**Visiting Mackinac** Frank Boles, 2025-12-01 The Straits of Mackinac have been a tourist destination for more than 150 years The story of how tourism developed on Mackinac Island and in the adjacent communities of St Ignace and Mackinaw City is brought to life in this fascinating book with stories from the people who helped shape it This complex work explores the factors that shaped this region into the tourist destination that it is today It includes historical context of how conflicting ideas developed a seasonal tourist industry and examines how tourism at the Straits of Mackinac developed within regional and national contexts as the tourist industry boomed in the late nineteenth and twentieth centuries This volume also shows how the people at the Straits responded to various national trends such as when the automobile transformed the tourist experience and when independently published travel literature painted a less than rosy picture of the region **Memory**

**Bytes** Lauren Rabinovitz, Abraham Geil, 2004-01-12 Essays on digital culture what it is its historical context and its uses in the media the film industry and the sciences **The Baptism of Early Virginia** Rebecca Anne Goetz, 2016-02-15 In The Baptism of Early Virginia Rebecca Anne Goetz examines the construction of race through the religious beliefs and practices of English Virginians She finds the seventeenth century a critical time in the development and articulation of racial ideologies ultimately in the idea of hereditary heathenism the notion that Africans and Indians were incapable of genuine Christian conversion In Virginia in particular English settlers initially believed that native people would quickly become Christian and would form a vibrant partnership with English people After vicious Anglo Indian violence dashed those hopes English Virginians used Christian rituals like marriage and baptism to exclude first Indians and then Africans from the privileges

enjoyed by English Christians including freedom Resistance to hereditary heathenism was not uncommon however Enslaved people and many Anglican ministers fought against planters racial ideologies setting the stage for Christian abolitionism in the late eighteenth and early nineteenth centuries Using court records letters and pamphlets Goetz suggests new ways of approaching and understanding the deeply entwined relationship between Christianity and race in early America Goetz has done an impressive job bringing religion to the center of the historiography on race and her study is a must read for all scholars interested in the development of race and the role of Protestantism in the Atlantic world Register of the Kentucky Historical Society In a compact 173 pages Goetz links race and religion in colonial Virginia in ways that few other scholars have even attempted Journal of American History This is impressive scholarship grounded in letters pamphlets court records colonial statutes and a wide array of additional archival and secondary sources It is a book that will find ready readership in graduate seminars seminaries and undergraduate classrooms Virginia Magazine of History and Biography Professor Goetz is to be warmly applauded for having produced a work of such methodological scope and intellectual sophistication a most persuasive work that ranks as a major contribution to the field Slavery and Abolition Rebecca Anne Goetz is an associate professor of history at New York University

**The Way to Go**, 1983 This publication examines a variety of cases that demonstrate the aesthetic quality of transportation projects These range from the relatively inexpensive painted Gus Bus in Grand Rapids to the large scale project of designing the Montreal Metro The purpose is to develop a fresh perspective on ways the visual appeal of transportation can be identified as a distinct element for consideration and on the degree to which quality design contributes to the economics and function of transportation systems A second purpose is to develop guidance and examples to assist transportation planners and citizens in dealing with these issues The projects presented represent a wide range of costs and circumstances encountered in transportation planning The study shows that the aesthetic benefits provided by quality materials sensitive design careful maintenance and appropriate inclusion of works of art translate directly into increased patronage cost efficiencies and a better public environment
