especially for teachers pastors and Bible students Bruner aims to help God's people love what Matthew's Gospel says Bruner's work is at once broadly historical and deeply theological It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions It is theological in that it unpacks the doctrines in each passage chapter and section of the Gospel Consciously attempting to bridge past and present Bruner asks both what Matthew's Gospel said to its first hearers and what it says to readers today As a result his commentary is profoundly relevant to contemporary congregations and to those who guide them Bruner's commentary is replete with lively verse by verse discussion of Matthew's text While each chapter expounds a specific topic or doctrine the book's format consists of a vivid original translation of the text followed by faithful exegesis and critical analysis a survey of historical commentary on the text and current applications of the text or theme under study In this revision Bruner continues to draw on the best in modern scholarship including recent work by W D Davies and Dale C Allison Jr by Ulrich Luz and by many others adding new voices to the reading of Matthew At the same time he cites the classic commentaries of Chrysostom Jerome Augustine Luther Calvin Bengel and the rest who like Bruner himself were not simply doctrinal teachers but also careful exegetes of Scripture Such breadth and depth of learning assure that Bruner's Matthew will remain as a reviewer for Interpretation wrote the most dog-eared commentary on the shelf Volume 1 of Bruner's commentary is called The Christbook because the first twelve chapters of Matthew are focused on the nature and work of Christ As Bruner proceeds through these chapters he shows how Matthew presents step by step central themes of Christology Jesus coming chapters 1-4 his teaching 5-7 his miracles 8-9 his sermon on mission 10 and his person 11-12 Throughout the book there are also thoughtful discussions of significant topics such as baptism marriage Jewish-Christian relations and heaven and hell Eminently readable rich in biblical insight and ecumenical in tone Bruner's two-volume commentary on Matthew now stands among the best in the field

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources

that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease      *Catalogue of the Printed Books and Manuscripts in the John Rylands Library, Manchester* John Rylands Library,Edward Gordon Duff,1899      *A-E John Rylands Library*,1899      *Cincinnati Public Library* ,1884      *Viking Gold* A. Jay Collins,2023-10-20 Using unscrupulous methods a pair of Danish rogues gain control of an ill equipped and cash poor mining company It owns an abandoned underground mine on the barren south coast of Newfoundland that still hosts quality gold but cannot convince the market to financially support rejuvenation The pair intend to strip out as much of the high grade gold remaining and ship it off shore for processing as they did on a similar project in Greenland A powerful Russian oligarch with murky motives arranges a multi million dollar loan based on lies for the Danes to re activate the mine and build a processing plant they don t actually intend to build Instead the Russian and the Danes keep the loans for themselves as well as the revenue from the sale of the gold It s another billion dollar heist Just like their previous venture on the southern tip of Greenland they intend to mine as fast as possible leaving Newfoundland with nothing but a toxic mess Led by saboteur Matthew Black ORB the Organization for Restructuring Business has to stop the Russian and the Danes control their cash flow divert money back to the original lenders and put all three out of business Their tactics include sabotaging the mine their barges and their mega yachts As ORB goes to great lengths to sabotage the thieves the gold hangs in the balance Will ORB succeed in stopping the rogues Will the financier be left in the lurch again Or will ORB be able to put a stop to their nefarious plans once and for all
