Magdalene Diaries:

The Unauthorized Dan Brown Companion John Helfers, 2012-03-01 The definitive truth within Dan Brown's fantastic fiction revealed at last With millions of copies of his books in print a major motion picture based on *The Da Vinci Code* in theaters and religious leaders everywhere launching scathing attacks on his work Dan Brown is quite simply a phenomenon His novels intricate mosaics combining well researched facts with action packed storytelling have created their own industry of location tours seminars even PBS specials But perhaps the one thing that still keeps his readers guessing is that nagging question How much of this is true *The Unauthorized Dan Brown Companion* tells all Unlike the avalanche of books specifically about *The Da Vinci Code* *The Unauthorized Dan Brown Companion* covers all of Dan Brown's books and crucially has no religious agenda or political axe to grind these are the facts Could there actually be an unbreakable code that would cripple US intelligence as in *Digital Fortress* How much truth lies in *The Da Vinci Code*'s history altering propositions that have so angered the Vatican Are the Illuminati from *Angels and Demons* really alive and well The answers are here covering every picture place proper name and historical event through all of Brown's books explaining what's absolutely true possible improbable or completely fictitious One of Dan Brown's greatest accomplishments as a writer is his uncanny ability to blur the line between fact and fiction Now with *The Unauthorized Dan Brown Companion* readers will at last have all of the information to distinguish for themselves between the inventions of a master storyteller and the historical revelations of a first rate investigator John Helfers is a full time writer and editor currently living on Green Bay Wisconsin He is the co editor of *The Valdemar Companion* a guide to the work and life of fantasy writer Mercedes Lackey Recent published books include two anthologies he edited *In the Shadow of Evil* and *Slipstreams* He has also written nonfiction with his history of the United States Navy *The Alpha Bravo Delta Guide to the U S Navy* published in 2003

Smith,2007-09-01 The Magdalen laundries were workhouses in which many Irish women and girls were effectively imprisoned because they were perceived to be a threat to the moral fiber of society Mandated by the Irish state beginning in the eighteenth century they were operated by various orders of the Catholic Church until the last laundry closed in 1996 A few years earlier in 1993 an order of nuns in Dublin sold part of their Magdalen convent to a real estate developer The remains of 155 inmates buried in unmarked graves on the property were exhumed cremated and buried elsewhere in a mass grave This triggered a public scandal in Ireland and since then the Magdalen laundries have become an important issue in Irish culture especially with the 2002 release of the film *The Magdalene Sisters* Focusing on the ten Catholic Magdalen laundries operating between 1922 and 1996 *Ireland's Magdalen Laundries and the Nation's Architecture of Containment*

offers the first history of women entering these institutions in the twentieth century. Because the religious orders have not opened their archival records, Smith argues that Ireland's Magdalen institutions continue to exist in the public mind primarily at the level of story, cultural representation, and survivor testimony rather than history, archival history, and documentation. Addressed to academic and general readers alike, James M. Smith's book accomplishes three primary objectives. First, it connects what history we have of the Magdalen laundries to Ireland's architecture of containment that made undesirable segments of the female population such as illegitimate children, single mothers, and sexually promiscuous women literally invisible. Second, it critically evaluates cultural representations in drama and visual art of the laundries that have over the past fifteen years brought them significant attention in Irish culture. Finally, Smith challenges the nation, church, state, and society to acknowledge its complicity in Ireland's Magdalen scandal and to offer redress for victims and survivors alike.
