Affirmations of Love for the Soul Tricia Maiorana, 2013-11 Affirmations of Love for the Soul has many inspirations from many beautiful books paintings words rocks experiences and natural places I would like to think that the intention of this little book will ripple radiate out Love to be expressed in every thought every action It may feel like a high bar to set for ourselves but we instinctively know that our lives are always going to be the best working towards these actions *But the Greatest of These Is Love* Edward M. Vigean, 2014-03-05 This new Thought System emphasizes application rather than theology It specifically states that a universal religion is impossible but a Universal Experience is not only possible but also necessary This Universal Experience is Love Universal means that all of the billions of people who have passed through this world since time began and all of the people who are here now seven billion would know God God is Love To know God's Love within is to know God Where learning ends there is Love Love is not learned There was never a time in which you knew it not Once this new perception of God is accepted then everything changes The quiet Voice of Love will help you to reinterpret
