Mactaggarts War:

William MacTaggart, 1903-1981 Iain Gale,1998 **War, the Liberator, and Other Pieces** Ewart Alan Mackintosh,1918 Whisky Wars, Riots and Murder Malcolm Archibald,2013-09-12 Although the nineteenth century elite looked on the Highlands and Islands as a sporting paradise for the indigenous population it was a turbulent place Rather than a rural idyll the glens and moors were home to poachers and whisky smugglers while the towns were always ready to explode into riot and disorder Even the Hebridean seas had their dangers while the islands seethed with discontent Whisky Wars Riots and Murder reveals the reality behind the facade of romantic tartan and vast estates Augmenting the usual quota of petty thefts and assaults the Highlands had a coastal town where riots were endemic an island rocked by a triple murder a mob besieging the jail at Dornoch and religious troubles in the Black Isle Add the charming thief who targeted tourist hotels and an Exciseman who was hanged for forgery and the hidden history of the Highlands is unearthed in all its unique detail

North Carolina Libraries ,1981 **A Genealogical and Heraldic History of the Peerage and Baronetage, the Privy Council, Knightage, and Companionship** ,1917 *British Housebuilders* Fred Wellings,2008-04-15 British Housebuilders is the first comprehensive account of the corporate history of the twentieth century speculative housebuilding industry the firms that supplied those houses and the entrepreneurs who created those firms The transition from the local housebuilders of the 1930s through the regional diversification of the 1960s to the national housebuilders of today is charted via a series of industry league tables The rationale for the growth in national firms is analysed The conventional explanation of economies of scale is rejected instead the stock market is found to play a key role both in facilitating acquisitions and in demanding growth from its constituent companies The supply side analysis also addresses the frequent corporate failures succession issues lack of focus and the 1974 and 1990 recessions have played their part in equal measure British Housebuilders provides the first opportunity to review the evidence drawn from a century of speculative housebuilding it is only with this historical perspective that sound judgements can be made on the corporate role in housebuilding
