Loving through Your Differences James L. Creighton, 2019-02-05 FIND HAPPINESS AND FULFILLMENT THROUGH RATHER THAN DESPITE YOUR DIFFERENCES Dr James Creighton has worked with couples for decades facilitating communication and conflict resolution and teaching them the tools to build healthy happy relationships He has found that many couples start out believing they like the same things see people the same way and share a united take on the world But inevitably differences crop up and it can be profoundly discouraging to find that one's partner sees a person situation or decision completely differently Although many relationships flounder at this point Creighton shows that this can actually be an opportunity to forge stronger ties In *Loving through Your Differences* he draws on the latest research in cognitive science and developmental psychology to show how we invent our realities with our perceptual minds He then provides clear concrete tools for shifting our perceptions and reframing our responses The result moves couples out of the fear and alienation of your way or my way and into a deep understanding of the other that allows for an our way As Creighton shows this way of being together based on the reality of individuality rather than the illusion of sameness sets the stage for long term excitement discovery and fulfillment

addressed in the book may leave a legacy of relationship and change that spans generations and cultures *Love. Period.* Rudy Rasmus, 2014-07-08 Who among us doesn't desperately need Love Period *Christlike Acceptance across Deep Difference* Ronald W. Pierce, Karen R. Keen, 2025-08-26 Has your faith community been torn apart over sexuality and gender? While affirming and traditionalist Christians wage culture wars, many believers have left the church entirely because of disputes over how to best respond to LGBTQ people. Ronald Pierce and Karen Keen show readers a different way to approach the controversy. In *Christlike Acceptance across Deep Difference* they bring together a broad range of contributors: scholarly and pastoral, affirming and traditionalist, evangelical mainline and Catholic, who demonstrate a more constructive response to LGBTQ concerns. Despite their differences, the contributors unite in their commitment to biblical authority and Christlike love of neighbor. They invite the church to join them in this new and better way. This book offers fresh readings of Scripture, models of respectful dialogue, and first-person insights into ministering to LGBTQ people. Perfect for pastors, church leaders, and any Christian worried about polarization, this timely volume shows readers how to forge a future shaped by Christlike acceptance.

Love & Eroticism Mike Featherstone, 1999-09-20 This major collection explores the contested nature of love and eroticism, examining the ways in which erotic bodily pleasures have become central to contemporary consumer culture. It investigates the spatial dimension of erotic life through considerations of Bohemian love, the gay city, and the ways in which the urban landscape and everyday life have become sexualized issues which have become central to the emergence of queer as a new form of gender politics and more general questions of sexual citizenship. Drawing on the work of feminists, sociologists, and cultural theorists, this book contains a wide-ranging and accessible set of contributions to contemporary debates on sexuality, love, and eroticism.

Love Erotici [Love Letter to a Conflicted Church](#) Richard P. Olson, 2010-01-01 The book is organized into three divisions, and as the title implies, there is a brief letter in the form of a New Testament epistle to the contemporary church, a portion of which begins each chapter. The first division reexamines the gifts and redemptive possibilities of anger and conflict. The barriers to healthy anger and conflict are considered and addressed. In the second, attention is given to conflicts surrounding the Bible. There is a chapter on conflict and reconciliation in the Bible, followed by suggestions on how people who read the Bible differently from each other can resolve some of those differences. Consideration is also given to discovering biblical priorities for the contemporary church. The third division offers vistas of change and reconciliation. Parables of hope and promise are provided. Insights from the studies of persons and communities, as well as ethics and theology, are summarized. There is reflection on those unresolved conflicts that continue in spite of our best efforts. Then, moral imagination is engaged to visualize the opportunities for a church that moves beyond its present stalemates.
