05 From debut novelist Nancy Woodruff comes this chilling and beautifully wrought story of forgiveness renewal and the ever elusive second chance When fifteen year old Matt and his family move from Oregon to an affluent Connecticut suburb the fact that he is home schooled brands him as more than an outsider he is a town oddity Just when he seems to have made inroads into the closed social circuit just when he is embraced by a trio of teenage girls and feels his life might be changing for the better he is responsible for a devastating car crash that leaves two of the girls dead Tara isn't in the car with her best friends Instead she's by her mother Jennie's bedside as she gives birth to a baby girl While Jennie and her husband Chris mourn Tara's friends and try to make sense of their eldest daughter's loss and their own new baby a pervasive sense of blame begins to rain down on Matt Jennie knows the community's reaction will surely ruin Matt's life But when she reaches out to him hiring him to work for her high school reunion company for the summer Jennie suddenly finds herself vilified as well In the face of community and family derision both imagined and real physical and emotional Jennie and Matt soon find themselves in solidarity As their attachment grows Jennie realizes that she is bound to Matt by more than just compassion that the broken child she sought to save is somehow reviving her Someone Else's Child is a deeply moving story of guilt and forgiveness despair and hope and the intricacies of love and responsibility In rich and unforgettable prose Nancy Woodruff masterfully explores the fraying loyalties that can turn our world upside down in the face of tragedy Filling the Quiver: Is Adoption God's Will for My Family? Rodney Peavy, 2021-08-25 As arrows are in the hand of a mighty man so are children of thy youth Happy is the man that hath his quiver full of them they shall not be ashamed but they shall speak with the enemies in the gate Ps 127 4 5 Have you ever considered adopting but been fearful because of the many questions

flooding your mind Could I love an adopted child as I would one born to me What if there are emotional issues Would my family accept my adopted children These are all real questions and not easy to ask In *Filling the Quiver Is Adoption God's Will for My Family* author and adoptive father Rodney Peavy holds nothing back as he answers the questions you are afraid to ask in a way that is genuine practical and heartwarming He shares his family's personal testimony of the many challenges they faced in adopting their children as well as the many blessings they have received From there Peavy takes on the questions he and his wife have been asked since adoption first became part of their family history To the Peavys adoption is more than just a family decision it is a faith decision *Filling the Quiver* approaches the decision to adopt from the perspective that God is and should be involved in the process This testimony seeks to offer those who have considered adoption a deeper understanding of the impact and spiritual implications of adoption If you are still wondering about adoption as an option this book can help you discover this answer for yourself with God's guidance

***Censorship and Ideology*** Julia Lin Thompson, 2024-09-25 This book offers a fascinating picture of how state censorship affected children's literature translation in post Civil War Spain Focusing on the Spanish translations of Mark Twain's children's classics *The Adventures of Tom Sawyer* and *The Adventures of Huckleberry Finn* the author traces the evolution of the censorship system of the Francoist regime and its impact on Spanish children's literature during the years after the Spanish Civil War Drawing on the regime's censorship laws official censors' records and textbooks she not only examines the censorship imposed on the translations of Twain's works but also offers insights into the intricate connections between state censorship and the regime's educational aims The book gives a revealing analysis of the ways in which the highly bureaucratic censorship apparatus operated under Franco's dictatorship outlining the flaws and fallacies within it as well as the strategies adopted by publishers and translators to resist the power of the state While centred on Francoist Spain the book also explores broader themes of ideology censorship and translation making it a valuable source for scholars of translation studies and Hispanic studies as well as those with a wider interest in literature history and cultural studies

**Him but He Caused Me to Be Treated like a Prostitute** Vicksay Baby Moten-Richardson,2022-03-07 My name is Vicksay Baby Moten Richardson I am the last of fourteen children I realize now why I am so different in so many ways not in a bragging way but in a way that God has laid it on my heart to share my life in this book Not too many people are named Baby It was not until I was eighteen and graduating from high school when I revealed that my middle name was Baby When the principal of the school called my name and I walked up to get my diploma it took over ten minutes to stop the class of 1974 from laughing What a wonderful memory that was For many years I felt like I was a nobody even though forty two years ago I bought a new home when I was twenty two years old with my sister and she still lives there to this day I was voted most likely to succeed I completed high school in three years instead of four I was number fifty six in a class of 560 grade wise I would have ranked higher but because I was graduating a year earlier it caused my ranking to be calculated differently from the students who had attended high school for four years I received three four year scholarships to the University of Arizona I completed a twenty four month computerized accounting program in eighteen months while raising four extremely sickly and one very difficult foster child and while running a full time day care from my home I took twenty four classes in those eighteen months and received twenty three As and one B Of course I give God the glory because He is the only one who gives us strength I was a straight A student Since I was in first grade I have always assisted children with learning disabilities

However the one thing that I am proudest of was that I married a virgin Inside I was this sad and disappointed little girl that I thought no one would love or care for And one more thing that I am proud of is that with the only two men I have been intimate with in my whole sixty four years of life I took my wedding vows first But that same person whom I just told about filed bankruptcy several times moved over fifty times and lost over fifteen cars and over forty jobs all because of pride disobedience to God and letting people speak negativity into my life It is very difficult to share your weakness with the world and those whom you love and know But it is more liberating to know that my story is going to help many people especially women not to make the mistakes I have made
