SECONDARY world renowned artist and filmmaker Matthew Barney explores the spectacle of violence in American football
and culture This is the definitive two volume companion to this important work SECONDARY is a five channel video
installation performed in Barney s Long Island City studio in 2023 then in London Paris and Los Angeles in 2024 The plot
revolves around an accident that occurred during a football game in 1978 when Oakland Raiders Jack Tatum delivered an
open field hit on Darryl Stingley a wide receiver for the New England Patriots Stingley was left paralyzed The tragic event
remained seared in the minds of American fans including Barney himself a youth league quarterback at the time Through
allusion to American sports culture SECONDARY explores the complex intersection of violence its representation and its
celebration It reimagines the game through a unique movement vocabulary The result is a physical study that focuses on
every element of the game from drills and pre game rituals to moments of impact and their slow motion replays Volume 1
explores SECONDARY in depth with essays by leading contemporary voices Volume 2 maps the life of Barney s former Long
Island City studio where SECONDARY premiered to the public Both volumes are housed in a slipcase Matthew Barney
