The Case for Election The Original Doctrine of Predestination, Presented by the Apostles Marc A. Carr, Marc A Carr, PH D, 2012-04 This book is about how the Christian actually became a Christian The process is Marc's focus How does God take the Chosen from the womb to salvation then into His eternal bosom The classic position of Election and Predestination is made plain forcing the reader to address the alternative Man's free will choice to be saved or not Can these two positions be reconciled No not really The Lord assured Moses I will make all My goodness pass before you and I will proclaim the name of the Lord before you I will be gracious to whom I will be gracious and I will have compassion on whom I will have compassion Exodus 33:19 Moses was to experience a limited theophany what the Greek Orthodox call a theosis the physical presence of God Himself equivalent to My goodness It is God's very Goodness the New Testament saint knows to be the indwelt Holy Spirit the very Spirit of Christ Jesus Himself God Himself Paul cites the Exodus passage in Romans to demonstrate to the body of Christ that God by His sovereignty elected each believer to be His own that we did not elect ourselves to be God's And one Saint asked Why write about such things that have been covered for hundreds of years True But more recently much about God's sovereignty has been covered over Christian modernity has adapted as the author once did to a new Evangelicalism Whereby some first truths have been buried so deep that when they are unearthed they appear to be a foreign theology to the present generation of Evangelical believers Marc affords the saint the information necessary to actually understand how he or she actually got saved Marc presently lives in Orlando Florida where he pastors Blessed Fellowship Orlando an outreach ministry of Orlando Prayer and Worship Center Senior Pastor Roy Futch
