Loyalist Guide Nova Scotian Loyalists And Their Documents

Mary E. Bond, Martine M. Caron

Loyalist Guide Nova Scotian Loyalists And Their Documents:

The Loyalist Guide Public Archives of Nova Scotia, Lynn Murphy, Heather MacDonald, 1983 *Canadian Reference Sources* Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include a citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers Gilbert Stuart and the Impact of Manic Depression Dorinda Evans, 2017-07-05 Early American painter Gilbert Stuart has long been mistakenly represented as a hard drinking rogue habitual liar and inexplicable financial failure To explain his stylistic unevenness as an artist he is assumed to have had an inferior assistant but the documentary evidence for an assistant who painted on his portraits is non-existent in fact there is evidence to the contrary This ground breaking study demonstrates that Stuart suffered from a hereditary form of manic depression leading him to create pictures that contain peculiar lapses characteristic of a manic depressive or bipolar artist Using documentary and empirical evidence from diaries and letters to x radiographs of paintings this book fills important gaps in our knowledge of Stuart and connects the strange visual effects in some of Stuart's paintings with cognitive deficits attendant with the disorder In addition to Stuart other bipolar artists including George Romney Raphaelle Peale Gilbert Stuart Newton and William Rimmer are discussed in relation to these deficits revealing patterns which carry broader implications for all manic depressive artists This volume is a significant contribution not only to studies of Stuart and the four other painters but also to our understanding of the mind of a manic depressive artist It bridges the broad disciplines of art history and psychopathology Genealogist's Handbook for Atlantic Canada Research New England Historic Genealogical Society, 1997 Atlantic Canada covers the provinces of New Brunswick Nova Scotia Prince Edward Island and Newfoundland The Loyalists in the Siege of Fort Ninety Six Bobby Gilmer Moss, 1999 Presents the names of the individual loyalists and the names of the units in which they served during the siege of Fort Ninety Six Preface p v **This Unfriendly Soil** Neil MacKinnon, 1989-01-01 Loyalists in Nova Scotia hoped that their anticipated prosperity to be achieved with British aid would show that the American rebellion had been a terrible mistake But

prosperity was elusive The loyalists were disappointed not only by their treatment at the hands of the British government their reluctant benefactor but also by the apparent unwillingness of the government and the people of Nova Scotia to recognise their sacrifice and encourage their advancement This sense of opposition from the existing community made their experience different from that of loyalists elsewhere and contributed to the intensity and longevity of Nova Scotia's loyalist tradition The early period of loyalist settlement came to a close shortly after Britain gained portable pensions and withdrew free provisions a turn of events which led many of the exiles to return to their homeland By 1791 relations with the old settlers and the provincial government changing attitudes toward the United States and conflict among themselves had modified loyalist opinions and expectations in ways they would never have imagined a decade earlier
