Matthean Parables A Literary And Historical Commentary Supplements To Novum Testamentum Vol 8:

A Mediator in Matthew Craig D. Saunders, 2021-03-01 What is a consistent theological meaning of the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary contexts and in relationship to the gospel as a whole Also to bring out the uniqueness in Matthew's portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God's will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God's will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus's genuine disciples learn how to emulate the Son of Man's character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God's promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God's will

The Matthean Parables Ivor H. Jones, 2014-04-09 The Matthean Parables offers a fresh approach to the origin of Matthew's Gospel It builds on current historical literary rhetorical and sociological studies of Matthew's Gospel to show how the Matthean parables illuminate the structure purpose and theology of that gospel The first part of the book establishes the need for a new attempt to define the genre of Matthew's Gospel examines what is meant by a parable and summarises the contribution made by the parables to that new attempt The second part is a thorough exegetical historical critical and literary study of all the Matthean parables in the context of the whole gospel and in the light of all the Matthean figurative material An appendix illustrates the use of syntactical material in defining the character and style of a biblical text

curriculum vitae **Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen**, 1996 **Judging Q and saving Jesus - Q's contribution to the wisdom-apocalypticism debate in historical Jesus studies.** Llewellyn Howes, 2015-12-31 Judging Q and saving Jesus is characterised by careful textual analysis showing a piercing critical eye in its impressive engagement with the secondary literature and sharp insightful critique This book takes the stance that the hypothetical document Q can be reconstructed with sufficient precision and that this enables biblical scholars to study with confidence its genre and its thematic and ideological profile The genre issue is central to the book's overall structure and the alternative proposals are discussed at length and with sophistication The author's inference is that Q's macrogenre is sapiential with occasional insertions of apocalyptic microstructures and motifs This finding embodies progress in Historical Jesus studies An opposing trend has been to label Jesus an apocalypticist so that the great either/or of contemporary Jesus scholarship has been either eschatological or not an alternative that dates back to Albert Schweitzer The author finds that generally and even when used apocalyptically the term Son of Man tends to support arguments best understood as sapiential in outlook This is consistent with the sapiential genre of the document as a whole This finding is supported by the close and careful exegesis of Q 6 37 38 on not judging He reconstructs the original wording of this saying on not judging and explores the idea of weighing in judgment psychostasia determining in the end that the saying is entirely sapiential New Testament Abstracts, 1992
