Español académico esencial Juana

Gil Fernández, 2024-09-30 *Español académico esencial* es una guía práctica para todas aquellas personas que necesiten expresarse con corrección por escrito u oralmente en el contexto académico. El libro ofrece más de 1000 estructuras y fórmulas lingüísticas y comunicativas útiles para redactar un trabajo académico científico o bien para preparar una presentación oral organizadas todas ellas siguiendo las fases sucesivas que conlleva un proyecto de investigación. Se trata de una obra sumamente práctica que incluye para facilitar el autoaprendizaje 120 ejercicios con sus correspondientes soluciones. Tanto los numerosos ejemplos como las actividades propuestas ayudan a los lectores a abordar las distintas tareas propias del entorno académico tales como escribir una tesis o un artículo. Además en el libro se proporcionan claves acerca de cómo elegir y combinar al vocabulario apropiado reproduciendo asimismo muestras de diferentes textos académicos. Al estar centrada en los rasgos del discurso académico científico comunes en gran medida al ámbito docente al de la investigación y al laboral la obra ayuda a los hablantes de español tanto nativos como no nativos con nivel de lengua avanzado a dominar el español académico científico necesario para desenvolverse en cualquiera de esas esferas. *Español académico esencial* is a practical guide for those who need to refine and master how they express themselves in Spanish both in writing and orally within an academic context. This book presents more than 1 000 linguistic and communicative patterns which are useful for writing an academic scientific paper or preparing an oral presentation organised according to the successive phases that a research project involves. It is highly practical with 120 exercises and their corresponding solutions included to facilitate self learning. The numerous examples as well as the exercises help readers tackle the different tasks they are likely to encounter in an academic context such as writing a dissertation or an article. Additionally *Español académico esencial* offers helpful tips and resources such as samples of different academic texts and guidance on how to choose and combine the appropriate vocabulary. The book will aid both native and non native advanced users of Spanish in mastering academic Spanish whether in their studies research or work environment through its focus on characteristics of academic discourse that are broadly common to both scholar and scientific technical discourse.
