Loyalists And Loners:

Loyalists and Loners Michael Foot, 1986-01 *Loyalists and Loners* Michael Foot, 1986 This is a collection of Michael Foot's essays. The volume is split into four categories: A Labour Party Gallery, Four Prime Ministers, A Miscellany of Cross-breeds, and Some True Prophets.

Of Herds and Hermits Terry Reed, 2009 Celebrated for its commitment to independence and fearless individualism, America in fact dismisses independent thinkers and nonconformists in favor of the team player, the company man, and the go-along-to-get-along mentality. This anti-intellectual mindset despises and discredits those who are solitary and reclusive. While we look up to literary loners like Poe and Melville and Dickinson, the man in the street is a compulsive joiner of clubs and herds, from university frats to the Order of the Pink Goat. To the contrary, this book is a paean vigorously endorsing America's lone wolves, cultural hermits, and all such independent thinkers, solitary and marginalized figures who are the cultural bedrock of the nation that detests them.

Eminent Parliamentarians Philip Norton, 2012-10-22 To celebrate the centenary of the 1911 Parliament Act, John Bercow, Speaker of the House of Commons, instigated a series of public lectures in which current parliamentarians assessed the careers and characters of parliamentary giants. The result was a sequence of fascinating appraisals covering a distinguished but eclectic array of politicians who made a name for themselves not only in the House of Commons but also throughout the country. The subjects of the lectures came from diverse backgrounds, advocated very different political philosophies, and indeed some make surprising bedfellows. But they all had one thing in common: driven by a set of particular beliefs, they were prepared to do whatever was necessary in pursuit of their goals. From Nicholas Soames's warm familial tribute to his grandfather Winston Churchill to Neil Kinnock's account of an affectionate though sometimes fraught relationship with Michael Foot, the roll call of both lecturers and subjects is outstanding. With his subject sitting in the audience, Tristram Hunt delivers the lecture on Tony Benn. Shirley Williams looks at the life of Nancy Astor, the first woman to take her seat in Parliament. Philip Norton and Peter Tapsell tackle the towering figures of Enoch Powell and F. E. Smith as an authority on his subject. Kenneth Morgan discusses David Lloyd George, while fellow historian Gordon Marsden speaks on Aneurin Bevan. Douglas Hurd reflects on the life of Iain Macleod, and Andrew Adonis and John Whittingdale both provide an insider's insight into the parliamentary lives of Roy Jenkins and Margaret Thatcher. With a foreword by John Bercow and an introduction by Philip Norton, this is an impressive collection of lectures delivered by expert speakers on the most eminent of parliamentarians.

Political Languages of Race and the Politics of Exclusion Andy R. Brown,2018-08-16 First published in 1999 Political Languages of Race and the Politics of Exclusion examines the post race signification logic of languages used to promote and achieve the exclusion and stigmatisation of migrant groups within post war Britain Re examining the time of Smethwick and Powellism as well as extensive Parliamentary debates this book develops an original thesis to show how Backbench racism became legitimated as Frontbench commonsense The book argues that the achievement of the success of post war Parliamentary racism has been made possible by the development of a ubiquitously anecdotal narrative of the travails of the Forgotten Englishman awoken to a multi cultural nightmare in Britain s decaying inner cities While the concept of race has remained under erasure the logic of post race signification discourse has allowed the re making of racism in public Britain

Feminine Fascism Julie V. Gottlieb,2021-04-28 The British Fascisti the first fascism movement in Britain was founded by a woman in 1923 During the 1930s 25 per cent of Sir Oswald Mosley s supporters were women and his movement was largely built up by the fanaticism of women What was it about the British form of Fascism that accounted for this conspicuous female support Gottlieb addresses these questions in the definitive work on women in fascism This book continues to fill a significant gap in the historiography of British fascism which has generally overlooked the contribution of women on the one hand and the importance of sexual politics and women s issues on the other Gottlieb s extensive research makes use of government documents a large range of contemporary pamphlets newspapers and speeches as well as original interviews with those personally involved in the movement This new edition includes a preface analysing the current affairs of the last 20 years reframing the book according to contemporary context Here Gottlieb looks at the resurgence of populism

the rise of women as leaders of far right parties across Europe and North America and the normalisation of fascism in fiction and political discourse

Richard Crossman Victoria Honeyman, 2007-12-19 Yes Minister No Minister If you wish it Minister Richard Crossman Diaries Vol 1 As a politician and personality Richard Crossman was anything but the deferential public servant he mocked so concisely This revealing biography of the dedicated radical Labour politician offers the most complete picture of his colourful life and demonstrates many fascinating connections between his political thinking and the formation of New Labour Richard Crossman served as an MP from 1945 until shortly before his death in 1974 and is remembered as a fiery speaker dedicated leftist and author of the controversial three volume Diaries of a Cabinet Minister published in the face of strong legal opposition from the government This comprehensive new biography explores the connections between his personal history and his political convictions His life not only highlights a formative period in British politics but also gives insights into contemporary British politics Crossman s life not only highlights a formative period in British politics but also gives insights into contemporary British politics Weaving together the private and public Honeyman unveils a politician who fought with dedication for his political beliefs while persistently trying to shake up the organisation of the Labour party Over the course of his twenty five years in Parliament Crossman held various position including Leader of the House of Commons Chairman of the Labour Party and Secretary of State for Social Services In this new biography Victoria Honeyman places Crossman in the context of his party and his times while also examining his impact on the development of the Labour party Often dismissed as fickle this portrait of Crossman reveals an intellectual politician who worked with conviction for the improvement of his party and country His life not only highlights a formative period in British politics but also gives insights into contemporary British politics Crossman s chief interests included social democracy international relations and constitutional reform This biography details his tireless work on these issues and assesses his impact Rather than the Crossman of popular myth Honeyman has uncovered a dedicated politician who made serious intellectual contributions to his party s policy and whose influence is still felt today This biography is essential reading for anyone interested in British contemporary political history

Contemporary Postcolonial Theory Padmini Mongia, 2021-01-07 There is a crisis in contemporary postcolonial theory while an enormous body of challenging research has been produced under its auspices severely critical questions about the validity and usefulness of this theory have also been raised This Reader is positioned at the juncture where it can address these contestations It makes available some of the classics of the field engages with the issues raised by contemporary practitioners but also offers several of the

arguments that strongly critique postcolonial theory Although postcolonial theory purports to be inter disciplinary and frequently anti foundationalist traces of disciplinary formations and linearity have continued to haunt its articulations This Reader on the other hand offers a uniquely inter disciplinary mapping It is concerned with three main areas definitional problems and contests including the current challenges to postcolonial theory the disciplining of knowledge where the multiple resonances of the word disciplining are all engaged and the location of practice where the relations between intellectual practice and historical conditions are explored Finally since the guiding principle of this Reader is simultaneous attention to the enabling and constraining mechanisms of historical realities and institutional practices the commentary problematizes the writing of histories the formations of canons and indeed the production of Readers Jennie Lee Patricia Hollis,2014-09-18 First published in 1997 Patricia Hollis s biography of the pioneering Labour MP Jennie Lee 1904 1988 won both the Wolfson History Prize and the Orwell Prize It is the definitive study of this remarkable woman her stormy political career and her marriage to Aneurin Bevan In a new preface to this edition Hollis adds insights into Lee s life which emerged subsequent to first publication and also draws on her own experience as a Labour Minister from 1997 2005 Lee s lives and loves passions and drives are beautifully and frankly explored in Patricia Hollis s compelling book THES Superbly researched engrossingly written scrupulously honest Gerald Kaufman Daily Telegraph What makes it particularly fascinating is the author s own first hand knowledge of politics and of the Labour movement TLS One of the best political biographies of recent years Alan Watkins New Statesman **Transactions of the Royal Historical Society: Volume 11** Royal Historical Society,2003-03-06 The annual collection of articles from the Royal Historical Society *British Political History, 1867-2001* Malcolm Pearce,Geoffrey Stewart,2013-09-13 This third edition of British Political History 1867 2001 is an accessible summary of major political developments in British history over the last 140 years Analyzing the changing nature of British society and Britain s role on the world stage Malcolm Pearce and Geoffrey Stewart also outline the growth of democracy and the growth in the power of the state against a background of party politics New coverage includes domestic affairs from 1992 to 2001 John Major s Government the creation of New Labour and the Third Way Blair s first ministry developments in Northern Ireland from 1995 through the Easter Peace Deal into 2001 the 2001 General Election results and implications Students of British politics and history will find this the perfect resource for their studies Choosing the Labour Leader Timothy Heppell,2010-08-30 The change in the method of selecting the Labour Party leader from an elite parliamentary ballot to a mass participatory Electoral College which occurred in 1981 was ideologically motivated However the strategy of the Left to enhance the accountability of the incumbent party leader to the wider Labour movement and the Left s chances of securing an ideological succession in the party leadership failed Drawing together debates on the method of party leadership selection and the ideological positioning of leadership candidates this book examines each leadership election since 1963 as a means of charting the decline of the left within the Labour Party Given the bypassing of the Electoral College to appoint

Gordon Brown in 2007 and the debates surrounding his authority and legitimacy as Labour Party leader thereafter this book offers a comprehensive and timely examination of Labour Party leadership elections from Wilson to Brown which will be invaluable for scholars of British Politics and the history of the Labour Party **R.H. Loyalists And Loners Introduction

In today's digital age, the availability of Loyalists And Loners books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Loyalists And Loners books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Loyalists And Loners books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Loyalists And Loners versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Loyalists And Loners books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Loyalists And Loners books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Loyalists And Loners books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Loyalists And Loners books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Loyalists And Loners books and manuals for download and embark on your journey of knowledge?
