## **Magdalene Silences:**

**Magdalene Silences** Vincent Ferrini, 1992      *Reimagining the Magdalene* Siobhán Jolley, 2025-03-20 This book offers a new intersectional feminist approach to utilising and interpreting the visual reception of Mary Magdalene Through employment of Liberative Reception Criticism which develops traditional reception theory in line with liberative hermeneutics via the insights of intersectionality as critical theory Siobhán Jolley provides a novel means of analysing how women and particularly the Magdalene are imaged in Christian tradition Knowledge of both the biblical figure of Mary Magdalene and her cultural reception continue to be dominated by long discredited ideas about her life and sexuality which bear the hallmarks of their development under patriarchy Through close study of relevant biblical texts and extracanonical accounts and a comprehensive survey of the Magdalene's presentation in the Italian art of the Counter Reformation Jolley demonstrates that the patriarchal portrayal of the Magdalene as a sexualised penitent and mournful witness to the resurrection is sustained by its mythic attachment to biblical text Rather than adopting the same tropes uncritically we are invited to look again at artworks and related texts in order to explore what happens when the influence of patriarchy is actively and intersectionally resisted Ultimately the Magdalene is transformed from a reductive and patriarchally mythologised figure to a multidimensional character who is relatable and liberative as an exemplar      The Whole Song Vincent Ferrini, Kenneth Warren, Fred Whitehead, 2010-10-01 With a voice emerging from class tensions labor struggles the Great Depression and World War II Vincent Ferrini lived as a people's poet crying out for an end to exploitation and organized greed Radical Christian gnosis and the conviction that poetry should be more than a display of word craft distinguished him from poets like T S Eliot infusing his work with dynamic images of Christ as a fighter a revolutionary and a martyr in opposing the mighty for the sake of the poor      **Legacies of the Magdalen Laundries** Miriam Haughton, Mary McAuliffe, Emilie Pine, 2021-11-23 This collection raises incisive questions about the links between the postcolonial carceral system which thrived in Ireland after 1922 and larger questions of gender sexuality identity class race and religion This kind of intersectional history is vital not only in looking back but in looking forward to identify the ways in which structural callousness still marks Irish society Essays include historical analysis of the ways in which women and children were incarcerated in residential institutions Ireland's Direct Provision system the policing of female bodily autonomy through legislation on prostitution and abortion in addition to the legacies of the Magdalen laundries This collection also considers how artistic practice and commemoration have acted as vital interventions in social attitudes and public knowledge helping to create knowledge and re shape social attitudes towards this history      **The Long Road Home and Other Short Stories from the Silences in the Gospel of Mark** James S. Lowry, 2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of

possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12 13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark s narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the 1950s The hope is these stories will encourage readers of Mark and groups of his readers to raise other possibilities *Peterson's Magazine* ,1882

*Mary Magdalene's Dreaming* Steven Strong,Evan Strong,2008 In Mary Magdalene s Dreaming Steven Strong and Evan Strong continue their esoteric journey tracing the origins of religion that they began their first book Constructing A New World Map Strong and Strong examine the Gnostic Scriptures detailing the words and deeds of Mary and Jesus recently found at Nag Hammadi **Trauma, Memory and Silence of the Irish Woman in Contemporary Literature** Madalina Armie,Veronica Membrive,2023-01-30 This volume studies the manifestations of female trauma through the exploration of multiple wounds inflicted on both body and mind Caruth 1996 3 and the soul of Irish women from Northern Ireland and the Republic within a contemporary context and in literary works written at the turn of the twenty first century and beyond These artistic manifestations connect tradition and modernity debunk myths break the silence with the exposure of uncomfortable realities dismantle stereotypes and reflect reality with precision Women s issues and female experiences depicted in contemporary fiction may provide an explanation for past and present gender dynamics revealing a pathway for further renegotiation of gender roles and the achievement of equilibrium and equality between sexes These works might help to seal and heal wounds both old and new and offer solutions to the quandaries of tomorrow **Contemplation** David Allen, M.D.,David F. Allen,2004-04 Body mind spirit family and relationships medical psychology religion self help **Theatre and Humanism** Kent Cartwright,1999-09-09 English drama at the beginning of the sixteenth century was allegorical didactic and moralistic but by the end of the century theatre was censured as emotional and even immoral How could such a change occur Kent Cartwright suggests that some theories of early Renaissance theatre particularly the theory that Elizabethan plays are best seen in the tradition of morality drama need to be reconsidered He proposes instead that humanist drama of the sixteenth century is theatrically exciting rather than literary elitist and dull as it has often been seen and socially significant and he attempts to integrate popular and humanist values rather than setting them against each other Taking as examples the plays of Marlowe Heywood Lyly and Greene as well as many by lesser known dramatists the book demonstrates the contribution of humanist drama to the theatrical vitality of the sixteenth century **Pancardi's Pride** Ron Clooney,2008 Out of the darkness and through the rat infested sewers of Florence under the ancient treasure houses of the Palazzo Pitti and into one of the strongest bank vaults in the world the best cracksmen in the business are on the **The Silent Apostle**

Andrew David Dolye, 2011-07-08 Kemp Hastings a freelance troubleshooter for the Fisher Kings is tasked with authenticating an illuminated manuscript that has strong links to the crucifixion and may have been penned by Mary Magdalene herself Hastings teams up with Dr Darlene Gammay a biblical studies teacher and embark on an adventure that results in an event that rocks the Papacy In her efforts to research the parchment Darlene inadvertently makes contact with the Sanctos Epistula Letters of the Saints and is burdened with a tattoo across her back and left shoulder that may reflect the true likeness of the Holiest of Mothers The tattoo reflects the work of Gabriel Dante Rossetti's famous pre-raphaelite work from the late 18th century indicating that the artist may have had access to a more secret society On discovering the tattoo Hastings finds that the manuscript that was hidden in his desk has returned to a simple blank parchment page of two thousand years ago In the interim period a known Hellfire Cross Sword has been mysteriously removed from the secure archives of the vatican and the Pope has concerns over the safety of his flock

**A Woven Silence** Felicity Hayes-McCoy, 2015-09-01 How do we know that what we remember is the truth Inspired by the story of her relative Marion Stokes one of three women who raised the tricolour over Enniscorthy in Easter Week 1916 Felicity Hayes McCoy explores the consequences for all of us when memories are manipulated or obliterated intentionally or by chance In the power struggle after the Easter Rising involving among others Michael Collins and Eamon de Valera the ideals for which Marion and her companions fought were eroded resulting in an Ireland marked by chauvinism isolationism and secrecy By mapping her own family stories onto the history of the State Felicity examines how Irish life today has been affected by the censorship and mixed messages of the past Absorbing entertaining and touching her story moves from Washerwoman's Hill in Dublin to London and back again spans two world wars a revolution a civil war and the development of a republic and culminates in Ireland's 2015 same sex marriage referendum Also by this author Enough is Plenty
