Excerpt from *Matthew Calbraith Perry: A Typical American Naval Officer*. Hazard Perry has been multiplied. No biography of Matthew Calbraith Perry has until this writing appeared. In Japan, popular curiosity fed itself on ambivalent broadside chromo pictures, blood-pit novels, and travesties of history in which Perry was represented either as a murderous swash-buckler or a consumptive-looking and over-decorated European general. It was to satisfy an earnest desire of the Japanese to know more of the man who so profoundly influenced their national history that this biography was at first undertaken.
