Matt W Ransom Confederate General From North Carolina:

Matt W. Ransom, Confederate General from North Carolina Clayton Charles Marlow, 2006-07-19 On May 8 1861 Matt Ransom resigned from the North Carolina House of Commons and accepted a commission as a Confederate officer Like many North Carolinians Ransom had been reluctant to see his state leave the Union though he owned slaves at the onset of the war he strongly believed that slavery was a doomed institution However the action at Fort Sumter South Carolina had made his course of action all but inevitable Despite the fact he was without military experience or training Ransom saw it as his duty to join the Confederate forces He left behind a young family and courageously fought Union forces until the end of the war his brigade was present at Appomattox for Robert E Lee s surrender He was twice wounded in battle and was widely recognized as an effective and highly competent leader by enlisted men and officers alike After the war he returned to his beloved North Carolina and following considerable hardship rebuilt his plantation *Confederate Veteran* ,1929 **The Fight for the**

Old North State Hampton Newsome, 2020-08-04 On a cold day in early January 1864 Robert E Lee wrote to Confederate president Jefferson Davis The time is at hand when if an attempt can be made to capture the enemy s forces at New Berne it should be done Over the next few months Lee s dispatch would precipitate a momentous series of events as the Confederates threatened by a supply crisis and an emerging peace movement sought to seize Federal bases in eastern North Carolina This book tells the story of these operations the late war Confederate resurgence in the Old North State Using rail lines to rapidly consolidate their forces the Confederates would attack the main Federal position at New Bern in February raid the northeastern counties in March hit the Union garrisons at Plymouth and Washington in late April and conclude with another attempt at New Bern in early May The expeditions would involve joint service operations as the Confederates looked to support their attacks with powerful homegrown ironclad gunboats These offensives in early 1864 would witness the failures and successes of southern commanders including George Pickett James Cooke and a young aggressive North Carolinian named Robert Hoke Likewise they would challenge the leadership of Union army and naval officers such as Benjamin Butler John Peck and Charles Flusser Newsome does not neglect the broader context revealing how these military events related to a contested gubernatorial election the social transformations in the state brought on by the war the execution of Union prisoners at Kinston and the activities of North Carolina Unionists Lee s January proposal triggered one of the last successful Confederate offensives **The Fight for the Old North State** captures the full scope as well as the dramatic details of this struggle for North Carolina **North Carolina, Rebuilding an Ancient Commonwealth, 1584-1925** Robert Digges

The Papers of Jefferson Davis Jefferson Davis,1997-02-01 The New Year comes in auspiciously for us Jefferson Davis proclaimed in January 1863 and indeed there were grounds for optimism within the Confederacy By September however various hopes for ending the conflict with the North had given way to the harsh realities of a prolonged war increasingly confined to southern soil Although Davis suffered poor health during much of the nine month period he remained an active and vital leader Volume 9 of The Papers of Jefferson Davis gives a vivid picture of the tasks he faced Military matters consumed most of Davis time Already strained relations with Joseph E Johnston worsened in the spring and he was eventually relieved of his overall command of the western armies Surrenders at Vicksburg and Port Hudson ended Confederate access to the Mississippi River and in the East Robert E Lee s stunning victory at Chancellorsville was blotted out by bloody repulse south of Gettysburg Correspondence from Europe reveals what Davis knew of the Erlanger loan and the diminishing chances of French and British intervention As problems for the Confederacy mounted discontent grew Davis received complaints from across the young country the conscription system being of particular concern In April he saw firsthand the unhappiness over limited resources as he took to the streets to help calm the Richmond bread riot Over 2 000 documents many never before published are included in Volume 9 Eighty one are printed with annotation 242 more in full text and about 1 750 others are calendared in summary form They show Davis fighting to maintain morale and military cohesion during one of the Confederacy s most difficult periods
