Remote Healing Maria Sagi, 2020-07-07 A practical guide to the Sagi method of healing across space and time Shows that we can interact with the Akashic information field to diagnose and treat illnesses nonlocally and that the effects are controllable and verifiable Details techniques for diagnosing and transferring healing information at a distance using geometric symbols to treat acute infections and reduce pain and integrating information medicine with homeopathy and chakra therapy Shares the author's development of her method including stories of successful remote healings and her interactions with pioneers such as Erich K rbler Remote healing is healing over space and time Often called nonlocal healing it is no longer a magical occurrence or a mysterious technique reserved for powerful shamans Remote healing has moved from magic to science and it can be learned In this practical guide to the Sagi method of information medicine Maria Sagi Ph D reveals that nonlocal healing is a quantum science that works through the transmission of information and that its effects can be controlled and verified Drawing on the Akashic information field of Ervin Laszlo she explains that the universe is not a mechanical system composed of matter it operates like an overarching network that runs on and is connected by information Cosmic information in forms and underlies the whole physical world including the human body Sharing stories of successful remote healings she facilitated and her interactions with pioneers Erich K rbler Gordon Flint and Franz Stern Sagi shows that we can access the Akashic information field to diagnose illnesses treat symptoms and heal the causes of disease whether we are in the same room as our patient or on the other side of the earth Moving beyond the theoretical to the practical Sagi explains how to diagnose and treat someone with information and how to attune to the information emanating from the patient She shares techniques for transferring healing information across space and time by using geometric symbols to treat

acute illnesses and infections and reduce pain The author also explores how to integrate information medicine with homeopathy and how to diagnose through photographs through the chakras and through morphic patterns in the Akashic information field Opening up a new dimension in the art and science of healing Maria Sagi demonstrates that by working with the Akashic information field we can trigger the body's self healing mechanisms and restore order to a person's energy and information systems

Vibrational Medicine Richard Gerber, 2001-03-01 The original comprehensive guide to energetic healing with a new preface by the author and updated resources More than 125 000 copies sold Explores the actual science of etheric energies replacing the Newtonian worldview with a new model based on Einstein's physics of energy Summarizes key points at the end of each chapter to help the serious student absorb and retain the wealth of information presented Vibrational Medicine has gained widespread acceptance by individuals schools and health care institutions nationwide as the textbook of choice for the study of alternative medicine Trained in a variety of alternative therapies as well as conventional Western medicine Dr Gerber provides an encyclopedic treatment of energetic healing covering subtle energy fields acupuncture Bach flower remedies homeopathy radionics crystal healing electrotherapy radiology chakras meditation and psychic healing He explains current theories about how various energy therapies work and offers readers new insights into the physical and spiritual perspectives of health and disease
