The Mentor, 1922 The Mentor-world Traveler, 1922 The Money Game in Old New York

Clifford Browder, 2021-11-21 I got to be a millionaire afore I know'd it hardly remarked the Wall Street financier Daniel Drew 1797-1879 An uneducated farm boy from Putnam County New York he became in turn a successful cattle drover a circus clown tavern keeper a shrewd Hudson River steamboat operator and an unscrupulous speculator As the colorful Uncle Daniel of Wall Street his whiskered face seamed with wrinkles and twinkling with steel gray eyes time and again he disrupted the financial markets with manipulations whereby he either won or lost millions of dollars Having got religion upon hearing a scary hell fire sermon at the age of fourteen Drew was also a fervent Methodist Rumors of his financial operations epic struggles that pitted him against Cornelius Vanderbilt Jay Gould and Jim Fisk and that subjected him to threats of arrest and even kidnapping and on one occasion to a most undignified flight from the state baffled and disturbed the Methodists who admittedly had little grasp of Wall Street but knew firsthand Brother Drew's tearful repentance at prayer meetings and his generosity in founding churches and seminaries With its dual commitment to religion and rascality Drew's career is a rich study in contradictions an exciting chronicle of high drama and low comedy capped by bankruptcy To understand Drew in his complexity the author argues is to get a grip on the heady and exploitative age that produced him the yesterday of smartness and go ahead that helped engender the America of today Based on primary sources this is the first full fledged biography of Drew who hitherto has been known chiefly through a fictionalized and fraudulent account of 1910

Mentor-World Traveler, 1922 **Struggles and Triumphs** Phineas Taylor Barnum, 1927 **Jumping Through Hoops** Betsy Golden Kellem, 2025-06-10

Jumping Through Hoops tells the hidden history of female circus performers who played with and shattered gender stereotypes during the rise of the American traveling circus The circus is full of colorful tales of larger than life personalities such as P.T. Barnum General Tom Thumb and Philip Astley the so called father of the modern circus However history often overlooks the astounding ways that women carved out space for themselves in the circus at a time when women were expected to stay home and defer to men Jumping Through Hoops sets the record straight telling the stories of boundary breaking circus women such as The Queen of Beauty Lavinia Warren Millie Christine McKoy the Two Headed Nightingale and Patty Astley who should rightfully be remembered as the mother of modern circus The spectacular skills unusual bodies and bold backstories of these female and gender non conforming circus performers who walked on tightropes across waterfalls rode horseback in drag wrestled snakes and performed feats of electrical magic challenged public ideas of what femininity could look like Jumping Through Hoops gives these performers their rightful place in circus

history In this deeply researched book Emmy award winning circus historian Betsy Golden Kellem deftly explores how the beginning of modern mass media culture changes in technology and transportation and cultural shifts in the United States impacted the circus and how these extraordinary individual circus artists shaped our modern understanding of gender culture and performance in America
