The Baseball Gods Ronald DiFabbio, 2006-07 Have you ever watched a baseball game and wondered why on some days every good call or lucky bounce goes in favor of the team you re rooting for while on the other days it seems like there is a grand conspiracy perpetuated by some higher power to keep them from winning Or maybe you ve wondered why some players always seem to get the big hit in the clutch while others wilt when the spotlight shines on them Or on a more personal level maybe you re someone who can t figure why your life is not what you had always hoped it would be and you feel powerless to do anything about it The questions of baseball and life are as mysterious as the compulsions that drive us to answer them but there are a group of beings that make their home on the ball fields of our youth and in the landscape of our dreams who can answer all our questions and teach us to live to a better life They are the Baseball Gods and this is the story of how I met them how they have changed my life

Turning Baseball Upside Down Alex Gaynes, 2020-01-13 This is a story about life and baseball or maybe about baseball and life by a confessed baseball coaching lifer whose every attempt to retire has failed So I decided to write about it After all it s like my wife tells me just tell stories So that s what I have done The problem is that every time we talk we are reminded that there is another story to tell At lunch today with sons Josh and Carl who both played for me though not always willingly we were reminded of the Legion season that Josh caught a full season of double headers unbeknownst to us with a cracked bone in his ankle While eating I received a text from son Rusty who like Josh also coached with me coaches an MSBL team in Phoenix He is having a terrible season and has entertained thoughts of retiring I sent him a draft of this manuscript today and received this text while eating lunch I ve been ready to quit coaching after this season After reading chapter 1 I am not ever quitting Thanks Rusty I hope you like this
