Leading Wherever You Are Teresa Swanstrom Anderson, 2020-07-14 The Get Wisdom Bible Studies help women connect with Scripture in an accessible and energizing way Teresa Swanstrom Anderson guides with a winsome style that is rich in depth but still approachable for newer readers of the Bible Let's Follow Joshua's Lead Teresa says I don't always lead well But what I definitely do is search out those who have gone before me and have wisdom to share After Moses' death Joshua took over leading the people of Israel Can you imagine taking over after such a beloved and wise leader And yet Joshua led millions of Jews out of 40 years of wandering in the wilderness to ultimately settle down in the land of milk and honey that God had promised them Leading Wherever You Are dives deep into Joshua's life to see how he led in order to learn from his victories and his mistakes See how Joshua succeeded and what he did well And take to heart how he could have led differently and done better Whatever stage you're in and in whatever capacity you lead you want to do it well too Learn how in this study of Joshua

The Cure for Today's Dying Church Dr. Meyer Janse Van Rensburg, 2018-03-23 The church is in the desert today The arid conditions existing in the church leave the people parched thirsty and longing for refreshing Many church leaders do not know how to get the spiritual water for themselves and therefore they cannot lead God's people into the Promised Land of true fellowship and discipleship This sad state of the church causes many church buildings to stand empty because people are tired of church leaders committing gross indecencies and leading people astray with messages that tickle their ears or boring them to tears with sermons that contain no life changing truths In *The Wellspring of Life Why the Church is Dying of Thirst* Dr Meyer van Rensburg addresses the issue by pointing out many of the mistakes that have been made from spraying people with Doom insecticide in Africa to church leaders refusing to be criticised because they see themselves as little gods as well as the vacuous Sunday services that leave people in the same state that they came to church instead of inspiring them and changing their lives The church is dying of thirst in the desert and the condition can only be treated by discovering the living

water to quench that thirst Too many church leaders do not know how to hear the voice of God and therefore cannot lead people to the living water By following the listing of the well in the Bible from Genesis to Revelation this book demonstrates that the church needs the living water the Wellspring of Life provides Each mention of the well is dealt with separately to show the significance of what is revealed there to prove how these Scriptures were specifically put in this order to provide a systematic study of the importance of the well to the church and to point out the mistakes people in the church make For instance with Hagar the fact that the well existed in the desert is first explored and then the fact that it had to be revealed for her to see it Many people live next to the Well but it has never been revealed to them that it can change their lives Further revelations follow with each mention of the well from Abraham Isaac and Jacob through to David and the prophets This continues to the New Testament and the Book of Revelation to show how God will provide for us if we can but follow His instructions regarding the Wellspring of Life The truths discovered are applied as lessons for the church today Pastors and ministry professionals will find this book illuminating as it covers new ground yet it is aimed at the church going public It can also serve as a handbook in colleges as it has many references and quotes yet it is not written in high academic language

The Stone of Ebenezer Susan Van Volkenburgh,2015-07-16 NAGAD s life was perfect until it was torn apart by the ravages of war Now haunted by his past this young conscript must meet the enemy in battle With shaking rage the nations collide in a fierce conflict for dominance Yet more is at stake than the survival of a people The dispute contests the claim of immortal supremacy the outcome to prove whose god reigns omnipotent And so Nagad of Benjamin pushes on through the raging tide of battle But to no avail Soon crushed by the mighty war machine of Philistia thousands of Hebrew soldiers lay slaughtered upon the carrion infested field Hope has abandoned them Then it is remembered that in the days of their fathers any army that bore the Ark of the Covenant could not be defeated They need the Ark for only then can the Chosen of God prevail against the enemy But they are wrong An amazing vivid account of biblical events is historically accurate where God s judgments treacherous journeys blood battles and even romance come alive to the reader in this skillfully written epic story Rev Judith Wiegman

Against All Evil Wanda Evans,2010-08 Be careful Watch out for attacks from the devil your great enemy He prowls around like a roaring lion looking for some victim to devour 1 Peter 5 8 NLT Against All Evil Enduring to the End is the headlights on your journey through life Avoid the potholes dead ends and dangerous drivers not to mention crossing lions with the help of author Wanda S Evans Against All Evil shines biblical truth on common situations in our day to day hustle and bustle lives exposing the camouflaged weapons of our enemy Readers are challenged to Explore God s Word Turn the future over to God Take a stand against all evil Prepare to endure to the end Defend yourself against the world s corruption and its constantly changing values God does not change nor does His standard of holiness change Truth is eternal Are you prepared to stand Against All Evil Enduring to the End

The Divine Messenger Matthew Bryce Ervin,2023-06-29 The Son of God didn t first come onto the scene in the final quarter of the Bible He appeared as a fascinating and sometimes

mysterious figure throughout the Old Testament He is called by many names and referred to in many ways He appeared as the Word of the Lord as the presence within the Glory of the Lord as the personification of Wisdom as the Angel of the Lord as the Captain of the Lord s army and as Yahweh on earth Some of his appearances were dramatic while others were subtle Each of them highlights the Son s role as the Father s messenger And the appearances all foreshadowed the Incarnation when the Son of God would become a man and more fully reveal the Godhead to his creation *Saying Yes in the Darkness* Teresa Swanstrom Anderson,2020-07-14 The Get Wisdom Bible Studies help women connect with Scripture in an accessible and energizing way Teresa Swanstrom Anderson guides with a winsome style that is rich in depth but still approachable for newer readers of the Bible The Light in the In Between Whatever hard thing we re facing we have a choice to walk with God or not We can say yes through the darkness or we can let the darkness envelop us People love the Psalms for their passages of praise but the Psalms are also known for lament There we learn to find rest in the hard times But we don t want to just stay in our difficulties and pain we want to keep moving This study is about that in between space walking from the lament and into the praise The walk through the difficulty and the living in expectation that He will move believing we will see light because He is the Light Yes this is a study about the Psalms But it s more than that It s seeing the fuller picture It s finding the light in it all **The End of the Age** John Hagee,2021-12-07 If you knew sudden destruction would fall upon the earth in the next twenty four hours how would you spend your last moments Join New York Times bestselling author John Hagee as he uses Scripture as a guide to count down the prophetic minutes through the events which must occur before every individual faces God on Judgment Day Charting international news events including recent peace agreements in the Middle East Hagee synchronizes these headlines with the biblical timeline for the last days producing a compelling argument that life on Earth is about to expire What else must take place before the arrival of Judgment Day This very timely message discusses The reality of virtual terrorism The financial crisis and economic crash Opposing views of the Rapture Recent peace agreements in the Middle East that impact Israel and a potential Russian invasion Nuclear wars The purpose of the Tribulation and the Millennium Significantly updated and revised from its previous publication under the title From Daniel to Doomsday this is quintessential Hagee on Bible prophecy and End Times teaching This insightful book is an ideal resource for Christians who are looking for a guide to what the Bible says about the end times and how to recognize that they are approaching Mark it down The End of the Age is approaching but it won t be ushered in by space aliens or catastrophic asteroids Hagee guides us through the timeline before that fateful moment when every unredeemed individual must face God on Judgment Day [How to Learn the Bible the Best Way to Study the Bible](#) Simon Kennard,2016-04-02 Bible is most bought book of all times However it is the most under utilized book as well The challenge is there for everyone who buys as to how to read it and learn from it easily You will need have an open heart and mind There are several approaches to learn The Bible and the most effective way would be the one which would be easy for you and comes with dedication and discipline

David: The Godly Heart of a Sinful Man Terry W. Hyman, 2022-03-08 To some people saying that David had a godly heart is almost offensive How do you apply that description to a man whose legacy includes neglecting responsibilities lust adultery murder deception hypocrisy and callous indifference Saul David's predecessor as king of Israel was guilty of deliberate rebellion but Scripture gives no account of him ever engaging in the kind of disgusting activity that characterized David's behavior during his sin with Bathsheba Yet Saul when he sought forgiveness was rejected What made David different David The Godly Heart of a Sinful Man examines David's heart identifying specific character qualities that influenced his response when confronted with his sin Humility honesty and confession were common and it was evident that David cared more about getting right with God than defending his actions There was no effort to justify his sin or excuse himself and he never tried to shift the blame to others David understood that God cared more about the contrite attitude of a broken heart than the false piety of an insincere sacrifice He knew he would never by his own efforts meet God's standard of perfection In Psalm 103:14 David stated He knoweth our frame he remembereth that we are dust The essential message of David The Godly Heart of a Sinful Man is that God does not expect an individual to be perfect instead He desires a heart that is sensitive and responsive to the ministry of God's spirit

From the Dust F. Kefa Sempangi, Jennifer Melvin, 2008-04-01 She was dirty and dusty Her curly hair had seen neither a comb nor water for months In one hand she carried a package of cigarettes and in the other a solvent rag Young Namusisi had no home no family no money for school fees and no one to love her or care for her She survived in the culture of the buyaye on the streets parking lots and porches of the city of Kampala Uganda But one day she met Daddy Kefa and her life was changed He took her to his children's home where she was provided for and was shown the love of Christ Namusisi was just one of more than six thousand Ugandan street children who were rescued from a meaningless and hopeless life by the efforts of a compassionate selfless and godly man From the Dust contains the poignant stories of many of those destitute children stories of how they came to live on the streets and of how their lives were changed Here are stories of a people ravaged by a demonic dictator a people who had lost all sense of humanity and were struggling under emotional physical and spiritual poverty From the Dust tells how the efforts of one man made a difference to so many who were groping in a dark world of sin and hopelessness It is the story of the love of God to the lost and dying and of how that love made a difference to so many Africans and can still make a difference to those who will trust in him He raiseth up the poor out of the dust and lifteth up the beggar from the dunghill to set them among princes and to make them inherit the throne of glory 1 Sam 2:8

The Biblical Doctrine of Separation Martin Waldenvik, This book deals with the doctrine of separation that we in the whole of Scripture can read about And since it is Scripture that commands us to separate and since we today have such disdain toward Scripture it deals very much with Scripture itself Scripture does self attestate itself it self authenticate itself and through its history it has been seen as God's perfect Word inerrant and infallible All of this is today attacked by the world but also by Christendom Nothing is more important than our view of Scripture and few things are more

important in the life of the Christian than to separate himself from the world and unto the Lord This is an important book for every Christian it deals with Scripture and obedience So many today in Christendom say that Scripture contains words from both God and man this lie is one of the most pernicious that exists within Christendom and this is repudiated in this book It calls for the Christian to separate himself from the world from error from false Christians and to separate himself unto the Lord to be obedient to what God has revealed in Scripture which is God s perfect Word given to man

The Leadership Imperative Scott D. Liebhauser,2018-01-22 The topic of leadership is ubiquitous in today s era of experts scholars and gurus With a host of voices promoting a myriad of views on this topic it is hard for one to determine who or what is correct This book gets to the heart of the issue by providing an unashamed and historic basis for leading others using biblical truth as the standard The postmodern epoch is fraught with confusion relativity and chaos as basic terms are redefined historic truths are maligned and cultural mores are upended Consequently leaders in this time are often just as confused as their followers who are leaving a trail of destruction in their wake Fortunately there are answers for those seeking to lead with confidence based on something much grander than personal opinion or subjective reasoning In this work Dr Liebhauser explains the pitfalls leaders face in these fluid times of resistance to anything authoritative while providing sound principles by which to effectively lead The reader will appreciate learning about the historical dynamic which fueled postmodern thinking and find hope in the time tested remedies this book provides
