Repentance Richard Owen Roberts, 2002-06-17 It is a serious problem when society misunderstands or disregards sin and repentance But when the church neglects these doctrines the impact is profound This book unfolds the nature and necessity of biblical repentance but for the church in particular Roberts in depth study heavily references both the Old and New Testaments and includes chapters on the myths maxims marks models and motives of repentance as well as the graces and fruits that accompany it There is also wise warning about the dangers of delayed repentance **The Blood** Benny Hinn, 2006 From accounts of healings salvation and miraculous deliverances Hinn shares powerful experiences and stories that emphasize biblical concepts and explain how to apply foundational truths **The Blood Revised Edition** Benny Hinn, 2024-03-05 The cross is so much more than a story It s the most powerful event in all of human history After reading this book you will have a greater appreciation for what Christ did on the cross for you You will know the true power and beauty of His love for you as you learn about who He is through the Scriptures and His Holy Spirit Christians are still trying to find the key to supernatural grace protection and mercy Benny Hinn unlocks the reality of the power of the blood of Jesus in this book which includes an interactive study guide Using accounts of healings salvation and miraculous deliverances this revised edition emphasizes biblical concepts and explains how to apply foundational truths about the blood of Jesus to every aspect of life In this unique interactive book readers will Discover the importance God places on blood covenants Recognize areas of sin where your own flesh is tempted Experience the power of the blood of Jesus Understand how fearing God does not mean being afraid of Him Enter into the Holy Spirit s presence through the blood of His Son FEATURES AND BENEFITS Study Guide Included **Mothering the Fatherland** George Faithful, 2014-04-03 How should one respond personally or theologically to genocide committed on one s behalf After the Allied bombing of Darmstadt Germany in 1944 some Lutheran young women perceived their city s destruction as an expression of God s wrath a punishment for Hitler s murder of six million Jews purportedly on behalf of the German people George Faithful tells the story of a number of these young women who formed the Ecumenical Sisterhood of Mary in 1947 in order to embrace lives of radical repentance for the sins of the German people against God and against the Jews Under Mother Basilea Schlink the sisters embraced an ideology of collective national guilt According to Schlink a handful of true Christians were called to lead their nation in repentance interceding and making spiritual sacrifices as priests on its behalf and saving it from looming destruction Schlink explained that these ideas were rooted in her reading of the Hebrew Bible in fact Faithful discovers they also bore the influence of German nationalism Schlink s vision resulted in penitential practices that dominated the life of her community While the

women of the sisterhood were subject to each other they elevated themselves and their spiritual authority above that of any male leaders They offered female and gender neutral paradigms of self sacrifice as normative for all Christians Mothering the Fatherland shows how the sisters overturned German Protestant norms for gender roles communal life and nationalism in their pursuit of redemption *Steps to Christ for a Joy-Filled Life* Ellen Gould Harmon White,2000 **Laughter and**

Ringma,Mary Dickau,2015-12-10 The Art of Healing Prayer aims to help both clergy and laity to develop a greater understanding of those who come seeking healing and to become skilled in praying for such people biblically imaginatively and sensitively The authors recognize that this is a costly ministry requiring counsellors to find time in their own often busy lives to guide others and necessitating that they continue to be open to the gifts of God s grace However it is a ministry that often results in joy and transformation as those healed from long standing inner woundedness become sources of goodness and healing for others Praying with God's Heart James W. Goll,2018-10-02 What if there was a key that made every prayer more effective something that would bring all prayers into agreement with the heart of God every single time This type of praying does exist says bestselling author and prophetic leader James W Goll and it s called prophetic intercession It is the humble act of holding the needs of people before God while leaning into God s heart for them There is nothing mystical or elite about this kind of praying and it s for the new Christian and the most seasoned prayer warrior All you need is to learn to lean into your heavenly Father and pray what you see and hear in alignment with his heart empowered by the Holy Spirit God wants you to align your heart with his He wants you to pray more effectively in these turbulent times and he wants you to help usher in the fullness of his purposes on the earth Are you ready *A Call to the Secret Place* Michal Ann Goll,2005 Deep inside each one of us is a longing to escape the frantic pace of life in the 21st Century A Call to the Secret Place is your personal invitation to take that step towards the place lovingly prepared for you *The New International Dictionary of Pentecostal and Charismatic*
