**The Renovaré Spiritual Formation Study Bible** Richard J. Foster, Dallas Willard, Walter Brueggemann, Eugene H. Peterson, 2004      *Connecting with God* Renovare, 2006-06-13 How can we experience God? God has communicated with his people throughout the ages in many ways. Adam and Eve encountered him directly in the Garden of Eden. Teresa of Avila experienced him through visions and Francis of Assisi heard his voice in nature. This book gives practical advice for connecting on a deeply personal level with God. It uncovers new places to look for God while providing reflection questions and activities to reinvigorate communication with God in such traditional areas as prayer and Bible study. Divided into twelve chapters conveniently organized for individual or group study, each section explores a different area in which we can deepen our individual communion with God. The Renovar Spiritual Formation Guides created by Richard J. Foster and the team that developed The Renovar Spiritual Formation Bible and the longstanding A Spiritual Formation Workbook provide tangible lessons that help us become spiritually formed, conformed, and transformed into the image of Jesus Christ. Geared for either individual study or use in small groups, each Renovar Spiritual Formation Guide explores one facet of our life with God, providing readings from Scripture as well as classic and contemporary works of spirituality. The combination of readings, reflection questions, exercises, and activities makes these books invaluable interactive guides that prompt true spiritual growth.

*The Life with God Bible* combines the depth of a study Bible with the warmth of a devotional Bible, offering a new way to discover the full riches of the Scriptures. According to Richard Foster, bestselling author and the project's editor, the Bible is all about human life with God. As we read Scripture, we should consider how God is with us in each story and allow ourselves to be spiritually transformed. Many people are looking for a new way to read the Bible, not as a text to be mastered but as a story to enter into and a lifestyle to pursue. This unique Bible, previously published as *The Renovere Spiritual Formation Bible* and spearheaded by bestselling authors Richard Foster, *Celebration of Discipline*, and Dallas Willard, *The Divine Conspiracy*, introduces the concept of life with God, or the with God life, a model for seeing the whole of Scripture as the unfolding story of God's plan for our loving relationship with the Creator. This central theme weaves throughout the essays, introductions, notes, and exercises, powerfully revealing how God is present to his people today and throughout history. Life with God Richard J. Foster, 2010-05-04

Too often our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment. But what if we approached the Bible differently and instead of transforming the text to meet our needs, allowed it to transform us? That's exactly the idea behind *Life with God*. Richard J. Foster's much anticipated book on the Bible, Foster, bestselling author of *Celebration of Discipline* and general editor of *The Renovar Spiritual Formation Bible*, claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation. According to Foster, the Bible

is all about human life with God As we read Scripture we should consider how exactly God is with us in each story and allow ourselves to be spiritually transformed By opening our whole selves mind body spirit thoughts behavior and will to the page before us we begin to grasp all the Bible has to teach about prayer obedience compassion virtue and grace and apply it to our everyday lives to achieve a deeper relationship with God With a wealth of examples and simple yet crucial insights Life with God is an indispensable guide to approaching the Bible through the lens of Christian spiritual formation revealing that reading the Bible for interior transformation is a far different endeavor than reading the Bible for historical knowledge literary appreciation or religious instruction      The Life with God Bible NRSV--New Testament Renovare,Richard J.
