Charlotte the Wonder Dog D. C. Gallant,2008-12 Written with wit and insight this writer s biography of her dog expands the parameters of the I love my dog genre to create a story appealing not only to dog lovers but also to any reader who enjoys a well turned phrase and a clever take on the timeless story of a Cinderella A mutt from the dog pound makes good Oh

sure if you've heard one tale of yet another adorable dog saved from death row you've heard them all. But meet Charlotte, charismatic, chatty, and compelling, who twice lands the four-legged starring role in *Annie*, gets her photo in a national newspaper as a community activist, and can lead you to every groundhog hole in historic Jefferson County, West Virginia. D.C. Gallant grew up in the country and as an only child found that rabbits, cats, chickens, horses, and dogs make great friends and playmates. Her favorite childhood book was *The Adventures of Mabel* because the heroine could talk with animals, a talent Ms. Gallant aspired to but never attained until she met Charlotte, the Wonder Dog. *Recycled Love* Tracy Jessiman, 2023-03-29

No relationship is more satisfying than the bond between a beloved rescue dog and the human who saved their life. *Recycled Love* takes you into this beautiful and heart-wrenching world. The no-holds-barred tales offer the public a behind-the-scenes look into the world of dog rescue. Factual details are woven with real-life stories of rescue dogs and the lives they lead when they find their forever homes. As the author knows too well, you don't just save a dog; you want the dog to thrive. *Recycled Love* is an emotional firsthand account of the author's personal experiences as a dedicated animal advocate. Her passion and emotion will ignite a fire inside you and open your soul as you read about the intricacies of rescuing a dog. Dogs have always offered so much to humanity, asking for nothing in return. The least we can do is offer a helping hand when they are hurt or homeless. *Recycled Love* ultimately proves rescue dogs are not damaged humans; we let them down. The loving forever homes where the dogs are flourishing demonstrate the love and commitment from the humans who saved them. Heart-warming stories in the book include the rescue dog that became a Therapy Dog after being saved from a large-scale breeding facility, the silly rescued husky that insists on stealing lettuce, or the retired greyhound who loves his Elvis Presley sandwich, peanut butter, and bananas. Whether you are interested in adopting a homeless dog, love dogs, want to get involved with a rescue, or engage in animal welfare advocacy, there is something for you to enjoy in *Recycled Love*. *How to Raise a Happy Dog* Sophie Collins, 2023-03-09

How to Raise a Happy Dog focuses on the happiness to be found in the person-pet relationship and includes dozens of ideas for activities and hacks you can build into daily life with your pet, from spontaneous play and activities to making them the perfect sleep spot. We know how important happiness is for ourselves, but when it comes to pets, making sure they're happy, as opposed to obedient, say, is often underrated. Yet there's plenty of fresh science that shows that a happy, engaged pet is easy to live with and creates happiness in its owners, too. *How to Raise a Happy Dog* shows what you can learn from your pet's behaviour and body language, offer a mass of practical ways to raise your pet's happiness levels, and show you how to connect with them in the way they'll love best. Building on recent scientific developments into animal behavioural science, this book's methods aim to increase inter-species understanding and encourage the behaviour you do want while discouraging the behaviour you don't. Divided into 6 chapters, each of which contains plenty of easy-to-follow activities which owners can carry out themselves, this book will become an invaluable resource for building and strengthening the bond between human and dog. Sections include: How you can get to know your
