## Low Fancy:

**A Dictionary of Slang and Unconventional English** Eric Partridge, 2006-05-02 The definitive work on the subject this Dictionary available again in its eighth edition gives a full account of slang and unconventional English over four centuries and will entertain and inform all language lovers *The Pirate Captain Ned Low* Nicky Nielsen, 2022-07-20 Edward Ned Low's career in piracy began with a single gunshot While working on a logging ship in the Bay of Honduras the quick tempered Ned was provoked by the ship's captain He responded by grabbing a musket and inciting a mutiny Then the London born sailor and a dozen of his crewmates held a council stitched a black flag and voted to make war against the whole world preying on ships from any nation flying any flag Low's name became synonymous with brutality and torture during the 1720s as he cut a swathe of destruction from the shores of Nova Scotia to the Azores the coast of Africa and throughout the Caribbean Ned Low's life was one of failed redemption a thief from childhood who briefly rose in the world after moving to America only to fall again lower and harder than before He was feared even by his own crew and during his life on the wrong side of the law he became infamous for his extreme violence fatalistic behaviour and became perhaps one of the best examples of why pirates were classed in Admiralty Law as *hostis humani generis* the common enemies of all mankind Low-flow Characteristics of Streams in the Lower Wisconsin River Basin W. A. Gebert, 1978 **Bulletin**, 1941

Ewen, Russell K. Skowronek, 2016-01-16 There is little to distinguish the pirate from the average sailor in the archaeological record Virtually every pirate related site yet excavated would not be identified as such without the accompanying historical record The contributors to this volume combine both material culture and archival research to confirm the exploits of pirates and the ships they sailed Expanding on the widely successful *X Marks the Spot* *Pieces of Eight* explores the newest findings in the maritime archaeology of piracy The contributors examine the latest discoveries at Captain Henry Morgan's encampments and recount William Kidd's epic capture of the *Quedagh Merchant* in the Indian Ocean Other chapters include explorations of Blackbeard's *Queen Anne's Revenge* Bartholomew Black Bart Robert's *Ranger* and even Hollywood's portrayal of pirates *Pieces of Eight* is a thrilling and eye opening view of pirate life as well as the final underwater resting places of their ships *The Selected Works of Eric Partridge* Eric Partridge, 2021-07-14 This set reissues important selected works by Eric Partridge covering the period from 1933 to 1968 Together the books look at many and diverse aspects of language focusing in particular on English Included in the collection are a variety of insightful dictionaries and reference works that showcase some of Partridge's best work The books are creative as well as practical and will provide enjoyable reading for both scholars and the more general reader who has an interest in language and linguistics **A Dictionary of the Underworld** Eric Partridge, 2015-06-12 First published in 1949 this edition in 1968 this book is a dictionary of the past

**High and Low Cultures** Reinhold Grimm, Jost Hermand, 1994 As the editors write in this volume while the dichotomy of high and low classical and popular elitist and trivial has occupied theorists of culture for centuries very few of them have paid more than scant attention to the various attempts at mediating between these two levels of cultural endeavor The essays collected here most delivered at the twenty second Wisconsin Workshop in October 1991 address exactly this aspect of cultural studies using modern Germany as their canvas The contributors range across the entire breadth of German cultural life analyzing developments in the arts literature poetry architecture and cinema as well as looking at contemporary writing by women and at changes in cultural depictions of sexuality Germany's political paroxysms throughout the last hundred years figure prominently in the evolution of its cultural consciousness so there is in these essays a strong sense of nation invented perfected lost and recovered but always fascinating A totally homogenized German culture one devoid of any higher aspirations will be the impoverished result of postmodernism the editors warn It is their goal to remind those who are all too eager to overlook the losses occurring in this process that this tendency can also besides its positive democratic aspect lead to one dimensionality

**RE: Reading the Postmodern** Robert David Stacey, 2011-01-14 It would be difficult to exaggerate the worldwide impact of

postmodernism on the fields of cultural production and the social sciences over the last quarter century even if the concept has been understood in various even contradictory ways An interest in postmodernism and postmodernity has been especially strong in Canada in part thanks to the country's non monolithic approach to history and its multicultural understanding of nationalism which seems to align with the decentralized plural and open ended pursuit of truth as a multiple possibility as outlined by Jean Fran ois Lyotard In fact long before Lyotard published his influential work *The Postmodern Condition* in 1979 Canadian writers and critics were employing the term to describe a new kind of writing RE Reading the Postmodern marks a first cautious step toward a history of Canadian postmodernism exploring the development of the idea of the postmodern and debates about its meaning and its applicability to various genres of Canadian writing and charting its decline in recent years as a favoured critical trope *The Spectator*. ... ,1724 **Childhood in a Welsh Mining Valley** Vivian Jones,2017-06-26 Vivian Jones recounts with great warmth his childhood in a working class family within the community of a small mining village in the Welsh Valleys in the 1930s This fascinating book brings the detail of that time place and culture vividly back to life and considers the influence that growing up in such an environment has had on who the author is today 11 black and white photographs **The Last Word** Michael Holmes,2009-11-08 The Last Word is a snapshot of the next generation of Canadian poets the poets who will be taught in schoolsNvoices reflecting the 90s and a new type of writing sensibility The anthology brings together 51 poets from across Canada reaching into different regional ethnic sexual and social groups This varied and volatile collection pushes the notion of an anthology to its limits like a startling Polaroid Proceeds from the sale of The Last Word will go to Frontier College in support of literacy programs across the country **Free Trade and the League** Alexander Somerville,1853
