## **Lowells Promise:**

**The Lowells of Massachusetts** Nina Sankovitch, 2024-06-04 The Lowells of Massachusetts were a remarkable family. They were settlers in the New World in the 1600s, revolutionaries creating a new nation in the 1700s, merchants and manufacturers building prosperity in the 1800s, and scientists and artists flourishing in the 1900s. For the first time, Nina Sankovitch tells the story of this fascinating and powerful dynasty in *The Lowells of Massachusetts*. Though not without scoundrels and certainly no strangers to controversy, the family boasted some of the most astonishing individuals in America's history: Percival Lowell, the patriarch who arrived in America in the seventeenth century to plant the roots of the family tree; Reverend John Lowell, the preacher; Judge John Lowell, a member of the Continental Congress; Francis Cabot Lowell, manufacturer and some say founder of the Industrial Revolution in the US; James Russell Lowell, American Romantic poet; Lawrence Lowell, one of Harvard's longest serving and most controversial presidents; and Amy Lowell, the twentieth-century poet who lived openly in a Boston Marriage with the actress Ada Dwyer Russell. The Lowells realized the promise of America as the land of opportunity by uniting Puritan values of hard work, community service, and individual responsibility with a deep-seated optimism that became a well-known family trait. Long before the Kennedys put their stamp on Massachusetts, the Lowells claimed the bedrock.

*Cleanth Brooks and the Rise of Modern Criticism* Mark Royden Winchell, 1996 During a career that spanned sixty years, Cleanth Brooks was involved in most of the major controversies facing the humanities from the 1930s until his death in 1994. He was arguably the most important American literary critic of the mid-twentieth century. Because it is impossible to understand modern literary criticism apart from Cleanth Brooks or Cleanth Brooks apart from modern literary criticism, Mark Royden Winchell gives us not only an account of one man's influence but also a survey of literary criticism in twentieth-century America. More than any other individual, Brooks helped steer literary study away from historical and philological scholarship by emphasizing the autonomy of the text. He applied the methods of what came to be called the New Criticism not only to the modernist works for which these methods were created but to the entire canon of English poetry from John Donne to William Butler Yeats. In his many critical books, especially *The Well Wrought Urn* and the textbooks he edited with Robert Penn Warren and others, Brooks taught several generations of students how to read literature without prejudice or preconception.

*Upside Down* Andrew Grey, 2014-08-15 Sequel to *Inside Out*. Bronco's Boys Book Two: Lowell Cartwright's life as a mercenary problem solver has taken its toll, and after one more difficult job, he wants out. For help, he turns to Bull, a soldier of fortune turned club owner, not exactly a friend but the best chance Lowell has. He visits Bull's club to scope it out and meets Jeremy Hodgson. The twink captures his attention in a big way. Bull tells Lowell to stay away from the club until he decides whether he can help, so Lowell stays in town. When he spots Jeremy passed out on the floor of a convenience store, he goes to Jeremy's aid. Lowell piques Jeremy's interest immediately, pushing all the right buttons. Then, when Jeremy needs help, Lowell's kindness turns interest into something more. But trouble comes knocking.

when Jeremy's place is bugged Maybe Lowell's past is catching up to him or maybe the danger centers on Jeremy's roommate Tristan's mysterious boyfriend Whatever the source of the problem the future Lowell and Jeremy hope for doesn't stand a chance unless they can find a way to protect themselves *The Atlantic Monthly and Its Makers* Mark Antony De Wolfe Howe, 1919 [The Nature of Sacrifice](#) Carol Bundy, 2005-04-13 In this remarkable work Bundy draws on a wealth of family papers and public archives for her vivid portrayal of a privileged young Yankee who became a battle-hardened soldier and revered officer

**A Study Guide for Robert Lowell's "The Quaker Graveyard in Nantucket"** Gale, Cengage Learning, 2016 A Study Guide for Robert Lowell's *The Quaker Graveyard in Nantucket* excerpted from Gale's acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Poetry for Students* for all of your research needs *Lowell National Park, Archeological Salvage, and PADC* United States. Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on Parks and Recreation, 1978

*Self-Made Women in the 1920s United States* Matthew Niven Teorey, 2022-05-16 Women of the 1920s led a revolt against the old standards of womanhood that were dominating US culture Flappers and feminists they spoke and acted out inspiring other women to follow This book analyzes the work of eleven important 1920s female authors who chronicled this revolt Anzia Yezierska Anita Loos Mae West Josephine Lovett Nella Larsen Mourning Dove Djuna Barnes Amy Lowell Gertrude Stein Bessie Smith and Dorothy Parker These trailblazers wrote counter narratives to the sexism racism classism and homophobia women faced during the Jazz Age The author brings their novels poems plays film scenarios and blues lyrics into conversation with each other for the first time to show different approaches female readers could take to become autonomous individuals and full citizens The works also encouraged readers to maintain supportive relationships with other progressive women The author argues these works presented female readers with examples of how they could act individually and collectively to attain the political power social status economic independence sexual freedom and artistic recognition they deserved *Robert Penn Warren*: Mark Royden Winchell, 2023-12-15 At least since the dawn of the Romantic era it has been assumed that the poet lives a lonely life isolated in his garret Nevertheless writers are not always hermits and misanthropes As human beings they crave the company of other human beings as artists they need the stimulation of other artists This book brings to light Warren's most important literary associations during his long and active life

**Lady Sparrow** Barbara Metzger, 2012-03-13 From one of the shining stars of Signet Regency Romance comes Barbara Metzger's engaging tale of scandals and secrets and the risks of romance Heiress Minerva Caldwell is alarmed to find that her late husband had a lot to hide including a slew of affairs and a dozen illegitimate children With the help of handsome Lord Lowell she vows to find the by-blows and help them should they be living in poverty But she soon makes a startling discovery about her own past that could put her life and most certainly her heart at risk When it's Barbara Metzger it's Regency romance at its finest and funniest Publishers Weekly

**Gentleman's Magazine** ,1837      The Lowell Offering ,1844      *Warden* Hank Neufeld,2000      **Burton's**  
**Gentleman's Magazine, and American Monthly Review** ,1838      **The Complete Poetical Works of James Russell**  
**Lowell** James Russell Lowell,1896      **The Complete Poetical Works of James Russell Lowell** James Russell  
 Lowell,2022-09-16 The Complete Poetical Works of James Russell Lowell presents a comprehensive collection of the iconic  
 American poet s oeuvre showcasing his mastery over a diverse range of poetic forms and themes Lowell s poetry reflects the  
 tumultuous socio political landscape of 19th century America exploring subjects such as abolition democracy and morality  
 with a lyrical style that marries romantic sensibility with keen social consciousness His subtle use of meter and verse often  
 interspersed with wit and satire captures the essence of his times while remaining timeless in its appeal thus positioning  
 Lowell as a pivotal figure within the American literary canon and the broader context of Transcendentalism and Romanticism  
 James Russell Lowell an eminent poet essayist and critic played a crucial role in shaping American literature during the  
 antebellum period and beyond His New England heritage imbued him with a profound appreciation for nature and social  
 justice influences that would permeate his work An advocate for abolition his literary contributions also served as critical  
 commentaries on the moral issues of his era positioning him as an intellectual leader in both literature and social reform This  
 collection is essential for readers seeking a nuanced understanding of America s literary heritage Lowell s work not only  
 illuminates the complexities of human experience but also encourages reflection on contemporary societal issues Engaging  
 with this compilation offers both scholars and enthusiasts alike a rich encounter with a poet who deftly interweaves personal  
 introspection with collective identity making this volume a vital addition to any literary library      **The Cultural Work of**  
**the Late Nineteenth-Century Hostess** S. Harris,2016-04-30 The Cultural Work of the Late Nineteenth Century Hostess  
 explores the influence well placed energetic women had on literary and political culture in the U S and in England in the  
 years 1870 1920 Fields an American was first married to James T Fields a prominent Boston publisher after his death she  
 became companion to Sarah Orne Jewett one of the foremost New England writers Gladstone was a daughter of William  
 Gladstone one of Great Britain s most famous Prime Ministers Both became well known as hostesses entertaining the leading  
 figures of their day both also kept journals and wrote letters in which they recorded those figures conversations Susan K  
 Harris reads these records to exhibit the impact such women had on the cultural life of their times The Cultural Work of the  
 Late Nineteenth Century Hostess shows how Fields and Gladstone negotiated alliances won over key figures to their parties  
 designs and fought to develop major cultural institutions ranging from the Organization of Boston Charities to London s  
 Royal College of Music      *Warren, Jarrell, and Lowell* Joan Romano Shifflett,2020-06-03 Robert Penn Warren Randall Jarrell  
 and Robert Lowell maintained lifelong well documented friendships with one another often discussing each other s work in  
 private correspondence and published reviews Joan Romano Shifflett s *Warren Jarrell and Lowell Collaboration in the*  
*Reshaping of American Poetry* traces the artistic and personal connections between the three writers Her study uncovers the

significance of their parallel literary development and reevaluates dominant views of how American poetry evolved during the mid twentieth century Familiar accounts of literary history most prominently the celebration of Lowell s Life Studies as a revolutionary breakthrough into confessional poetry have obscured the significance of the deep connections that Lowell shared with Warren and Jarrell They all became quite close in the 1930s with the content and style of their early poetry revealing the impact of their mentors John Crowe Ransom and Allen Tate whose aesthetics the three would ultimately modify and transform The three poets achieved professional maturity and success in the 1940s during which time they relied on one another s honest critiques as they experimented with changes in subject matter and modes of expression Shifflett shows that their works of the late 1940s were heavily influenced by Robert Frost This period found Warren Jarrell and Lowell infusing ostensibly simple verse with multifaceted layers of meaning capturing the language of speech in diction and rhythm and striving to raise human experience to a universal level During the 1950s the three poets became public figures producing major works that addressed the nation s postwar need to reconnect with humanity Warren Jarrell and Lowell continued to respond in interlocking ways throughout the 1960s with each writer using innovative stylistic techniques to create a colloquy with readers that directed attention away from superficial matters and toward the important work of self reflection Drawing from biographical materials and correspondence along with detailed readings of many poems Warren Jarrell and Lowell offers a compelling new perspective on the shaping of twentieth century American poetry **James Russell Lowell** Ferris Greenslet,1905 *Mind Amongst the Spindles: a Selection from the Lowell Offering* ,1845
