What's Wrong With Addiction Helen Keane, 2013-04-01 This is an impressive work carefully structured researched and written a refreshingly lucid account that is both intellectually stimulating and professionally helpful Janet McCalman Addicts are generally regarded with either pity or grave disapproval But is being addicted to something necessarily bad These attitudes are explicit both in contemporary medical literature and in popular self help texts We categorise addiction as unnatural diseased and self destructive We demonise pleasure and

desire and view the addict as physically and morally damaged Helen Keane's thought provoking text examines these assumptions in a new light In asserting that the wrongness of addiction is not fixed or indeed obvious she presents a refreshing challenge to more conventional accounts of addiction She also investigates the notion that people can be addicted to eating love and sex just as they are to drugs and alcohol What's Wrong with Addiction shows that most of our ideas about addiction take certain ideals of health and normality for granted It exposes strains in our society's oppositions between health and disease between the natural and the artificial between order and disorder and between self and other **Food Junkies** Vera Tarman,2019-01-05 A fact filled guide to coping with compulsive overeating problems by an experienced addictions doctor who draws on many patients stories of recovery Overeating binge eating obesity anorexia and bulimia Food Junkies tackles the complex poorly understood issue of food addiction from the perspective of a medical researcher and dozens of survivors What exactly is food addiction Is it possible to draw a hard line between indulging cravings for comfort food and engaging in substance abuse For people struggling with food addictions recognizing their condition remains a frustrating battle This revised second edition contains the latest research as well as practical strategies for people facing the complicated challenges of eating disorders and addictions offering an affirming and manageable path to healthy and sustainable habits **Critical Clinical Social Work: Counterstorying for Social Justice** Catrina Brown,Judy E. MacDonald,2020-05-29 This edited collection offers an original critical clinical approach to social work practice written by social work educators from the School of Social Work at Dalhousie University and their collaborators It provides a Canadian perspective on the diverse issues social workers encounter in the field highlighting the practical application of feminist narrative anti racist and postcolonial frameworks With the aim of producing counterstories that participate in social resistance this volume focuses on integrating critical theory with direct clinical practice Through the use of case studies the contributors tackle a range of substantive issues including ethics working with complex trauma men's use of violence substance use among women and girls Indigenous social work praxis critical child welfare approaches counterstorying experiences of disability and animal informed social work practice **The Invisible Alliance** Elyn Kaschak,2021-02-25 Explore the relationship between psychology and spirituality from a feminist perspective From the editor There are forces in the universe about which we know nothing and can learn nothing through empiricism and material means Such forces can be invoked in the process of therapy to assist in healing to deepen experience and to free us from the confining limits of the human mind This is a book about the spiritual within each of us and about spirituality as it extends beyond any of us to embrace all of us It deals with inspiration and passion sorrow and loss meaning and depth It focuses upon the relationship between matters of spirit and of psychology leading to new treatments within the parameters of psychotherapy that extend its vision far beyond the treatment of affliction The Invisible Alliance Psyche and Spirit in Feminist Therapy provides you with a comprehensive review of multiculturalism and its relationship with feminism and spirituality and explores ways to

incorporate Jewish principles and beliefs into feminist therapy the application of religious sources of passion and perspective to parenting and working with children ways to combine Christian and Wiccan philosophies in therapy a provocative approach for integrating Christian biblical teachings into feminist therapy for survivors of sexual abuse ways that Buddhist ideas can enrich the understanding of the self and identity a case study of ancient healing traditions used by Latinas criteria for therapists to use in deciding whether to work with clients dealing with spiritual religious issues or refer them to someone more appropriate a way to use the power of ritual to heal and give more meaning to important life transitions Narrative Means to Sober Ends Jonathan Diamond,2002-08-19 Working with clients who abuse drugs or alcohol poses formidable challenges to the clinician Addicted persons are often confronting multiple complex problems from the denial of the addiction itself to legacies of early trauma or abuse to histories of broken relationships with parents spouses and children Making matters more confusing the treatment field is too often splintered into different approaches each with its own competing claims This eloquently written book proposes a narrative approach that builds a much needed bridge between family therapy psychodynamic therapy and addictions counseling Demonstrated are innovative flexible ways to help clients form new understandings of what has happened in their lives explore their relationships to drugs and alcohol and develop new stories to guide and nourish their recovery **Good Midnight, Insomniacs** Alma Christova,2012-03 Good Midnight Insomniacs is a spontaneous collage of life writing and photographs put together in one breath and hastening to document the early stages of the author s recovery from addiction and depression No matter who you are a man or a woman young or old rich or poor black or white your addiction wants to take your life Period The Three Headed Dragon wants you dead Alma Christova s modest self help booklet is dedicated to the intervention and addresses people who decided to conquer one of the 21st century deadliest pandemics As a proverbial slogan of Alcoholics Anonymous goes You are no longer alone it is her belief that in today s cyber era there is no excuse for silencing mental health issues and chronic addiction pathology no reason for isolation and despair in the wee hours of the morning Alma s personal collection of sunrise pictures taken over the first six months of her recovery send s the symbolic message of hope for new daybreak to fellow addicts and insomniacs The essays are simply a continuation of her gratitude letter to The Addictions and Concurrent Disorders Center at the Credit Valley Hospital in Mississauga and depict her personal awakening as a direct result from its multifaceted support The acquired knowledge has empowered the author beyond words here come the pictures and has opened widely a new road yet another journey of healing and discovery **Can't Catch a Break** Susan Starr Sered,Maureen Norton-Hawk,2014-09-12 Based on five years of fieldwork in Boston Can t Catch a Break documents the day to day lives of forty women as they struggle to survive sexual abuse violent communities ineffective social and therapeutic programs discriminatory local and federal policies criminalization incarceration and a broad cultural consensus that views suffering as a consequence of personal flaws and bad choices Combining hard hitting policy analysis with an intimate account of how marginalized women navigate an

unforgiving world Susan Sered and Maureen Norton Hawk shine new light on the deep and complex connections between suffering and social inequality *Continuity of Offender Treatment for Substance Disorders from Institution to Community* Gary Field, 2000 Spotlights the important moment in recovery when an offender who has received substance use disorder treatment while incarcerated is released into the community Provides guidelines for ensuring continuity of care for the offender client Treatment providers must collaborate with parole officers others who supervise released offenders This report explains how these other members of a transition team can share records develop sanctions coordinate relapse prevention so that treatment gains made inside are not lost Presents specific treatment guidelines to long term medical conditions sex offenders
