seasoned with fermented sauces which have been made over a long period of time with care is what makes Hansik uniquely Korean. Despite this uniqueness and the variety of food that is offered, the only Korean foods that were familiar to non-Koreans were the simple Bulgogi or Korean barbeque. However, things have changed in recent years and Korean food is now being recognized as a source for new and exciting culinary dishes. The reason for this is simple: People today are becoming increasingly conscious about their health and the food that is offered is being tailored to suit these needs. Many are looking for organic or natural foods, slow foods, and food that will help their overall well-being, and Korean cuisine meets all those requirements. Moreover, it is tasty.
